the bureau. The bureau or its delegated representative shall immediately send a *report* [copy of all reports] of suspected physical or sexual abuse to the appropriate law enforcement agency for any appropriate action. Such *report* [reports] shall contain the names and addresses of the child and his parents or other persons responsible for his care, if known, the child's age, the nature and extent of the child's abuse or neglect (including any evidence of previous abuse or neglect) to this child or his siblings; the name and address of the person responsible for the abuse or neglect; and any other information that the person making the report believes may be helpful in the furtherance of the purpose of this section. The bureau may request and shall receive from any agency of the state or any other agency, institution or facility providing services to the child or his family, such cooperation, assistance and information as will enable the bureau to fulfill its responsibilities under this section.

(4) *A search warrant shall be issued upon a showing of probable cause that a child is being abused or neglected.* [The fact that a report as provided in this section has been received is sufficient grounds for issuance of a search warrant, and] If, pursuant to a search under a warrant a child is discovered and appears to be in imminent danger, the child may be removed by the local law enforcement officer. In the event a child who is in a hospital or under the immediate care of a physician appears to be in such certain danger of injury or death if he is returned to the persons having custody of him, the physician or hospital administrator may hold a child in the physician's office or the hospital without court order provided that an attempt is made to obtain such court order at the earliest practicable time not to exceed seventy-two (72) hours. Any appropriate law enforcement officer may take a child into protective custody and may hold that child in protective custody without the consent of the parent or other person responsible for such child, if the officer has reasonable cause to believe that there exists an imminent danger to the child's life or health.

(5) In a proceeding before the juvenile court to have a child removed from his home and placed in the custody of the bureau or the court, substantial evidence that the child is an abused or neglected child shall make a prima facie case for removal of the child even though it is not proved conclusively who has perpetrated the abuse or who has caused the neglect.

(6) Anyone acting upon reasonable cause in the making of a report pursuant to this section, sections 530.060, 530.070, subsections (4) and (5) of KRS 208.020 and subsections (4) *and* [,] (5) [and (6)] of KRS 208.990 shall have immunity from any liability, civil or criminal, that might otherwise be incurred or imposed. Any such participant shall have the same immunity with respect to participation in any such judicial proceeding resulting from such report.

(7) Neither the husband-wife nor any professional-client/patient privilege, except the attorney-client privilege, shall be a ground for *refusing to report under this section or for* excluding evidence regarding an abused or neglected child or the cause thereof, in any judicial proceedings resulting from a report pursuant to this section.

(8) Upon receipt of a report of an abused or neglected child pursuant to this section, the bureau as the designated agency or its delegated representative shall initiate a prompt investigation, take necessary action and shall offer protective services toward safeguarding the welfare of the child, preventing further abuse or neglect of the child or any other child under the same care, preserve and strengthen family life, where possible, by enhancing parental capacity for adequate child care.

(9) All information obtained by the bureau staff or its delegated representative, as a result of investigation made pursuant to this section shall not be divulged to any one except: (a) persons suspected of neglect or abuse, provided that in such cases names of informants may be withheld, unless ordered by the court; (b) persons within the bureau with a legitimate interest or responsibility related to the case; (c) other medical, psychological, or social service agencies, or law enforcement agencies that have a legitimate interest in the case; (d) cases where a court orders release of such information.

(10) As a result of any report of suspected child abuse or neglect as defined in KRS 199.011(6) photographs and x-rays may be taken or caused to be taken, without the consent of the parent or other person responsible for the child, as a part of the medical evaluation or investigation of such reports. Such photographs and x-rays may be introduced into evidence in any subsequent judicial proceedings. The person taking such photographs or x-rays shall be immune from criminal or civil liability.

Section 3. KRS 199.341 is amended to read as follows:

The interstate compact on the placement of children is hereby enacted into law and entered into with all other jurisdictions legally joining therein in form substantially as follows:

ARTICLE I

Purpose and Policy

It is the purpose and policy of the party states to cooperate with each other in the interstate placement of children to the end that:

(a) Each child requiring placement shall receive the maximum opportunity to be placed in a suitable environment and with persons or institutions having appropriate qualifications and facilities to provide a necessary and desirable degree and type of care.

(b) The appropriate authorities in a state where a child is to be placed may have full opportunity to ascertain the circumstances of the proposed placement, thereby promoting full compliance with applicable requirements for the protection of the child.

(c) The proper authorities of the state from which the placement is made may obtain the most complete information on the basis of which to evaluate a projected placement before it is made.

(d) Appropriate jurisdictional arrangements for the care of children will be promoted.

ARTICLE II
Definitions

As used in this compact:

(a) "Child" means a person who, by reason of minority, is legally subject to parental, guardianship or similar control.

(b) "Sending agency" means a party state, officer or employe thereof; a subdivision of a party state, or officer or employe thereof; a court of a party state; a person, corporation, association, charitable agency or other entity which sends, brings, or causes to be sent or brought any child to another party state.

(c) "Receiving state" means the state to which a child is sent, brought, or caused to be sent or brought, whether by public authorities or private persons or agencies, and whether for placement with state or local public authorities or for placement with private agencies or persons.

(d) "Placement" means the arrangement for the care of a child in a family free or boarding home or in a child-caring agency or institution but does not include any institution caring for the mentally ill, mentally defective or epileptic or any institution primarily educational in character, and any hospital or other medical facility.

ARTICLE III
Conditions for Placement

(a) No sending *agency* [state] shall send, bring, or cause to be sent or brought into any other party state any child for placement in foster care or as a preliminary to a possible adoption unless the sending agency shall comply with each and every requirement set forth in this article and with the applicable laws of the receiving state governing the placement of children therein.

(b) Prior to sending, bringing or causing any child to be sent or brought into a receiving state for placement in foster care or as a preliminary to a possible adoption, the sending agency shall furnish the appropriate public authorities in the receiving state written notice of the intention to send, bring, or place the child in the receiving state. The notice shall contain:

(1) The name, date and place of birth of the child.

(2) The identity and address or addresses of the parents or legal guardian.

(3) The name and address of the person, agency or institution to or with which the sending agency proposes to send, bring, or place the child.

(4) A full statement of the reasons for such proposed action and evidence of the authority pursuant to which the placement is proposed to be made.

(c) Any public officer or agency in a receiving state which is in receipt of a notice pursuant to paragraph (b) of this article may request of the sending agency, or any other appropriate officer or agency of or in the sending agency's state, and shall be entitled to receive therefrom, such supporting or additional information as it may deem necessary under the circumstances to carry out the purpose and policy of this compact.

(d) The child shall not be sent, brought, or caused to be sent or brought into the receiving state until the appropriate public authorities in the receiving state shall notify the sending agency, in writing, to the effect that the proposed placement does not appear to be contrary to the interests of the child.

ARTICLE IV
Penalty for Illegal Placement

The sending, bringing, or causing to be sent or brought into any receiving state of a child in violation of the terms of this compact shall constitute a violation of the laws respecting the placement of children of both the state in which the sending agency is located or from which it sends or brings the child and of the receiving state. Such violation may be punished or subjected to penalty in either jurisdiction in accordance with its laws. In addition to liability for any such punishment or penalty, any such violation shall constitute full and sufficient grounds for the suspension or revocation of any license, permit, or other legal authorization held by the sending agency which empowers or allows it to place, or care for children.

ARTICLE V
Retention of Jurisdiction

(a) The sending agency shall retain jurisdiction over the child sufficient to determine all matters in relation to the custody, supervision, care, treatment and disposition of the child which it would have had if the child had remained in the sending agency's state, until the child is adopted, reaches majority, becomes self-supporting or is discharged with the concurrence of the appropriate authority in the receiving state. Such jurisdiction shall also include the power to effect or cause the return of the child or its transfer to another location and custody pursuant to law. The sending agency shall continue to have financial responsibility for support and maintenance of the child during the period of the placement. Nothing contained herein shall defeat a claim of jurisdiction by a receiving state sufficient to deal with an act of delinquency or crime committed therein.

(b) When the sending agency is a public agency, it may enter into an agreement with an authorized public or private agency in the receiving state providing for the performance of one or more services in respect of such case by the latter as agent for the sending agency.

(c) Nothing in this compact shall be construed to prevent a private charitable agency authorized to place children in the receiving state from performing services or acting as agent in that state for a private charitable agency of the sending state; nor to prevent the agency in the receiving state from discharging financial responsibility for the support and maintenance of a child who has been placed on behalf of the sending agency without relieving the responsibility set forth in paragraph (a) hereof.

ARTICLE VI

Institutional Care of Delinquent Children

A child adjudicated delinquent may be placed in an institution in another party jurisdiction pursuant to this compact but no such placement shall be made unless the child is given a court hearing on notice to the parent or guardian with opportunity to be heard, prior to his being sent to such other party jurisdiction for institutional care and the court finds that:

1. Equivalent facilities for the child are not available in the sending agency's jurisdiction; and
2. Institutional care in the other jurisdiction is in the best interest of the child and will not produce undue hardship.

ARTICLE VII

Compact Administrator

The executive head of each jurisdiction party to this compact shall designate an officer who shall be general coordinator of activities under this compact in his jurisdiction and who, acting jointly with like officers of other party jurisdictions, shall have power to promulgate rules and regulations to carry out more effectively the terms and provisions of this compact.

ARTICLE VIII

Limitations

This compact shall not apply to:

(a) The sending or bringing of a child into a receiving state by his parent, step-parent, grandparent, adult brother or sister, adult uncle or aunt, or his guardian and leaving the child with any such relative or non-agency guardian in the receiving state.

(b) Any placement, sending or bringing of a child into a receiving state pursuant to any other interstate compact to which both the state from which the child is sent or brought and the receiving state are party, or to any other agreement between said states which has the force of law.

ARTICLE IX

Enactment and Withdrawal

This compact shall be open to joinder by any state, territory or possession of the United States, the District of Columbia, the Commonwealth of Puerto Rico, and, with the consent of Congress, the Government of Canada or any province thereof. It shall become effective with respect to any such jurisdiction when such jurisdiction has enacted the same into law. Withdrawal from this compact shall be by the enactment of a statute repealing the same, but shall not take effect until two years after the effective date of such statute and until written notice of the withdrawal has been given by the withdrawing state to the Governor of each other party jurisdiction. Withdrawal of a party state shall not affect the rights, duties and obligations under this compact of any sending agency therein with respect to a placement made prior to the effective date of withdrawal.

ARTICLE X

Construction and Severability

The provisions of this compact shall be liberally construed to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state party thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the states affected as to all severable matters.

Section 4. KRS 199.370 is amended to read as follows:

(1) The provisions of KRS 199.350 shall not apply to a *parent, step-parent, grandparent, adult brother or sister, or adult uncle or aunt* [relative] going to any other state *or country* and bringing a child into this state

for the purpose of giving it a home in his own family, and may be waived by the department for any child brought into the state under the supervision of the division or licensed child-caring or child-placing institution or agency by written agreement with the responsible [state] agency of the other state *or country, or under special circumstances agreed to in writing by the department and the persons wishing to import a child.*

(2) The provisions of KRS 199.350 shall not apply to placements made pursuant to the interstate compact on the placement of children.

Section 5. KRS 199.460 is amended to read as follows:

In addition to the other duties, functions, and responsibilities imposed by law, the department, through its authorized representatives, shall have general supervision and management of all matters contained in KRS 199.350 to 199.370 and shall, wherever possible:

(1) Locate and plan for all children who are dependent, neglected *or abused,* abandoned or in danger of becoming delinquent;

(2) Cooperate with and assist the juvenile courts of the various counties;

(3) Assist circuit courts through services to children whenever requested by the court; and

(4) Perform such other services as may be deemed necessary for the welfare of children.

Section 6. KRS 199.473 is amended to read as follows:

(1) All persons other than a licensed child-placing agency or institution, the department or persons excepted by KRS 199.470(4) or (5) who wish to place or receive a child shall make written application to the secretary for permission to place or receive a child. Upon receipt of an application to place or receive a child the secretary shall cause an investigation to be made of the home and the background of the person or persons wishing to receive the child. The purpose of the investigation shall be to determine the suitability of the applicants to receive a child, taking into account at all times the best interest of the child for whom application to receive has been made. The child welfare worker making the investigation shall make a finding in writing recommending either that the application be granted or that the application be denied. In either case reasons for the child welfare worker's recommendation shall be given in writing. The recommendation of the child welfare worker shall then be reviewed by the secretary. Based on the report and recommendation of the child welfare worker making the investigation, the secretary shall grant or refuse permission for the applicant to place or receive a child as early as practicable, but, in any case, the decision shall be made within sixty days after the receipt of the application. In reaching his decision the secretary shall be guided by the ability of the persons wishing to receive the child to give the child a suitable home, and shall at all times consider the best interest of the child from a financial, medical, psychological and psychiatric standpoint. If the application is refused the secretary shall in general terms furnish in writing the reasons for his refusal.

(2) In any case where the department refuses to approve the placement of a child for adoption when requested by the parent or parents of the child, or refuses the request of any person or persons that a child be placed with him or them for adoption, the decision of the secretary in so refusing shall be final unless within ten days after notice of refusal, the natural or proposed adopting parent or parents shall appeal to the circuit court of the county in which the adoption is proposed, provided however that no placement shall be disapproved on the basis of the religious, ethnic, racial or inter-faith background of the adoptive applicant, if such placement is made with the consent of the parent. The department shall be made a party defendant to the appeal. In the hearing of an appeal the court shall review the findings of the secretary and shall determine if the secretary has acted arbitrarily, unlawfully, or in such a manner as to constitute an abuse of discretion.

(3) No person, association or organization, other than the department or a licensed child-placing institution or agency shall place a child or act as intermediary in the placement of a child for adoption or otherwise; except in the home of a stepparent, grandparent, sister, brother, aunt or uncle, or upon written approval of the secretary. Nothing in this subsection shall be construed to limit the department for human resources in carrying out its aid to dependent children program in accordance with KRS Chapter 205.

(4) In the event a child who does not fall within the exception provided for in KRS 199.470(4) or (5) is placed or received in a home without the permission of the secretary for human resources, or in the event permission to receive a child has been denied, a representative of the department may petition the juvenile court of the county in which the child is found setting out the facts concerning the child. When such petition has been filed, the juvenile court shall take jurisdiction of the child and shall provide for it as it would provide for a *dependent* [needy], neglected or *abused* [dependent] child under KRS 208.020 except that the child may not be placed in the home of the applicants to receive him unless permission to do so is granted by the secretary or such action is ordered by a circuit court, the Kentucky Court of Appeals or Supreme Court of Kentucky.

(5) Nothing in this statute shall be construed to limit the authority of the department or a licensed child-placing institution or agency to determine the proper disposition of a child committed to it by the juvenile court or the circuit court, prior to the filing of an application to place or receive.

Section 7. KRS 199.500 is amended to read as follows:

(1) No adoption shall be granted without the sworn consent of the living parent or parents of a legitimate child or the mother of the child born out of wedlock, or the father of the child born out of wedlock if paternity is established in a legal action or if an affidavit is filed stating that the affiant is the father of the child, except that such consent of the living parent or parents shall not be required if:

(a) Such parent or parents have been adjudged incompetent and such judgment shall have been in effect for not less than one (1) year prior to the filing of the petition for adoption;

(b) The parental rights of such parents have been terminated under KRS 199.600 to 199.630; or

(c) The living parents are divorced and the parental rights of one (1) parent have been terminated under KRS 199.600 and consent has been given by the parent having custody and control of the child.

(2) A minor parent who is a party defendant may consent to an adoption but a guardian ad litem for such parent shall be appointed.

(3) In the case of a child twelve (12) years of age or older, the consent of the child shall be given in court, provided that the court in its discretion may waive this requirement.

(4) Notwithstanding the provisions of subsection (1) of this section, an adoption may be granted without the consent of the natural living parents of a child if it is pleaded and proved as a part of the adoption proceedings that any of the provisions of subsections (1) or (2) of KRS 199.600 exist with respect to such child.

(5) In no case shall an adoption be granted or a consent for adoption be held valid if such consent for adoption is given prior to the fifth day after the birth of the child.

SECTION 8. A NEW SECTION OF KRS CHAPTER 199 IS CREATED TO READ AS FOLLOWS:

(1) A petition for the voluntary termination of parental rights may be filed by a parent.

(2) No petition may be filed under this chapter prior to five (5) days after the birth of the child.

(3) The circuit court shall have jurisdiction of proceedings under this chapter to terminate parental rights. A petition for voluntary termination of parental rights may be filed in any circuit court of the Commonwealth.

(4) The petition for the voluntary termination of parental rights under this Act shall be verified and contain the following:

(a) Name and place of residence of each petitioner;

(b) Name, sex and date of birth of the child;

(c) Relationship of each petitioner to the child;

(d) Reasons for desiring the termination of parental rights;

A statement that the person, department or authorized agency to whom custody is to be given has facilities available and is willing to receive the custody of the child shall be filed with the petition.

(5) When a petition for the voluntary termination of parental rights is filed, the court shall set a date for a hearing thereon. The court shall require notice to be served upon the department for human resources in any case where a statement from the department of willingness to accept custody of the child has not been filed with the petition, or custody of the child is to be placed with an individual and not the department or a licensed agency.

(6) All hearings shall be held before the court, privately for the purpose of determining the facts.

(7) The best interest of the child shall be considered paramount.

(8) At the time of the hearing, the court, after full and complete inquiry, shall determine whether each petitioner is fully aware of the purpose of the proceedings and the consequences of this Act.

SECTION 9. A NEW SECTION OF KRS CHAPTER 199 IS CREATED TO READ AS FOLLOWS:

(1) If the court determines that all parties with parental rights to the child under the law have either petitioned the court to have their parental rights terminated voluntarily or have had their rights terminated involuntarily by an order entered by a court of competent jurisdiction, and that the termination of parental rights and their transfer are in the best interest of the child, and that each petitioner is fully aware of the purpose of the proceedings and the consequences of this Act, it shall make an order terminating all parental rights and obligations in the parent in whom they have existed, and releasing the child from all legal obligations to his parents, and transferring such parental rights to some other person or authorized agency or department as may, in the opinion of the court, be best qualified to receive them, except that the child shall retain the right to inherit from its parents under the laws of descent and distribution until the child is adopted. Such order may contain the power for the department, or authorized agency to consent to the adoption of such child.

(2) Any order entered under this Act shall be conclusive and binding on all parties and no appeal may be taken from a judgment of voluntary termination.

SECTION 10. A NEW SECTION OF KRS CHAPTER 199 IS CREATED TO READ AS FOLLOWS:

(1) In a proceeding involving a dependent, neglected or abused child, as defined in KRS 199.011, the circuit court may terminate all parental rights of the parent of such child, and declare the child to be a ward of the state, and vest the care, custody and control of the child in the department, or in any licensed child-caring or child-placing agency or institution, if facilities are available to receive the child, if it is pleaded and proved by preponderance of the evidence in a private hearing that the termination is in the best interest of the child based on the existence of one (1) or both of the following conditions:

(a) The child has been abandoned; or

(b) The child has been substantially or continuously or repeatedly neglected or abused.

(2) In the case of conditions described in subsection (1)(a) or (b), no finding by the court is necessary that the abandonment, neglect or abuse was intentional if in fact the abandonment, neglect or abuse occurred.

(3) Factors to be considered by the court in determining the best interests of the child in circumstances of abandonment, neglect, or abuse shall include:

(a) Emotional illness, mental illness, or mental deficiency of the parent rendering the parent consistently unable to care for the immediate and ongoing physical or psychological needs of the child for extended periods of time based on psychological or psychiatric evidence;

(b) Acts of abuse or neglect toward any child in the family;

(c) Repeated or continuous failure by the parents to provide the child with adequate food, clothing, shelter, or other care and control necessary for his physical, mental, or emotional health and development except that poverty alone shall not be grounds for involuntary termination of parental rights;

(e) The effort the parent has made to adjust his circumstances, conduct, or conditions to make it in the child's best interest to return him to his home in the forseeable future;

(f) The extent to which the parent has maintained regular visitation or other contact with the child as part of a plan to reunite the child with the parent;

(g) The payment of a reasonable portion of substitute physical care and maintenance if financially able to do so;

(h) Whether additional services would be likely to bring about lasting parental adjustment enabling a return of the child to the parent within an ascertainable period of time.

(4) If the circumstances described in subsection (1), (2), or (3) of this section exist with respect to only one (1) of the two (2) parents, the parental rights of that parent may be terminated, in which case the child shall not be declared to be a ward of the state, unless with the voluntary consent of the other parent, or if one (1) of the two (2) parents has wilfully, substantially, and continuously refused for a period of at least one (1) year to give or pay any support, the parental rights of that parent may be terminated immediately by order of the court, in which case the child shall not be declared a ward of the state, unless with the voluntary consent of the other parent.

(5) In the event the infant is made party defendant to the action, the boarding home or foster parent shall not be served with summons notwithstanding provisions of CR 4.04 (2).

(6) The court may be convened at any time wherever the judge thereof may be found within the district, irrespective of the regular term for the purpose of terminating parental rights under this section, and shall complete the same as soon as possible.

(7) Proceedings under this Act may be instituted upon petition by the department, any child-placing agency licensed by the department, any probation officer, any state or local law enforcement officer, any county or commonwealth's attorney or parent.

(8) In the event a parent who is a defendant in an action for involuntary termination of parental rights is for financial reasons unable to obtain legal representation, the court shall appoint an attorney for such person if defendant requests counsel. The court shall inform the defendant of his right to counsel if possible. The court shall appoint counsel for any defendant under this statute if in the opinion of the court justice will be served. Unless the attorney appointed receives a salary or fee from another source, he shall be paid a reasonable fee for his services which shall be taxed as costs not to exceed three hundred dollars ($300).

(9) In any action for involuntary termination of parental rights, the child to whom the action directly relates shall be made a party defendant to the action and a guardian ad litem shall be appointed to represent his interest.

SECTION 11. A NEW SECTION OF KRS CHAPTER 199 IS CREATED TO READ AS FOLLOWS:

(1) The father of a child born out-of-wedlock shall be made a party and brought before the court in the same manner as any other party to a termination action if one of the following conditions exist:

(a) He is known and voluntarily identified by the mother by affidavit; or

Such order may contain a statement of authority to place the child for adoption.

SECTION 14. A NEW SECTION OF KRS CHAPTER 199 IS CREATED TO READ AS FOLLOWS:

requiring the person who has the custody or control of the child to appear personally and bring the child before the court at a time and place stated. If the person so summoned is other than a parent or guardian of the child, the parent or guardian or both shall also be notified of the pendency of the proceeding and of the time and place appointed. As a part of such order, the court may request that the child shall be picked up by the peace officer serving the summons or by any other peace officer and placed as directed by the court. It is imperative that the supply of residential housing for persons and families of lower income affected by the spread of slum conditions and blight and for persons and families of lower income displaced by public actions or natural disaster be increased; and that private enterprise and investment be encouraged to sponsor, build and rehabilitate residential housing for such persons and families, to help prevent the recurrence of slum conditions and blight and assist in their permanent elimination throughout *the Commonwealth* [Kentucky].

In anticipation of the issuance of such bonds the corporation also is hereby authorized to provide for the issuance, at one time or from time to time, of bond anticipation notes. The principal of and the interest on such bonds or notes shall be payable solely from the funds herein provided for such payment. Any such notes may be made payable from the proceeds of bonds or renewal notes or, in the event bond or renewal note proceeds are not available, such notes may be paid from any available revenues or assets of the corporation. The bonds or notes of each issue shall be dated and may be made redeemable before maturity at the option of the corporation at such price or prices and under such terms and conditions as may be determined by the corporation. Any such bonds or notes shall bear interest at such rate or rates as may be determined by the corporation. Notes shall mature at such time or times not exceeding ten years from their date or dates and bonds shall mature at such time or times not exceeding forty years from their date or dates, as may be determined by the corporation. The corporation shall determine the form and manner of execution of the bonds or notes, including any interest coupons to be attached thereto, and shall fix the denomination or denominations and the place or places of payment of principal and interest, which may be any bank or trust company within or without the *Commonwealth* [state]. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or notes or coupons attached thereto shall cease to be such officer before the delivery thereof, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. The corporation may also provide for the authentication of the bonds or notes by a trustee or fiscal agent. The bonds or notes may be issued in coupon or in registered form, or both, as the corporation may determine, and provision may be made for the

registration of any coupon bonds or notes as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds or notes of any bonds or notes registered as to both principal and interest, and for the interchange of registered and coupon bonds or notes. Upon the approval of a resolution of the corporation, authorizing the sale of its bonds or notes, such bonds or notes may be sold in such manner, either at public or private sale, and for such price as said corporation shall determine to be for the best interest of the corporation and best effectuate the purposes of this chapter provided that such sale shall be approved by the corporation.

(2) The proceeds of any bonds or notes shall be used solely for the purposes for which issued and shall be disbursed in such manner and under such restrictions if any, as the corporation may provide in the resolution authorizing the issuance of such bonds or notes or in the trust agreement hereinafter mentioned securing the same.

(3) Prior to the preparation of definitive bonds, the corporation may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The corporation may also provide for the replacement of any bonds or notes which shall become mutilated or shall be destroyed or lost.

The issuance of such obligations, the maturities and other details thereof, the rights of the holders thereof, and the rights, duties and obligations of the corporation in respect of the same shall be governed by the provisions of this chapter which relate to the issuance of obligations, insofar as such provisions may be appropriate therefor.

(2) Refunding obligations may be sold or exchanged for outstanding obligations issued under this chapter and, if sold, the proceeds thereof may be applied, in addition to any other authorized purposes, to the purchase, redemption or payment of such outstanding obligations. Pending the application of the proceeds of any such refunding obligations, with any other available funds, to the payment of the principal, accrued interest and any redemption premium on the obligations being refunded, and, if so provided or permitted in the resolution authorizing the issuance of such refunding obligations or in the trust agreement securing the same, to the payment of any interest on such refunding obligations and any expenses in connection with such refunding, such proceeds may be invested in direct obligations of, or obligations the principal of and the interest on which are unconditionally guaranteed by, the United States of America which shall mature or which shall be subject to redemption by the holders thereof, at the option of such holders, not later than the respective dates when the proceeds, together with the interest accruing thereon, will be required for the purposes intended. *Any such refunding transaction may, but need not, provide that, pending the redemption of the obligations being refunded, the refunding bonds shall be payable from the proceeds of the investment of such refunding bonds.*

Section 7. KRS 198A.165 is amended to read as follows:

The corporation shall be authorized and empowered in connection with the issuance of its bonds and notes for housing purposes pursuant to this chapter to establish in respect of such bonds and notes such reserve funds or replacement funds as may be required in the sound discretion of the board of directors of the corporation to enable the corporation to effectuate its proper public purposes. In the event any such reserve fund or replacement fund created by the corporation in connection with any such bond issue or note issue should, in violation of any contract made by the corporation with any bondholder or note holder be monetarily deficient in any respect as of any date of accounting so stipulated by the corporation, the corporation shall immediately make formal request in writing to the secretary of the executive department for finance and administration, and to the governor of Kentucky that sums adequate to restore such reserve fund or replacement fund to its contractually required level and to pay any overdue principal and interest on any outstanding bonds and notes of the corporation be included in the next succeeding executive budget, and that such budget request with recommendation for approval by the general assembly *of an appropriate legislative appropriation by the general assembly* to the corporation for the use and benefit of such reserve fund or replacement fund *be submitted to such session of the general assembly.* In the event the next scheduled regular session of the general assembly of Kentucky shall occur more than six (6) months after any such request by the corporation, the corporation shall request that sums adequate to restore such reserve fund or replacement fund to such contractually required level and to pay any overdue principal and interest on any outstanding bonds and notes of the corporation be made available from the governor's contingency fund, and if such funds are so made available the budget request hereinabove described in this section shall be correspondingly reduced.

(1) The general assembly hereby finds and declares that as a result of the spread of slum conditions and blight to formerly sound urban and rural neighborhoods and as a result of actions involving highways, public facilities and urban renewal activities there exists in the Commonwealth [of Kentucky] a serious shortage of decent, safe and sanitary residential housing available at [low] prices or rentals *which can be afforded by* [to] persons and families of lower income. This shortage is severe in certain urban areas of the state, is especially critical in the rural areas, and is inimical to the health, safety, welfare and prosperity of all residents of the *Commonwealth* [state] and to the sound growth of Kentucky communities.

(2) The general assembly hereby finds and declares further that private enterprise and investment have not been able to produce, without assistance, the needed construction of decent, safe and sanitary residential housing at low prices or rentals which persons and families of lower income can afford, or to achieve the urgently needed rehabilitation of much of the present *supply of residential housing available for persons and families of* lower income [housing]. It is imperative that the supply of residential housing for persons and families of lower income affected by the spread of slum conditions and blight and for persons and families of lower income displaced by public actions or natural disaster be increased; and that private enterprise and investment be encouraged to sponsor, build and rehabilitate residential housing for such persons and families, to help prevent the recurrence of slum conditions and blight and assist in their permanent elimination throughout *the Commonwealth* [Kentucky].

(3) The general assembly hereby finds and declares further that the purposes of this chapter are to provide financing for development costs, land development and residential housing construction, new or rehabilitated, for sale or rental to persons and families of lower income.

(4) The general assembly hereby finds and declares further that in accomplishing this purpose, the Kentucky housing corporation shall be and constitute a de jure municipal corporation and political subdivision of the Commonwealth of Kentucky created for the performance of essential public functions and the serving of

The secretary of the corporation shall keep a record of the proceedings of the corporation and shall be custodian of all books, documents and papers filed with the corporation, the minute book or journal of the corporation and its official seal. *The secretary* [He] shall have authority to cause copies to be made of all minutes and other records and documents of the corporation and to give certificates under the official seal of the corporation to the effect that such copies are true copies, and all persons dealing with the corporation may rely upon such certificates.

(10) A majority of the board of directors of the corporation shall constitute a quorum for the purposes of conducting its business and exercising its powers and for all other purposes, notwithstanding the existence of any vacancies.

HB 36, AN ACT relating to credit unions.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 290.110 is amended to read as follows:

(1) *Each credit union shall establish its own fiscal year* [The fiscal year of every credit union shall end at the close of business on December 31]. An annual meeting of the corporation shall be held in accordance with the bylaws of the credit union. Special meetings may be held by order of the directors or of the supervisory committee, and shall be held upon request in writing of 10 per cent of the members. Notice of all meetings of the corporation shall be given in the manner prescribed in the bylaws.

(2) At all meetings of members a member shall have but one (1) vote, irrespective of the number of shares held. No shareholder may vote by proxy but a *member may vote by absentee ballot, if the bylaws of the credit union so provide. A* society, association, partnership or corporation having membership in the corporation may be represented by one (1) person authorized to so represent it.

(3) At any meeting the members may decide upon any question of interest to the corporation and may overrule the board of directors *by a majority vote of the entire membership of the credit union.*

Section 2. KRS 290.120 is amended to read as follows:

(1) At the annual meeting the members shall elect a board of directors as prescribed by the bylaws which shall consist of not less than five (5) nor more than fifteen (15) members, a credit committee and a supervisory committee of not less than three (3) members each. A director shall not serve on any committee

mentioned in this section. No member shall serve on more than one (1) of these committees at the same time.

(2) Each director, officer and member of a committee shall take an oath that he will, as far as the duty devolves upon him, diligently and honestly administer the affairs of the corporation and will not knowingly violate or willingly permit to be violated any of the provisions of law applicable to the credit union, and that he is the owner *or joint owner* in good faith [and in his own right] on the books of the corporation of at least one (1) share therein. Such oath shall be subscribed by the individual taking it and certified by the officer before whom it was taken and shall immediately be transmitted to the commissioner and be filed and preserved in his office.

Section 3. KRS 290.160 is amended to read as follows:

(1) The capital of the credit union shall consist of the payments made to it by the members thereof on shares. Shares may be subscribed for and paid-in in such manner as the bylaws prescribe. A credit union shall have a lien on the shares of any member and upon any dividends payable thereon to the extent of any loan made to him and of any dues and fines payable by him. A credit union may, upon the resignation or expulsion of a member, cancel his shares and apply the withdrawal value of such shares towards the liquidation of the member's indebtedness.

(2) *The board of directors of each* [A] credit union *shall set the amount of the membership fee* [may, if the bylaws so provide, charge an entrance fee, not to exceed twenty-five (25) cents,] to be paid by each shareholder upon his election to membership.

(3) Fully paid shares of a credit union may be transferred to any person upon election to membership, upon such terms as the bylaws provide, and the payment of a transfer fee which shall not exceed twenty-five (25) cents.

Section 4. KRS 290.200 is amended to read as follows:

(1) A credit union may lend its funds to its members at rates of interest not exceeding one per cent (1%) per month on the unpaid balance of the loan, which amount shall be in lieu of all other charges incident to the making of the loan, except fines for delinquent payments, and in case of secured loans, premiums incurred in the carrying of insurance against the loan, mortgage recording fees, title examination fees, and such other reasonable charges as are necessarily incident to the effective protection of the loan by the security offered.

(2) In the case of a temporary loan, a credit union may charge a fee of *up to five dollars ($5.00)* [twenty-five(25) cents when a loan is in an amount of twenty-five dollars ($25.00) or less, and a fee of fifty (50) cents when the loan is in an amount more than twenty-five dollars ($25.00)].

(3) The legal rate of interest provided by KRS 360.010 shall apply to any loan secured by first lien or first mortgage on real estate and no greater rate of interest shall be charged on such loans.

Section 5. KRS 290.230 is amended to read as follows:

(1) A credit union may make loans, including temporary loans, to its members for provident and productive purposes, and upon such security and terms as the bylaws provide. No loan shall be made to any member which causes such member to become indebted to the credit union in an aggregate amount, upon loans made to such member, which is in excess of $200 or 10 per cent of the credit union's paid-in unimpaired capital and surplus, whichever is greater, or in excess of $2,500 unless such excess over $2,500 is adequately secured. For the purposes of this section, an assignment of shares or the indorsement of a note shall be deemed security.

(2) A member who needs funds with which to purchase necessary supplies for current crops may receive a loan payable in periodic payments rather than fixed monthly instalments.

(3) No officer, member of the board of directors, or member of the credit or supervisory committee shall borrow more than the amount of his investment in the credit union, as represented by fully paid shares and accumulated dividends unless so authorized by the members of the credit union at an annual meeting, or at a special meeting called for such purpose, except that any director, or member of a credit committee or a supervisory committee may borrow up to the unsecured loan limit applicable to all members without authorization from the members. If an application for a loan is made by a member of the credit committee, then the supervisory committee shall appoint a substitute to act in the place of the prospective borrower in the consideration of such loan. No director, officer, or member of the credit or supervisory committee shall become an indorser for a borrower, unless so authorized by the members of the credit union at an annual meeting, or at a special meeting called for that purpose.

(4) A borrower may repay the whole or any part of his loan on any day that the office of the credit union is open for business.

(5) No officer or member of a committee shall knowingly permit or participate in making a loan of the funds of a credit union to a nonmember, the credit union may recover such illegal loan from the borrower, or from any officer or any member of a committee who knowingly committed or participated in the making thereof, or from all of them jointly.

(6) For failure by any member of a credit union to meet promptly his payments on loans when due, charges may be imposed upon the delinquent member as provided in the bylaws.

Section 6. KRS 290.250 is amended to read as follows:
(1) *At least annually* [As the bylaws may provide,] and after provision for the required reserves, the board of directors may declare a dividend to be paid from the remaining net earnings. [Such dividend shall be paid on all fully paid shares outstanding at the end of the period for which the dividend is declared. Shares which become fully paid during such dividend period and are outstanding at the close of the period shall be entitled to a proportional part of such dividend. Dividend credit may be accrued on shares which are or become fully paid during the first ten (10) days of that month.]
(2) The board of directors may [, as of any dividend date,] authorize an interest refund to members of record in proportion to interest on loans paid by the member for the period preceding the interest refund date.

complaintant and, if the security was not in apparent effect on the date alleged, shall send a copy thereof to the commissioner of the Bureau of State Police who shall enforce the penalties provided for in Section 2 of this Act.

(11) The commissioner may by regulation provide for:

This subsection shall not be deemed to cast upon the commissioner the duty of determining the actual financial condition or claims practices of any unauthorized insurer; and the status of eligibility, if granted by the commissioner, shall indicate only that the insurer appears to be sound financially and to have satisfactory claims practices and that the commissioner has no credible evidence to the contrary. While any such list is in effect the broker shall restrict to the insurers so listed all surplus lines business placed by him.

SB 91, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 304, SUBTITLE 15 IS CREATED TO READ AS FOLLOWS:

(1) This section shall be known as the "Standard Nonforfeiture Law for Individual Deferred Annuities."

(2) This section shall not apply to any reinsurance group annuity purchased under a retirement plan or plan of deferred compensation established or maintained by an employer (including a partnership or sole proprietorship) or by an employe organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under Section 408 of the Internal Revenue Code, as now or hereafter amended, premium deposit fund, variable annuity, investment annuity, immediate annuity, any deferred annuity contract after annuity payments have commenced, or reversionary annuity, nor to any contract which shall be delivered outside this state through an agent or other representative of the insurer issuing the contract.

(3) In the case of contracts issued on or after the operative date of this section as defined in subsection (12), no contract of annuity, except as stated in subsection (2), shall be delivered or issued for delivery in this state unless it contains in substance the following provisions, or corresponding provisions which in the opinion of the commissioner are at least as favorable to the contractholder, upon cessation of payment of considerations under the contract.

(a) That upon cessation of payment of considerations under a contract, the insurer will grant a paid-up annuity benefit on a plan stipulated in the contract of such value as is specified in subsections (5), (6), (7), (8) and (10).

(b) If a contract provides for a lump sum settlement at maturity, or at any other time, that upon surrender of the contract at or prior to the commencement of any annuity payments, the insurer will pay in lieu of any paid-up annuity benefit a cash surrender benefit of such amount as is specified in subsections (5), (6), (8) and (10). The insurer shall reserve the right to defer the payment of such cash surrender benefit for a period of six (6) months after demand therefor with surrender of the contract.

(c) A statement of the mortality table, if any, and interest rates used in calculating any minimum paid-up annuity, cash surrender or death benefits that are guaranteed under the contract, together with sufficient information to determine the amounts of such benefits.

(d) A statement that any paid-up annuity, cash surrender or death benefits that may be available under the contract are not less than the minimum benefits required by any statute of the state in which the contract is delivered and an explanation of the manner in which such benefits are altered by the existence of any additional amounts credited by the insurer to the contract, any indebtedness to the insurer on the contract or any prior withdrawals from or partial surrenders of the contract.

Notwithstanding the requirements of this subsection, any deferred annuity contract may provide that if no considerations have been received under a contract for a period of two (2) full years and the portion of the paid-up annuity benefit at maturity on the plan stipulated in the contract arising from considerations paid prior to such period would be less than twenty dollars ($20) monthly, the insurer may at its option terminate such contract by payment in cash of the then present value of such portion of the paid-up annuity benefit, calculated on the basis of the mortality table, if any, and interest rate specified in the contract for determining the paid-up annuity benefit, and by such payment shall be relieved of any further obligation under such contract.

(4) The minimum values as specified in subsections (5), (6), (7), (8) and (10) of any paid-up annuity, cash surrender or death benefits available under an annuity contract shall be based upon minimum nonforfeiture amounts as defined in this section.

(a) With respect to contracts providing for flexible considerations, the minimum nonforfeiture amount at any time at or prior to the commencement of any annuity payments shall be equal to an accumulation up to such time at a rate of interest of three percent (3%) per annum of percentages of the net considerations (as hereinafter defined) paid prior to such time, decreased by the sum of

1. any prior withdrawals from or partial surrenders of the contract accumulated at a rate of interest of three percent (3%) per annum; and

2. the amount of any indebtedness to the insurer on the contract, including interest due and accrued;

and increased by any existing additional amounts credited by the insurer to the contract. The net considerations for a given contract year used to define the minimum nonforfeiture amount shall be an amount not less than zero and shall be equal to the corresponding gross consideration credited to the contract during that contract year less an annual contract charge of thirty dollars ($30) and less a collection charge of one dollar and twenty-five cents ($1.25) per consideration credited to the contract during that contract year. The percentages of net considerations shall be sixty-five percent (65%) of the net consideration for the first contract year and eighty-seven and one-half percent (87 1/2 %) of the net considerations for the second and later contract years. Notwithstanding the provisions of the preceding sentence, the percentage shall be sixty-five percent (65%) of the portion of the total net consideration for any renewal contract year which exceeds by not more than two (2) times the sum of those portions of the net considerations in all prior contract years for which the percentage was sixty-five percent (65%).

(b) With respect to contracts providing for fixed scheduled considerations, minimum nonforfeiture amounts shall be calculated on the assumption that considerations are paid annually in advance and shall be defined as for contracts with flexible considerations which are paid annually with two (2) exceptions:

1. The portion of the net consideration for the first contract year to be accumulated shall be the sum of sixty-five percent (65%) of the net consideration for the first contract year plus twenty-two and one-half percent (22 1/2 %) of the excess of the net consideration for the first contract year over the lesser of the net considerations for the second and third contract years.

2. The annual contract charge shall be the lesser of, a. thirty dollars ($30), or b. ten percent (10%) of the gross annual consideration.

(c) With respect to contracts providing for a single consideration, minimum nonforfeiture amounts shall be defined as for contracts with flexible considerations except that the percentage of net consideration used to determine the minimum nonforfeiture amount shall be equal to ninety percent (90%) and the net consideration shall be the gross consideration less a contract charge of seventy-five dollars ($75).

(5) Any paid-up annuity benefit available under a contract shall be such that its present value on the date annuity payments are to commence is at least equal to the minimum nonforfeiture amount on that date. Such present value shall be computed using the mortality table, if any, and the interest rate specified in the contract for determining the minimum paid-up annuity benefits guaranteed in the contract.

(6) For contracts which provide cash surrender benefits, such cash surrender benefits available prior to maturity shall not be less than the present value as of the date of surrender of that portion of the maturity value of the paid-up annuity benefit which would be provided under the contract at maturity arising from considerations paid prior to the time of cash surrender reduced by the amount appropriate to reflect any prior withdrawals from or partial surrenders of the contract, such present value being calculated on the basis of an interest rate not more than one percent (1%) higher than the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, decreased by the amount of any indebtedness to the insurer on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the insurer to the contract. In no event shall any cash surrender benefit be less than the minimum nonforfeiture amount at that time. The death benefit under such contracts shall be at least equal to the cash surrender benefit.

(7) For contracts which do not provide cash surrender benefits, the present value of any paid-up annuity benefit available as a nonforfeiture option at any time prior to maturity shall not be less than the present value of that portion of the maturity value of the paid-up annuity benefit provided under the contract arising from considerations paid prior to the time the contract is surrendered in exchange for, or changed to, a deferred paid-up annuity, such present value being calculated for the period prior to the maturity date on the basis of the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, and increased by any existing additional amounts credited by the insurer to the contract. For contracts which do not provide any death benefits prior to the commencement of any annuity payments, such present values shall be calculated on the basis of such interest rate and the mortality table specified in the contract for determining the maturity value of the paid-up annuity benefit. However, in no event shall the present value of a paid-up annuity benefit be less than the minimum nonforfeiture amount at that time.

(8) For the purpose of determining the benefits calculated under subsections (6) and (7), in the case of annuity contracts under which an election may be made to have annuity payments commence at optional maturity dates, the maturity date shall be deemed to be the latest date for which election shall be permitted by the contract, but shall not be deemed to be later than the anniversary of the contract next following the annuitant's seventieth birthday or the tenth anniversary of the contract, whichever is later.

(9) Any contract which does not provide cash surrender benefits or does not provide death benefits at least equal to the minimum nonforfeiture amount prior to the commencement of any annuity payments shall include a statement in a prominent place in the contract that such benefits are not provided.

(10) Any paid-up annuity, cash surrender or death benefits available at any time, other than on the contract anniversary under any contract with fixed scheduled considerations, shall be calculated with allowance for the lapse of time and the payment of any scheduled considerations beyond the beginning of the contract year in which cessation of payment of considerations under the contract occurs.

(11) For any contract which provides, within the same contract by rider or supplemental contract provision, both annuity benefits and life insurance benefits that are in excess of the greater of cash surrender benefits or a return of the gross considerations with interest, the minimum nonforfeiture benefits shall be equal to the sum of the minimum nonforfeiture benefits for the annuity portion and the minimum nonforfeiture benefits, if any, for the life insurance portion computed as if each portion were a separate contract. Notwithstanding the provisions of subsections (5), (6), (7), (8), and (10), additional benefits payable (a) in the event of total and permanent disability, (b) as reversionary annuity or deferred reversionary annuity benefits, or (c) as other policy benefits additional to life insurance, endowment and annuity benefits, and considerations for all such additional benefits, shall be disregarded in ascertaining the minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits that may be required by this section. The inclusion of such additional benefits shall not be required in any paid-up benefits, unless such additional benefits separately would require minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits.

(12) After the effective date of this section, any insurer may file with the commissioner a written notice of its election to comply with the provisions of this section after a specified date before the second anniversary of the effective date of this section. After the filing of such notice, then upon such specified date, this section shall become operative with respect to annuity contracts thereafter issued by such insurer. If an insurer makes no such election, the operative date of this section for such insurer shall be the second anniversary of the effective date of this section.

All member insurers shall be and remain members of the association as a condition of their authority to transact insurance in this state. The association shall perform its functions under the plan of operation established and approved under Section 10 of this Act and shall exercise its powers through a board of directors established under Section 7 of this Act. For purposes of administration and assessment, the association shall maintain three accounts:

(a) The health insurance account;
(b) The life insurance account; and
(c) The annuity account.

(2) The association shall come under the immediate supervision of the commissioner and shall be subject to the applicable provisions of the insurance laws of this state.

SECTION 7. A NEW SECTION OF KRS CHAPTER 304, SUBTITLE 41, IS CREATED TO READ AS FOLLOWS:

(1) The board of directors of the association shall consist of not less than five (5) nor more than nine (9) member insurers serving terms as established in the plan of operation. The members of the board shall be selected by member insurers subject to the approval of the commissioner. Vacancies on the board shall be filled for the remaining period of the term by a majority vote of the remaining board members, subject to the approval of the commissioner. To select the initial board of directors, and initially organize the association, the commissioner shall give notice to all member insurers of the time and place of the organizational meeting. In determining voting rights at the organizational meeting each member insurer shall be entitled to one (1) vote in person or by proxy. If the board of directors is not selected within 60 days after notice of the organizational meeting, the commissioner may appoint the initial members.

(2) In approving selections or in appointing members to the board, the commissioner shall consider, among other things, whether all members insurers are fairly represented.

(3) Members of the board may be reimbursed from the assets of the association for expenses incurred by them as members of the board of directors but members of the board shall not otherwise be compensated by the association for their services.

SECTION 8. A NEW SECTION OF KRS CHAPTER 304, SUBTITLE 41, IS CREATED TO READ AS FOLLOWS:

In addition to the powers and duties enumerated in other sections of this Act:

(1) If a domestic insurer is an impaired insurer, the association may, subject to any conditions imposed by the association, other than those which impair the contractual obligations of the impaired insurer, and approved by the impaired insurer and the commissioner:

(a) Guarantee or reinsure, or cause to be guaranteed, assumed, or reinsured, any or all of the covered policies of the impaired insurers;

(b) Provide such monies, pledges, notes, guarantees, or other means as are proper to effectuate paragraph (a) of this subsection, and assure payment of the contractual obligations of the impaired insurer pending action under paragraph (a) of this subsection; and

(c) Loan money to the impaired insurer.

(2) If a domestic insurer is an insolvent insurer, the association shall, subject to the approval of the commissioner:

(a) Guarantee, assume, or reinsure, or cause to be guaranteed, assumed, or reinsured the covered policies of the insolvent insurer;

(b) Assure payment of the contractual obligations of the insolvent insurer; and

(c) Provide such monies, pledges, notes, guarantees, or other means as are reasonably necessary to discharge such duties.

(3) If a foreign or alien insurer is an insolvent insurer, the association shall, subject to the approval of the commissioner:

(a) Guarantee, assume, or reinsure or cause to be guaranteed, assumed, or reinsured the covered policies of residents;

(b) Assure payment of the contractual obligations of the insolvent insurer to residents; and

(c) Provide such monies, pledges, notes, guarantees, or other means as are reasonably necessary to discharge such duties.

This subsection shall not apply if the commissioner has determined that the foreign or alien insurer's domiciliary jurisdiction or state of entry provides, by statute, protection substantially similar to that provided by this Act for residents of this state.

(4)(a) In carrying out its duties under subsections (2) and (3) of this section, permanent policy liens, or contract liens may be imposed in connection with any guarantee, assumption or reinsurance agreement, if the court:

1. Finds that the amounts which can be assessed under this Act are less than the amounts needed to assure full and prompt performance of the insolvent insurer's contractual obligations, or that the economic or financial conditions as they affect member insurers are sufficiently adverse to render the imposition of policy or contract liens, to be in the public interest; and

2. Approves the specific policy liens or contract liens to be used.

(b) Before being obligated under subsections (2) and (3) of this section the association may request that there be imposed temporary moratoriums or liens on payments of cash values and policy loans in addition to any contractual provisions for deferral of cash or policy loan values, and such temporary moratoriums and liens may be imposed if they are approved by the court.

(5) If the association fails to act within a reasonable period of time as provided in subsections (2) and (3) of this section, the commissioner shall have the powers and duties of the association under this Act with respect to insolvent insurers.

(6) The association may render assistance and advice to the commissioner, upon his request, concerning rehabilitation, payment of claims, continuance of coverage, or the performance of other contractual obligations of any impaired or insolvent insurer.

(7) The association shall have standing to appear before any court in this state with jurisdiction over an impaired or insolvent insurer concerning which the association is or may become obligated under this Act. Such standing shall extend to all matters germane to the powers and duties of the association, including, but not limited to, proposals for reinsuring or guaranteeing the covered policies of the impaired or insolvent insurer and the determination of the covered policies and contractual obligations.

(8)(a) Any person receiving benefits under this Act shall be deemed to have assigned the rights under the covered policy to the association to the extent of the benefits received because of this Act whether the benefits are payments of contractual obligations or continuation of coverage. The association may require an assignment to it of such rights by any payee, policy or contract owner, beneficiary, insured or annuitant as a condition precedent to the receipt of any rights or benefits conferred by this Act upon such person. The association shall be subrogated to these rights against the assets of any insolvent insurer.

(b) The subrogation rights of the association under this subsection shall have the same priority against the assets of the insolvent insurer as that possessed by the person entitled to receive benefits under this Act.

(9) The contractual obligations of the insolvent insurer for which the association becomes or may become liable shall be as great as but no greater than the contractual obligations of the insolvent insurer would have been in the absence of an insolvency unless such obligations are reduced as permitted by subsection (4) of this section but the aggregate liability of the association shall not exceed one hundred thousand dollars ($100,000) in cash values, or three hundred thousand dollars ($300,000) for all benefits, including cash values, with respect to any one life.

(10) The association may:

(a) Enter into such contracts as are necessary or proper to carry out the provisions and purposes of this Act;

(b) Sue or be sued, including taking any legal actions necessary or proper for recovery of any unpaid assessments under Section 9 of this Act;

(c) Borrow money to effect the purposes of this Act. Any notes or other evidence of indebtedness of the association not in default shall be legal investments for domestic insurers and may be carried as admitted assets;

(d) Employ or retain such persons as are necessary to handle the financial transactions of the association, and to perform such other functions as become necessary or proper under this Act;

(e) Negotiate and contract with any liquidator, rehabilitator, conservator, or ancillary receiver to carry out the powers and duties of the association;

(f) Take such legal action as may be necessary to avoid payment of improper claims;

(g) Exercise, for the purposes of this Act and to the extent approved by the commissioner, the powers of a domestic life or health insurer, but in no case may the association issue insurance policies or annuity contracts other than those issued to perform the contractual obligations of the impaired or insolvent insurer.

SECTION 9. A NEW SECTION OF KRS CHAPTER 304, SUBTITLE 41, IS CREATED TO READ AS FOLLOWS:

(1) For the purpose of providing the funds necessary to carry out the powers and duties of the association, the board of directors shall assess the member insurers, separately for each account, at such time and for such amounts as the board finds necessary. Assessments shall be due not less than 30 days after prior written notice to the member insurers and shall accrue interest at 8% per annum on and after the due date.

(2) There shall be three (3) classes of assessments:

(a) Class A assessments shall be made for the purpose of meeting administrative costs and other general expenses and examinations conducted under the authority of subsection (5) of Section 12 of this Act not related to a particular impaired or insolvent insurer;

(b) Class B assessments shall be made to the extent necessary to carry out the powers and duties of the association under Section 8 of this Act with regard to an impaired or insolvent domestic insurer;

(c) Class C assessments shall be made to the extent necessary to carry out the powers and duties of the association under Section 8 of this Act with regard to an insolvent foreign or alien insurer.

(3)(a) The amount of any Class A assessment shall be determined by the board and may be made on a non-pro rata basis. Such assessment shall be credited against future insolvency assessments and shall not exceed fifty dollars ($50) per company in any one (1) calendar year. The amount of any Class B or C assessment shall be allocated for assessment purposes among the accounts in the proportion that the premiums received by the impaired or insolvent insurer on the policies covered by each account for the last calendar year preceding the assessment in which the impaired or insolvent insurer received premiums bears to the premiums received by such insurer for such calendar year on all covered policies;

(b) Class C assessments against member insurers for each account shall be in the proportion that the premiums received on business in this state by each assessed member insurer on policies covered by each account for the calendar year preceding the assessment bears to such premiums received on business in this state for the calendar year preceding the assessment by all assessed member insurers;

(c) Class B assessments for each account shall be made separately for each state in which the impaired or insolvent domestic insurer was authorized to transact insurance at any time, in the proportion that the premiums received on business in such state by the impaired or insolvent insurer on policies covered by such account for the last calendar year preceding the assessment in which the impaired or insolvent insurer received premiums bears to such premiums received in all such states for such calendar year by the impaired or insolvent insurer. The assessments against member insurers shall be in the proportion that the premiums received on business in each such state by each assessed member insurer on policies covered by each account for the calendar year preceding the assessment bears to such premiums received on business in each state for the calendar year preceding assessment by all assessed member insurers;

(d) Assessments for funds to meet the requirements of the association with respect to an impaired or insolvent insurer shall not be made until necessary to implement the purposes of this Act. Classification of assessments under subsection (2) of this section and computation of assessments under this subsection shall be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible.

(4) The association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations. In the event an assessment against a member insurer is abated, or deferred in whole or in part, the amount by which such assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section.

(5) The total of all assessments upon a member insurer for each account shall not in any one (1) calendar year exceed two percent (2%) of such insurer's premiums received in this state during the calendar year preceding the assessment on the policies covered by the account. If the maximum assessment, together with the other assets of the association in either account, does not provide in any one (1) year in either account an amount sufficient to carry out the responsibilities of the association, the necessary additional funds shall be assessed as soon thereafter as permitted by this Act.

(6) The board may, by an equitable method as established in the plan of operation, refund to member insurers, in proportion to the contribution of each insurer to that account, the amount by which the assets of the account exceed the amount the board finds is necessary to carry out during the coming year the obligations of the association with regard to that account, including assets accruing from net realized gains and income from investments. A reasonable amount may be retained in any account to provide funds for the continuing expenses of the association and for future losses if refunds are impractical.

(7) It shall be proper for any member insurer, in determining its premium rates and policy owner dividends as to any kind of insurance within the scope of this Act, to consider the amount reasonably necessary to meet its assessment obligations under this Act.

(8) The association shall issue to each insurer paying an assessment under this Act, other than a Class A assessment, a certificate of contribution, in a form prescribed by the commissioner, for the amount of the assessment so paid. All outstanding certificates shall be of equal dignity and priority without reference to amounts or dates of issue. A certificate of contribution may be shown by the insurer in its financial statement as an asset in such form and for such amount, if any, and period of time as the commissioner may approve.

SECTION 10. A NEW SECTION OF KRS CHAPTER 304, SUBTITLE 41, IS CREATED TO READ AS FOLLOWS:

(1)(a) The association shall submit to the commissioner a plan of operation and any amendments thereto necessary or suitable to assure the fair, reasonable, and equitable administration of the association. The plan of operation and any amendments thereto shall become effective upon approval in writing by the commissioner;

(b) If the association fails to submit a suitable plan of operation within one hundred eighty (180) days following the effective date of this Act or if at any time thereafter the association fails to submit suitable amendments to the plan, the commissioner shall, after notice and hearing, adopt and promulgate such reasonable rules as are necessary or advisable to effectuate the provisions of this Act. Such rules shall continue in force until modified by the commissioner or superseded by a plan submitted by the association and approved by the commissioner.

(2) All member insurers shall comply with the plan of operation.

(3) The plan of operation shall, in addition to requirements enumerated elsewhere in this Act:

(a) Establish procedures for handling the assets of the association;

(b) Establish the amount and method of reimbursing members of the board of directors under Section 7 of this Act;

(c) Establish regular places and times for meetings of the board of directors;

(d) Establish procedures for records to be kept of all financial transactions of the association, its agents, and the board of directors;

(e) Establish the procedures whereby selections for the board of directors will be made and submitted to the commissioner;

(f) Establish any additional procedures for assessments under Section 9 of this Act;

(g) Contain additional provisions necessary or proper for the execution of the powers and duties of the association.

(4) The plan of operation may provide that any or all powers and duties of the association, except those under paragraph (c) of subsection (10) of Section 8 of this Act and Section 9 of this Act, are delegated to a corporation, association, or other organization which performs or will perform functions similar to those of this association, or its equivalent, in two (2) or more states. Such a corporation, association, or organization shall be reimbursed for any payments made on behalf of the association and shall be paid for its performance of any function of the association. A delegation under this subsection shall take effect only with the approval of both the board of directors and the commissioner, and may be made only to a corporation, association, or organization which extends protection not substantially less favorable and effective than that provided by this Act.

SECTION 11. A NEW SECTION OF KRS CHAPTER 304, SUBTITLE 41, IS CREATED TO READ AS FOLLOWS:

In addition to the duties and powers enumerated elsewhere in this Act:

(1) The commissioner shall:

(a) Upon request of the board of directors, provide the association with a statement of the premiums in the appropriate states for each member insurer;

(b) When an impairment is declared and the amount of the impairment is determined, serve a demand upon the impaired insurer to make good the impairment within a reasonable time. Notice to the impaired insurer shall constitute notice to its shareholders, if any. The failure of the insurer to promptly comply with such demand shall not excuse the association from the performance of its powers and duties under this Act;

(c) In any liquidation or rehabilitation proceeding involving a domestic insurer, be appointed as the liquidator or rehabilitator. If a foreign or alien member insurer is subject to a liquidation proceeding in its domiciliary jurisdiction or state of entry, the commissioner shall be appointed conservator.

(2) The commissioner may suspend or revoke, after notice and hearing, the certificate of authority to transact insurance in this state of any member insurer which fails to pay an assessment when due or fails to comply with the plan of operation. As an alternative the commissioner may levy a forfeiture on any member insurer which fails to pay an assessment when due. Such forfeiture shall not exceed 5 percent (5%) of the unpaid assessment per month, but no forfeiture shall be less than one hundred dollars ($100) per month.

(3) Any action of the board of directors or the association may be appealed to the commissioner by any member insurer if such appeal is taken within thirty (30) days of the action being appealed. Any final action or order of the commissioner shall be subject to judicial review in a court of competent jurisdiction.

(4) The liquidator, rehabilitator, or conservator of any impaired insurer may notify all interested persons of the effect of this Act.

SECTION 12. A NEW SECTION OF KRS CHAPTER 304, SUBTITLE 41, IS CREATED TO READ AS FOLLOWS:

To aid in the detection and prevention of insurer insolvencies or impairments:

(1) It shall be the duty of the commissioner:

(a) To notify the commissioners of all of the other states, territories of the United States and the District of Columbia when he takes any of the following actions against a member insurer:

1. Revocation of license;
2. Suspension of license;
3. Makes any formal order that such company restrict its premium writing, obtain additional contributions to surplus, withdraw from the state, reinsure all or any part of its business, or increase capital, surplus, or any other account for the security of policyholders or creditors.

Such notice shall be mailed to all commissioners within thirty (30) days following the action taken or the date on which such action occurs;

(b) To report to the board of directors when he has taken any of the actions set forth in paragraph (a) of this subsection or has received a report from any other commissioner indicating that any such action has been taken in another state. Such report to the board of directors shall contain all significant details of the action taken or the report received from another commissioner;

(c) To report to the board of directors when he has reasonable cause to believe from any examination, whether completed or in process, of any member company that such company may be an impaired or insolvent insurer;

(d) To furnish to the board of directors the NAIC Early Warning Tests developed by the National Association of Insurance Commissioners, and the board may use the information contained therein in carrying out its duties and responsibilities under this section. Such report and the information contained therein shall be kept confidential by the board of directors until such time as made public by the commissioner or other lawful authority.

(2) The commissioner may seek the advice and recommendations of the board of directors concerning any matter affecting his duties and responsibilities regarding the financial condition of member companies and companies seeking admission to transact insurance business in this state.

(3) The board of directors may, upon majority vote, make reports and recommendations to the commissioner upon any matter germane to the solvency, liquidation, rehabilitation or conservation of any member insurer or germane to the solvency of any company seeking to do an insurance business in this state. Such reports and recommendations shall not be considered public documents.

(4) It shall be the duty of the board of directors, upon majority vote, to notify the commissioner of any information indicating any member insurer may be an impaired or insolvent insurer.

(5) The board of directors may, upon majority vote, request that the commissioner order an examination of any member insurer which the board in good faith believes may be an impaired or insolvent insurer. Within thirty (30) days of the receipt of such request, the commissioner shall begin such examination. The examination may be conducted as a National Association of Insurance Commissioners examination or may be conducted by such persons as the commissioner designates. The cost of such examination shall be paid by the association and the examination report shall be treated as are other examination reports. In no event shall such examination report be released to the board of directors prior to its release to the public, but this shall not preclude the commissioner from complying with subsection (1) of this section. The commissioner shall notify the board of directors when the examination is completed. The request for an examination shall be kept on file by the commissioner but it shall not be open to public inspection prior to the release of the examination report to the public.

(6) The board of directors may, upon majority vote, make recommendations to the commissioner for the detection and prevention of insurer insolvencies.

(7) The board of directors shall, at the conclusion of any insurer insolvency in which the association was obligated to pay covered claims, prepare a report to the commissioner containing such information as it may have in its possession bearing on the history and causes of such insolvency. The board shall cooperate with the boards of directors of guaranty associations in other states in preparing a report on the history and causes for insolvency of a particular insurer, and may adopt by reference any report prepared by such other associations.

SECTION 13. A NEW SECTION OF KRS CHAPTER 304, SUBTITLE 41, IS CREATED TO READ AS FOLLOWS:

(1) A member insurer, other than a domestic life insurance company or non-profit hospital, medical, surgical, dental or health service corporation, may offset its premium tax liability to this state imposed against it either under KRS 136.330, 136.340, or 136.350, whichever may be applicable, an assessment described in subsection (8) of Section 9 of this Act to the extent of twenty percent (20%) of the amount of such assessment for each of the five (5) calendar years following the year in which such assessment was paid. In the event a member insurer should cease doing business, all uncredited assessments may be credited against its premium tax liability for the year in which it ceases doing business.

(2) A member insurer which is a domestic life insurance company may offset against its tax liability to this state imposed under KRS 136.320(3) an assessment described in subsection (8) of Section 9 of this Act to the extent of twenty percent (20%) of the amount of such assessment for each of the five (5) calendar years following the year in which such assessment was paid. In the event a member insurer should cease doing business, all uncredited assessments may be credited against such tax liability for the year in which it ceases doing business.

(3) Any sums acquired by refund, pursuant to subsection (6) of Section 9 of this Act, from the association which have theretofore been written off by contributing insurers and offset against such taxes as provided in subsection (1), (2) or (3) of this section, and are not then needed for purposes of this Act, shall be paid by the association to the commissioner and by him deposited with the state treasurer for credit to the general fund of this state.

SECTION 14. A NEW SECTION OF KRS CHAPTER 304, SUBTITLE 41, IS CREATED TO READ AS FOLLOWS:

(1) Nothing in this Act shall be construed to reduce the liability for unpaid assessments of the insureds on an impaired or insolvent insurer operating under a plan with assessment liability.

(2) Records shall be kept of all negotiations and meetings in which the association or its representatives are involved to discuss the activities of the association in carrying out its powers and duties under Section 8 of this Act. The clerk shall file the notice in the same manner as notices of lis pendens are filed, and the file shall be designated miscellaneous state and city delinquent and unpaid tax liens. The notice, when filed, shall be constructive notice to all persons of the lien on the property having a legal situs in that county, except that nothing in this subsection shall be construed to alter or change in any way the law relative to the rights and duties of a holder in due course as provided in KRS chapter 355, Art. 3, or affect the rights of any person taking the property or a lien thereon for value without actual or constructive notice. The clerk may charge a fee *pursuant to Section 1 of this Act* [of $1.25] for filing the notice of lien *or releasing the lien.* The fees *for filing or releasing the lien shall be paid by the taxing authority filing same and* shall become a part of the lien as an added cost of the delinquent taxpayer to be paid by him as a part of the amount necessary to release the lien [, and in no event shall the state be required to pay the fee]. *The lien shall be released by the taxing authority that filed the notice of lien.*

Section 4. KRS 150.230 is amended to read as follows:

(1) The county clerk or any agent designated by the department under the provisions of subsection (3) of KRS 150.190 shall retain *a fee pursuant to Section 1 of this Act* [as his fee,] out of the money received by him for licenses and tags [, the following fees:

(a) For each license or tag for which the fee is $1.00, a fee of 15¢;

(b) For each license or tag for which the fee is not less than $2.00 nor more than $5.00, a fee of 25¢;

(c) For each license for which the fee is over $5.00, a fee of 50¢].

(2) *Such* [The foregoing] fees shall cover the swearing of the applicant to his application and of other services under this chapter. The county clerk shall pay the remainder of the license fees, after deducting therefrom his fee, to the state treasurer on the first day of each month, which amount shall be credited to the game and fish fund. The county clerk shall report to the commissioner on the first day of each month the number and kind of licenses and tags issued and the amount of money remitted to the state treasurer.

Section 5. KRS 186.045 is amended to read as follows:

(1) Financing statements relating to vehicles required to be registered in Kentucky by the county clerk shall be filed in the office of the county clerk of the county in which the debtor resides or, if the debtor is a nonresident, in the office of the county clerk in which the vehicle is principally operated.

(2)(a) Whenever a financing statement required by KRS chapter 355 relating to any vehicle registered or required to be registered in Kentucky for use on the highway is presented to a county clerk for filing, such clerk shall also immediately note information required by the department relative thereto on the owner's copy of the *certificate of* registration *and ownership* or transfer receipt issued for the current registration period as noted in subsection (2) of KRS 186.170, which the secured party must obtain and present to the county clerk, along with the financing statement, within *fifteen (15)* [ten (10)] days after execution of the security agreement. The clerk shall also note such information on the clerk's copy of the *certificate of* registration *and ownership* or transfer receipt maintained in his office in numerical order. The clerk noting the information on the owner's copy of the *certificate of* registration *and ownership* or transfer receipt shall return such receipt to the owner within five days after making such notation. For filing the financing statement, the clerk shall collect a fee *pursuant to Section 1 of this Act* [of four dollars ($4.00)] from the secured party and, in addition, for noting the security interest on the required receipts, the clerk shall collect from the secured party a fee *pursuant to Section 1 of this Act* [of one dollar ($1.00)] for each *additional* motor vehicle included on the financing statement.

(b) Whenever a financing statement affecting a vehicle is presented to a county clerk for filing in any county other than the one in which the current receipt was issued, the county clerk shall, in addition to the other requirements of this section, mail a notice of the security interest on a form furnished by the department to the clerk of the county in which the current receipt was issued. Upon receipt of said notice, the county clerk shall attach it to the copy of the current receipt on file, maintained in numerical order, in the county clerk's office and note the security interest on the clerk's copy of the receipt.

(3) For failure to present both the current receipt and financing statement within the time prescribed by subsection (2)(a), the secured party shall *not be allowed thereafter to file the financing statement in order to perfect the security interest thereon* [pay a penalty of two dollars ($2.00) to the county clerk as a prerequisite for noting the security interest on the current receipt. The penalty, less the county clerk's commission of five per cent (5%), shall be remitted to the department].

(4) Whenever a perfected security interest is assigned, the assignor shall immediately give a statement of assignment to the assignee and at the same time deliver another copy of such statement to the debtor. The assignee shall, within thirty (30) days thereafter, present a copy of the statement of assignment to the county clerk in whose office the financing statement is on file. Upon receipt of the assignment, the county clerk shall mark the same as provided in subsection (2) of KRS 355.9-405 and attach it to the original financing statement. For this service the county clerk shall collect a fee *pursuant to Section 1 of this Act* [of seventy-five cents (75¢) from the assignee].

(5) Whenever a security interest has been discharged, other than by proceedings under KRS 355.9-501 through 355.9-507 or similar proceedings, the secured party shall, within fifteen (15) days thereafter, deliver a termination statement in the manner required by KRS 355.9-404 to the county clerk of the county in which the financing statement is filed. For failure to file the termination statement within the allowable time, the secured party shall be subject to the penalty provided in KRS 186.990(1). Within five (5) days after the receipt of such documents, the county clerk shall note the filing in the index and, in addition, note on the clerk's copy of the current receipt maintained in his office in numerical order, in language prescribed by the department that the termination statement has been filed. Upon presentation of the owner's copy of the receipt showing such security interest, the clerk shall also note on such receipt that the termination statement has been filed and place the seal of the county clerk thereon. The clerk shall return the owner's receipt to the owner. The county clerk shall remove the financing statement from his files, mark "terminated" thereon and send or deliver it to the secured party along with any continuation statement, statement of assignment or statement of release pertaining thereto. The county clerk shall then file the termination statement in the place from which the financing statement was removed. Termination statements must be retained in the clerk's files for a period of two (2) years subsequent to the date of filing such statement, at which time they may be destroyed. No fee shall be collected for these services by the clerk. Once a security interest has been noted on the owner's copy of a *certificate of* registration *and ownership* or transfer receipt, no subsequent *certificate of* registration *and ownership* or transfer receipt may be issued by any county clerk free of such notation unless the owner's copy of the current receipt is presented to the clerk and it has noted thereon by the proper county clerk that the termination statement therefor has been filed. If this requirement is met, information relating to any security interest shown on the receipt as having been terminated may be omitted from the receipt to be issued by the clerk.

(6) Whenever any secured party repossesses a vehicle registered with a county clerk, for which a financing statement has been filed, and disposes of such vehicle pursuant to the provisions of KRS chapter

355, he must present, within fifteen (15) days after such disposition, an affidavit in form prescribed by the department and a termination statement or proof that such termination statement has been filed. The new owner shall pay all applicable fees for registering and transferring the vehicle to the county clerk. Upon receipt of such documents, the county clerk who issued the current receipt shall then omit from the *certificate of* registration *and ownership* or transfer receipt he issues, any information relating to the security interest under which the vehicle was repossessed or any security interest subordinate thereto. However, any security interest, as shown by such clerk's copy of the current receipt, which is superior to the one under which the vehicle was repossessed, must be shown on the receipt issued by the clerk unless the prior secured party has terminated such security interest in such clerk's office or proof of termination is submitted in case such prior security interest was discharged in another clerk's office.

(7) Whenever any vehicle brought into this state is required to be registered with a county clerk and such vehicle is then subject to a security interest in another state as shown by the out of state documents presented to the clerk, the county clerk is prohibited from registering the vehicle unless the owner obtains from the secured party a financing statement and presents same to the clerk along with all fees due. Such a financing statement must conform to the requirements of subsection (3) of KRS 355.9-402. The clerk shall note the out of state security interest on the new registration receipt and on the clerk's copy thereof. This provision does not apply to vehicles required to be registered in Kentucky under forced registration provisions under KRS 186.145. The penalty provided in subsection (3) of this section shall not apply to this subsection.

(8) The fees provided for in this section are in addition to any state fee provided for by law.

(9) Any person violating any provision of this section or any person refusing to surrender a *certificate of* registration *and ownership* or transfer certificate upon request of any person entitled thereto, is subject to the penalties provided in subsection (1) of KRS 186.990.

(10) The county clerk is prohibited from filing any financing statement on any vehicle subject to the provisions of this section if a *certificate of* registration *and ownership* or transfer receipt therefor is presented to him which has all the spaces provided thereon for noting security interests fully exhausted. The owner must see to it that a termination statement is filed for each discharged security interest and then a duplicate receipt as provided for in KRS 186.180 must be obtained from the clerk by the owner of the vehicle.

(11) Security interests in vehicles sold to or owned by residents of other states must be perfected in the state of such nonresident and repossession of the vehicle must be taken pursuant to the laws of such state, unless the vehicle is principally operated in Kentucky and is properly registered herein under KRS 186.020 and the security interest is authorized to be filed with the county clerk under KRS 355.9-401. However, a security interest on any vehicle which is not used on the public highways and for that reason is not required to be registered for highway use may be filed with the county clerk as otherwise permitted under KRS chapter 355.

(3) A continuation statement may be filed by the secured party (a) within six months before and sixty days after a stated maturity date of five years or less, and (b) otherwise within six months prior to the

expiration of the five year period specified in subsection (2). Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the original statement. Unless a statute on disposition of public records provides otherwise, the filing officer may remove a lapsed statement from the files and destroy it.

(4) A filing officer shall mark each statement with a consecutive file number and with the date and hour of filing and shall hold the statement for public inspection. The owner's copy, or a reproduced copy thereof, of the registration receipt of every motor vehicle licensed under subsections (3) through (14) of KRS 186.050 shall be kept in the vehicle at all times and shall be available for inspection. Plates shall be kept legible at all times and the rear plate shall be illuminated when being operated during the hours designated in KRS 189.030. If the department has prescribed that plates shall continue in use, it shall each year, in addition to the registration receipt, select and give to the owner as further evidence of registration some insignia which may conveniently be attached permanently and conspicuously to the motor vehicle during each registration year. It shall be the duty of the owner to attach same in the prescribed manner and no person may operate a motor vehicle unless such insignia is so affixed upon it. The department shall have placed on said insignia either figures, letters, writing, marks or a combination thereof, which indicate that the motor vehicle has been registered and which in conjunction with the records of the department make identity of the registrant readily ascertainable.

(2) [Except as otherwise provided for commercial vehicles, trailers, semitrailers and house trailers, the registration year shall be from January 1 to December 31; however, registration plates for the succeeding year may be displayed beginning December 29.] The registration year for commercial vehicles, trailers, semitrailers and housetrailers shall be from April 1 to March 31. *The registration year for vehicles registered under the provisions of KRS 186.050(2) shall be January 1 to December 31.*

This license plate may be issued for a passenger car as set forth in KRS 186.050(1) or for a commercial vehicle as set forth in KRS 186.050(3)(a), but shall not authorize the operation of the vehicle at a gross laden weight in excess of 6,000 pounds. The plate* [upon similar private vehicles registered in Kentucky, except that such license plates] shall bear the name "Kentucky National Guard", a registration number, and the logo of the national guard. *The guardsman may purchase only one such registration annually and it must be for a vehicle in which he has total or partial ownership.* Each application shall be accompanied by proof of current service in the Kentucky national guard, and the payment of a one-time fee of twenty-five dollars ($25.00). *License plates issued under this section shall expire on December 31.* Annually thereafter, upon application to the county clerk of the county of his residence, together with proof of current service in the Kentucky national guard, and without payment of a registration fee, the clerk shall issue a *new plate, or a renewal decal, as directed by the department of transportation* [current year tag to the applicant to be affixed to the national guard license plate originally issued to the applicant].

(2)*(a)* Upon the sale or transfer of a vehicle licensed as authorized by subsection (1) of this section, the owner shall remove the national guard license plate and return it *and the certificate of title and registration* to the county clerk. *The clerk shall issue a regular license plate, and certificate of title and registration, upon payment of an $11.50 state fee and $1.00 clerk's fee* [who shall reissue it for use on any other vehicle of the same class and category owned by the same applicant to whom the national guard license plate was originally issued].

(b) Upon application of another vehicle which is authorized to bear such registration under subsection (1), owned by the same applicant to whom the national guard license plate was originally issued the county clerk shall issue another such license plate. There shall be no state fee for this plate and $1.00 clerk's fee.

(3) Upon termination of membership in the Kentucky national guard, an applicant to whom a national guard license plate was issued under this section shall, within thirty (30) days, return the national guard plate to the county clerk of the county of his residence.

(4) For the services performed in issuing national guard license plates, and in annually issuing a *renewal decal* [current year tag] to be affixed to the national guard license plate, the county clerk shall receive from each applicant a fee of one dollar ($1.00). A like fee shall be charged for the *issuance of another replacement* [reissuance of such] license plate after the sale or transfer of the vehicle for which it was originally issued.

(5) The secretary of the department of transportation shall in accordance with the provisions of KRS Chapter 13 make such reasonable regulations and prescribe such forms as may be necessary to carry out the purpose of this section.

Section 9. KRS 186.174 is amended to read as follows:

(1) Any owner of a motor vehicle required to be registered under the provisions of KRS 186.050(1) *or (3)(a),* except taxicabs, airport limousines and U-Drive-Its, may, in addition to registration under KRS

186.050(1) *or (3)(a),* obtain a personalized license plate. A personalized plate shall not be issued unless an application accompanied by a fee of twenty-five dollars ($25) is received by the department of transportation on or before September 1 preceding the year in which the plate or renewal thereof is to be issued. Any payments required to be made under this section shall be in the form of a certified check, cashier's check or a money order. An application for such personalized license plate shall in no way interfere with the regular registration of the motor vehicle except as provided hereinafter. Any person purchasing a personalized license plate under the provisions of this section shall leave the original license plate in the custody of the county clerk and attach the personalized plate to the motor vehicle so licensed. Upon the sale or transfer of such motor vehicle bearing such personalized plate the owner shall remove same and obtain from the custody of the county clerk the original plate and attach it to the motor vehicle to be sold or transferred. Said personalized plate may be presented to the county clerk and he shall reissue same for use on any other vehicle of the same class and category as that for which the license was originally issued. License plates issued under this section shall expire December 31.

(2) No personalized plate shall be issued which would conflict with or duplicate the alphabetical-numerical system used for regular license plates or any other license plates issued in this Commonwealth, and it shall contain a combination of not more than six (6) letters of the alphabet and arabic numerals, including spaces. No personalized plate shall be issued if, in the discretion of the department, it carries such letter or number combinations which might carry connotations offensive to good taste and decency. The owner must make a new application and pay a new fee each year he desires to obtain a personalized plate. Once an owner obtains a personalized plate, he will have first priority on that plate for each of the following years that he makes timely and proper application.

(3) In the event a personalized plate is lost, stolen or mutilated, the owner may not obtain another such plate until the next registration year. He may, however, obtain the plate for which he had originally registered his motor vehicle under the provisions of KRS 186.050(1) *or (3)(a).*

(4) The department shall send the personalized plate to the county clerk in the county in which the applicant would be required to register his motor vehicle. Upon payment to the clerk of a fee of one dollar ($1.00), in addition to the regular registration fee and the additional license fee as provided for in this section, the clerk shall issue the personalized plate to the applicant by following the same procedure for the issuance of any license plate under KRS 186.050(1).

An application for such special license shall in no way interfere with the regular registration of the vehicle, except as provided hereinafter. Any person purchasing a license plate under the provisions of this section shall be authorized to leave the original plate in the custody of the county clerk and attach the plate bearing the radio call letters on the vehicle so licensed. Upon the sale or transfer of such vehicle bearing such special plate the owner shall remove same and obtain from the custody of the county clerk the original plate and attach it to the vehicle to be sold or transferred. Said special plate may be presented to the county clerk and he shall reissue same for use on any other vehicle of the same class and category as that for which the license was originally issued and owned by such radio station licensee. License plates issued under this section shall expire on December 31. A license plate shall not be issued under this section unless an application accompanied by a fee of twenty-five dollars ($25) is received by the department of transportation on or before September 1, preceding the year in which the plate or renewal thereof is to be issued. Any payments required to be made under this section shall be in the form of a certified check, cashier's check or a money order.

A like amount shall be charged for the reissuance of such special license plate after the sale or transfer of the vehicle to which it was originally attached.

(1) No operator of a vehicle upon a highway shall drive at a greater speed than is reasonable and prudent, having regard for the traffic and for the condition and use of the highway.

(2) Where no condition exists that requires lower speed for compliance with subsection (1) of this section, the speed of any vehicle not in excess of the limits specified in this section or established as hereinafter authorized shall be lawful, but any speed in excess of the limits specified in this section or established as hereinafter authorized shall be unlawful:

(a) For all vehicles other than motor trucks, semitrailer trucks, or motor vehicles of five (5) horsepower or less, thirty-five (35) miles per hour in any business or residential district, sixty (60) miles per hour in other locations during the daytime and fifty (50) miles per hour in other locations during the nighttime;

(b) For motor truck and semitrailer trucks, thirty-five (35) miles per hour in any business or residential district, fifty (50) miles per hour in other locations.

(c) For motor vehicles of five (5) horsepower or less, thirty-five (35) miles per hour in any location.

(d) All vehicles, when using off-street parking facilities offered for public use whether publicly or privately owned, fifteen (15) miles per hour.

(3) Whenever the secretary of transportation shall determine upon the basis of an engineering and traffic investigation that any speed limit hereinbefore set forth is greater or less than is reasonable or safe under the conditions found to exist at any intersection or upon any part of a state highway within or without the corporate limits of a municipality, said secretary of transportation may determine and establish by official order a reasonable and safe speed limit at such location which shall be effective at all times or during hours of daytime or nighttime, or at such other times as may be determined when appropriate signs giving notice thereof are erected at such intersection or part of the state highway. In no event, however, shall said secretary increase any speed limit established by subsection (2) of this section so as to permit in any instance a speed limit in excess of sixty (60) miles per hour.

(4)(a) Whenever municipal authorities or the *fiscal court of any county* [county court of any county containing a city of the first class or second class] determine upon the basis of an engineering and traffic investigation that the speed permitted under subsection (2) of this section is greater or less than is reasonable or safe under the conditions found to exist, at any location within the municipality or unincorporated areas of such county, such municipal authority or *fiscal* [county] court, subject to paragraph (b) of this subsection, shall determine and authorize by ordinance or order a reasonable and safe speed limit at such location which shall be effective at all times or during hours of daytime or nighttime, or at such times as may be determined when appropriate signs giving notice thereof are appropriately erected at such location. In no event, however, shall said municipal authority or *fiscal* [county] court increase any speed limit established by subsection (2) of this section so as to permit in any instance a speed limit in excess of sixty (60) miles per hour.

(b) Alteration of speed limits on state highways within a municipality by municipal authorities or within the unincorporated areas of counties [containing a city of the first class or second class] by *fiscal* [county] courts thereof shall not be effective until such alteration has been approved by the secretary of transportation. In no event shall said secretary approve any alteration which could increase any speed limit established by subsection (2) of this section so as to permit in any instance a speed limit in excess of sixty (60) miles per hour.

(c) Whenever the *fiscal* [county] court of any county [containing a city of the first class or second class] determines upon the basis of an engineering and traffic investigation and study that it is unsafe to park motor vehicles on or along any highway, other than a state highway, within the unincorporated areas of the county, or that in any business district the congestion of traffic justifies a reasonable limitation on the length of time any one (1) motor vehicle is permitted to park in such district so as to reduce such congestion, then the *fiscal* [county] court may by order establish "no parking" areas on and along said highway, or limit the length of time any motor vehicle may be parked in any business district, which order or orders shall be effective at all times and during hours of daytime or nighttime and at such other times as may be determined when appropriate signs giving notice thereof are erected at such locations.

(d) Notwithstanding the other limitations in this subsection, the secretary of transportation may establish, by official order, reasonable and safe speed limits on turnpikes and limited access state highways not to exceed seventy (70) miles per hour.

(5) No person shall drive a motor vehicle at such a slow speed as to impede or block the normal and reasonable movement of traffic except when reduced speed is necessary for safe operation or in compliance with law.

(6) In every charge for a violation of any speed limit specified in this section or established as herein authorized, the warrant or citation shall specify the speed at which the defendant is alleged to have driven, also the lawful speed limit applicable at the location where the violation is charged to have occurred.

(7) As used in this section, the following words and phrases shall have the meanings respectively ascribed to them:

(8) The signs and notices which the *fiscal court* [county judge] is authorized hereby to have erected shall be paid for by the fiscal court of the county levy.

Section 1. KRS 342.760 is amended to read as follows:

(1) There is hereby authorized in the state treasury an uninsured employers' fund for the purpose of making payments in accordance with the provisions of subsection (4) of this section. The state treasurer shall be the custodian of the fund and all moneys and securities in the fund shall be held in trust by the state treasurer and shall not be considered a part of the general funds of the state.

(2) The state treasurer is authorized to disburse moneys from the fund only upon written order of the board.

(3) All amounts collected as fines and penalties under this chapter shall be paid into the uninsured employers' fund. There shall initially be transferred to the fund from the maintenance fund beginning January 1, 1973, the sum of $100,000.

(4) Upon the action taken in subsection (3) the uninsured employers' fund will become operative, compensation thereafter shall be paid from it when there has been default in the payment of compensation due to the failure of an employer to secure payment of compensation as provided by this chapter. Such employer shall be liable for payment into the fund of the amounts authorized to be paid therefrom under the authority of

this subsection and for the purposes of enforcing this liability the board, for the benefit of the fund, shall be subrogated to all the rights of the person receiving such compensation.

(5) In furtherance of this purpose, the attorney general shall appoint a member or members of his staff or special counsel to represent the fund in all proceedings brought to enforce claims against or on behalf of the fund. Necessary expenses for this purpose including salaries of said staff or special counsel shall be borne by the fund. The attorney general's office shall be responsible for the administration of the uninsured employers' fund and shall be charged with the conservation of the assets of the fund.

(6) If at any time the *assets of the uninsured employers' fund fall below $50,000* [charges against the uninsured employers' fund exceed the assets of said fund], the board, with approval of the commissioner of the executive department for finance and administration and commissioner of labor, may transfer sufficient moneys from the maintenance fund to the uninsured employers' fund in order to honor claims filed against said uninsured employers' fund and to provide for the administration of the fund.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 56 IS CREATED TO READ AS FOLLOWS:

(1) When the department finds that the general welfare of the state capitol and its environs and the public purposes of the Commonwealth would be promoted by the construction of buildings and improvements on land owned by the Commonwealth in the vicinity of and complimentary to the capital plaza in the capital city, it may, in addition to any other methods prescribed by law, authorize the construction of such buildings and improvements as provided in this section.

(2) The costs of constructing buildings and improvements determined to be needed by the department under this section may be paid in whole or in part (a) out of funds specifically appropriated for the construction of such buildings and improvements, or (b) out of funds derived or which may be derived from the issuance and sale as of revenue bonds as authorized by this chapter or by KRS Chapter 58, or (c) by private capital under a conveyance and leaseback agreement as authorized by this section, or (d) by any or a combination of said methods.

(3) When the department authorizes the construction of buildings and improvements under this section, the costs of which are proposed to be financed wholly by private capital under a conveyance and leaseback agreement, or partly by private capital in combination with any other method authorized by subsection (2) of this section, the department, acting for and on behalf of the Commonwealth, may convey the fee simple or any lesser interest in, including air rights above, any land owned by the Commonwealth in the vicinity of the capital plaza to any person, corporation, or partnership, to which such land or any interest therein has been or will be leased, subject to a written agreement by such person, corporation, or partnership to construct such buildings and improvements thereon and to reconvey such land to the Commonwealth subject to a mortgage placed on the land or interest therein by the person, corporation or partnership, for the purpose of securing private financing of all or a part of the costs of construction of such buildings and improvements, and for the leaseback to such person, corporation or partnership of such land, buildings and improvements. Any mortgage placed on the land under this subsection shall not constitute a general obligation or debt of the Commonwealth but the Commonwealth may, in the event of default, redeem the mortgage if it so elects.

(4) The department may divide any building or improvement project authorized under this section into two or more parts or units for purposes of financing the costs of construction of each such part or unit and may agree that the Commonwealth's interest in any part or unit of such project conveyed to any person, corporation or partnership, and reconveyed to the Commonwealth subject to a mortgage as authorized by subsection (3) of this section may be subordinate and inferior to such mortgage, provided, however, that such mortgage shall not constitute a general obligation or debt of the Commonwealth, and the Commonwealth may, in the event of default, redeem the mortgage if it so elects.

Section 1. KRS 431.200 is amended to read as follows:

Any person convicted of a *misdemeanor or* felony for taking, injuring or destroying property shall restore the property *stolen and pay to the owner thereof the fair market value of the property. If such person cannot restore the property, he shall pay to the owner thereof twice the value of the property taken* [or make reparation in damages]. The court in which the conviction is had, if applied to by verified petition made within ninety (90) days of the date the sentence was pronounced, may order restitution *plus payment of the fair market value of the property stolen or twice the fair market value of the property stolen, if restitution cannot be made* [or give judgment against the convict for reparation in damages]; and enforce collection by execution or other process. In motions for restitution *plus payment of the fair market value or twice the fair market value of the property stolen* [or reparation], the court shall cause the prisoner to be brought into court, and demand of him if he has any defense to make to the motion. If he consents to the restitution *and* [or] to [reparation in damages in] an agreed sum, the court shall give judgment accordingly. Otherwise a jury shall be impaneled to try the facts and ascertain the amount and the value of the property [, or assess the damage, as the case may be]. A failure to pursue this remedy shall not deprive the person aggrieved of his civil action for the injury sustained. The person injured shall have a lien on the estate of the criminal from the time of his arrest. *In the event the criminal is unemployed, and has been convicted of a misdemeanor rather than a felony, the judge shall make every effort to secure employment until the criminal has paid his debt in full. The criminal shall be in the custody of the court until the debt is retired and shall be ordered to report to jail after working hours if he fails to report to work regularly on his own.*

HB 41, AN ACT relating to workmen's compensation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.316 is amended to read as follows:

(1)(a) The employer liable for compensation for occupational disease shall be the employer in whose employment the employe was last exposed to the hazard of the occupational disease during any period in which this section is applicable to a coal mine, an operator who acquired it or substantially all of its assets from a person who was its operator on and after January 1, 1973 shall be liable for, and secure the payment of, the benefits which would have been payable by the prior operator under this section with respect to miners previously employed in the mine if it had not been acquired by such later operator. At the same time, however, this subsection does not relieve the prior operator of any liability under this section. Also, it does not affect whatever rights the later operator might have against the prior operator. Said employer shall have the right to contribution from each previous employer, as determined in an independent civil action, wherein the employe was similarly exposed to the hazard of said occupational disease, in a sum equal to the ratio that each exposure employment time bears to the total exposure employment time except as otherwise provided in paragraph (a) of subsection (13) of this section.

(b) The time of the beginning of compensation payments shall be the date of the employe's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later.

(2)(a) The procedure with respect to the giving of notice and determination of claims in occupational disease cases and the compensation and medical benefits payable for disability or death due to such disease shall be the same as in cases of accidental injury or death under the general provisions of this chapter except that notice of claim shall be given to the employer as soon as practicable after the employe first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted such disease, or a diagnosis of such disease is first communicated to him, whichever shall first occur.

(b) The procedure with respect to filing of *occupational disease* claims shall be as follows:

1. The application shall set forth the work history of the applicant with a concise description of injurious exposure to a specific occupational disease together with the names and addresses of employer or employers with the approximate date of employment and shall also include with the application two written medical reports supporting his claim. These medical reports shall be made on the basis of comprehensive clinical examinations and shall contain full and complete statements of the results thereof. The reports shall be made by duly licensed physicians. The clinical examinations shall include x-ray examinations. However, the failure of an x-ray examination to disclose the presence of an occupational disease shall not affect the legal presumption referred to in subsection (5) of this section.

2. The filing of a properly executed application for adjustment of claim, accompanied by the two medical reports described in subparagraph 1. of this paragraph, shall satisfy the requirements of the presumptive clause set out in subsection (5) of this section and the burden of proof shall immediately thereafter shift to the employer and the special fund.

3. Immediately upon receipt of said application for adjustment of claim, the board shall notify the affected employer, the special fund and any other interested party of such claim and shall furnish them with a full and complete copy of the claim.

4. Upon receipt of notice of claim the employer, the special fund, and any other interested party shall have the right to have the claimant examined by competent medical experts, at their expense, including a reasonable sum for travel. After said examination, the claimant or his representative, shall be furnished a copy of said medical report within a reasonable time.

5. Within sixty (60) days of the filing of the claim the employer, the special fund, and any other interested party shall notify the board and the claimant whether or not the claim will be resisted. If the claim is not resisted, then the board shall within ten (10) days enter an order and award for the claimant. If the

claim is resisted, the board shall set a date for a hearing and shall notify all parties thereof. In litigated claims the regular procedures prescribed by the workmen's compensation board shall be followed.

(3) The right to compensation under this chapter for disability resulting from an occupational disease shall be forever barred unless a claim is filed with the workmen's compensation board within three (3) years after the last injurious exposure to the occupational hazard or after the employe first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted the disease, whichever shall last occur; and if death results from the occupational disease within said period, unless a claim therefor be filed with the workmen's compensation board within three (3) years after such death; provided, however, that notice of such claim shall be deemed waived in case of disability or death where the employer, or his insurance carrier, voluntarily makes payment therefor, or, if the incurrence of the disease or the death of the employe, and its cause was known to the employer. Provided, however, that the right to compensation for any occupational disease shall be forever barred unless a claim is filed with the workmen's compensation board within five (5) years from the last injurious exposure to the occupational hazard, except that, in cases of radiation disease *or diseases caused by exposure to carcinogenic substances,* a claim must be filed within 20 years from the last injurious exposure to the occupational hazard.

(4) The amount of compensation payable for disability due to occupational disease or for death from such disease, and the time and manner of its payment, shall be the same as provided for accidental injury or death under the general provisions of the workmen's compensation act, but in no event to exceed such amounts as were in effect at the time of the last injurious exposure, and provided further, that the time of the beginning of compensation payments shall be the date of the employe's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later, and provided further, that in case of death where the employe has been awarded compensation or made timely claim within the period provided for in this section, an employe has suffered continuous disability to the date of his death occurring at any time within 20 years from the date of disability, his dependents, if any, shall be awarded compensation for his death as provided for under the general provisions of the workmen's compensation act and in this section.

(5) Where the occupational disease is a compensable pneumoconiosis and there has been employment exposure for 10 years or more to an industrial hazard sufficient to cause the disability of pneumoconiosis there shall be a rebuttable presumption that the disability or death was due to the compensable pneumoconiosis.

(6) Where the employe is suffering or suffered from a chronic dust disease of the lung which (a) when diagnosed by chest roentgenogram, yields one or more large opacities (greater than one (1) centimeter in diameter) and would be classified in category A, B, or C in the international classification of radiographs of the pneumoconioses by the international labor organization, (b) when diagnosed by biopsy or autopsy, yields massive lesions in the lung, or (c) when diagnosis is made by other means, would be a condition which could reasonably be expected to yield results described in paragraph (a) or (b) if diagnosis had been made in the manner prescribed in paragraph (a) or (b), then there shall be an irrebuttable presumption that he is totally disabled due to pneumoconiosis or that his death was due to pneumoconiosis, as the case may be.

(7) In case of disability or death from silicosis, coal workers' pneumoconiosis, or any other compensable pneumoconiosis, complicated with tuberculosis of the lungs, pulmonary emphysema or other pulmonary dysfunction and there has been employment exposures to harmful dust or industrial hazards reasonably competent to produce such accompanying disease or dysfunction, there is a rebuttable legal presumption that all resultant disability therefrom is work related and compensable, and compensation shall be payable as for the uncomplicated disease, provided, however, that the disease or dysfunction was an essential factor in causing such disability or death.

(8) If an autopsy has been performed, no testimony relative thereto shall be competent unless the employer or his representative has available findings and reports of the pathologist or doctor who performed the autopsy examination.

(9) No compensation shall be payable for occupational disease if the employe at the time of entering the employment of the employer by whom compensation would otherwise be payable, falsely represented himself, in writing, as not having been previously disabled, laid off, or compensated in damages or otherwise, because of such disease, or failed or omitted truthfully to state to the best of his knowledge, in answer to written inquiry made by the employer, the place, duration and nature of previous employment, or, to the best of his knowledge, the previous state of his health.

(10) No compensation for death from occupational disease shall be payable to any person whose relationship to the deceased, which, under the provisions of this chapter would give right to compensation, arose, subsequent to the beginning of the first compensable disability, save only to after-born children of a marriage existing at the beginning of such disability.

(11) Whenever any claimant misconceives his remedy and files an application for adjustment of claim under the general provisions of this chapter and it is subsequently discovered, at any time before the final disposition of such cause, that the claim for injury, disability or death which was the basis for such application should properly have been made under the provisions of this section, then the application so filed may be amended in form or substance, or both, to assert a claim for such injury, disability or death under the

provisions of this section, and it shall be deemed to have been so filed as amended on the date of the original filing thereof, and such compensation may be awarded as is warranted by the whole evidence pursuant to the provisions of this chapter. When such amendment is submitted, further or additional evidence may be heard by the board when deemed necessary. Nothing this section contains shall be construed to be or permit a waiver of any of the provisions of this chapter with reference to notice of time for filing of a claim, but notice of filing a claim, if given or done, shall be deemed to be a notice of filing of a claim under provisions of this chapter, if given or done within the time required herein.

(12) When an employe has an occupational disease that is covered by this chapter, the employer in whose employment he was last injuriously exposed to the hazard of the disease, and the employer's insurance carrier, if any, at the time of the exposure, shall alone be liable therefor, without right to contribution from any prior employer or insurance carrier; except as otherwise provided herein.

(13)(a) The employer liable for compensation for occupational diseases, other than silicosis or any other compensable pneumoconiosis, which developed to the point of disablement only after an exposure of five (5) or more years, or for non-coal worker's silicosis and any other compensable pneumoconiosis, shall be the employer in whose employment the employe was last exposed to the hazard of such occupational disease. In those cases where disability or death are not conclusively proven to be the result of such last exposure all compensation shall be paid out of the special fund for all claims filed prior to January 1, 1973; and 75 percent shall be paid by the special fund and 25 percent by the employer for all claims filed thereafter. In all other cases of occupational diseases, other than silicosis or any other compensable pneumoconiosis, which developed to the point of disablement only after an exposure of five (5) or more years, or for non-coal worker's silicosis and any other compensable pneumoconiosis, the compensation for disability or death due to such diseases shall be paid jointly by the employer and the special fund, and the employer shall be liable for sixty percent (60%) of the compensation due and the special fund shall be liable for forty percent (40%) of the compensation due. Provided, however, that when there is a joint award against the carrier or self-insured employer and the special fund under this section, all of the compensation awarded shall be paid from the special fund and the special fund shall be reimbursed by the carrier or self-insured employer on a quarterly basis and under such regulations as the Board may provide for such purpose.

(b) In all claims for compensation partially payable by the special fund the commissioner of labor, as custodian of said fund, shall be designated as codefendant.

(c) In all agreements for the payment of compensation and awards the amount payable by the employer and the amount payable out of the special fund shall be separately stated. An award against the employer shall be for only the percentage of the total compensation which the employer is obligated to pay. A separate award shall be made against the special fund for the balance of the compensation payable. Nothing in this section shall prohibit the commissioner of labor, as custodian of the special fund, from entering into agreements to pay the compensation for which it is liable; provided, however, that where compensation is payable by both the employer and the special fund, the commissioner shall not enter into an agreement unless the employer is a party to the agreement.

Mr. Speaker, Members of the House:

As I rise in explanation of my vote on House Concurrent Resolution 7, I do so after a great deal of thought, anxiety and soul-searching.

Mr. Speaker, in explaining my "no" vote, I want it made perfectly clear that I am not pro-abortion in any way, shape, form or fashion. However, I concur with the gentleman from Marshall's remarks, in that I feel that abortion in cases of rape, incest, to preserve the mother's life, or where there exists the strong probability of a malformed child, either physically or mentally, constitutes grounds for a justifiable abortion.

Of equal importance, I cannot and will not, in all good conscience and faith, ask the Congress of these United States to call for a constitutional convention.

I request that these remarks be spread upon the Journal of the House.

s/Kenneth C. Imes, State Representative

The city legislative body shall reappoint to their office, members of the police department who have not yet reached the age of retirement unless sufficient cause be shown for the failure to reappoint them. They shall be subject to removal for cause.]

SECTION 2. A NEW SECTION OF KRS CHAPTER 95 IS CREATED TO READ AS FOLLOWS:

(1) In cities of the fourth class which have not accepted and adopted KRS 95.761 to 95.784, the term of police officers shall not exceed two (2) years. Members of the police department who have not yet reached the age of retirement shall be reappointed to their office and to a grade no lower than that held by them at the expiration of their prior term, unless sufficient cause shall be shown for the failure to reappoint them or for the reduction in grade or pay.

(2) Members of the police department shall be subject to removal at any time for cause. No member shall be removed from the department or fail to be reappointed, or be reduced in grade or pay, or be publicly reprimanded or be suspended or otherwise punished for any reason except inefficiency, misconduct, insubordination, violation of law or violation of written rules adopted for the department.

(3) Any person may prefer charges against a member of the police department and it shall be the duty of the mayor and each member of the city legislative body, whenever probable cause appears, to prefer charges against any member of the police department whom that person believes to be guilty of conduct justifying not reappointing the member or the removal, reduction in grade or pay suspension, public reprimand or other punishment of the member in the interest of public order. All charges brought against any member of the police department by anyone must be written, signed by the person making the charges and must clearly set out each charge and the facts supporting it. The written charges must be filed with the mayor and the city clerk before any action regarding the charges may be taken.

(4) If the written charges are filed with the mayor and city clerk, a hearing on the charges shall be held before the legislative body within fourteen (14) days of the filing, provided that no hearing shall be held until four (4) days after the accused member has been served with a full copy of the charges and a statement of the time, day and place of the hearing. Service by mailing a copy of the charges to the last known address of the accused member shall be sufficient. The member may, in writing, waive the service of the charges and the hearing may be held by mutual agreement.

(5) The hearing before the legislative body shall be confined to the written charges previously filed. The legislative body and the accused member shall have the power to summon and compel the attendance of witnesses upon subpoena issued by the city clerk and served by any person authorized to serve subpoenaes from the court of justice. The legislative body shall have the contempt powers of a district court judge with regard to the hearing.

(6) The legislative body, at its own expenses, shall cause the entire hearing to be transcribed. The legislative body shall make detailed, written, findings of fact and a written decision. The transcript, together with the written charges, the notice to the accused and copies of all subpoenaes, shall be kept in a separate book maintained in the office of the city clerk. The legislative body shall, by majority vote, fix punishment against a member of the police department by public reprimand or by suspension for any length of time in

their judgment, not to exceed six (6) months, or by reducing the member in grade or pay, or combining any two (2) or more of said punishments, or by failing to reappoint such member to the police department or by the removal of such member from the police department. No member of the police department shall fail to be reappointed or shall be publicly reprimanded, removed, suspended or reduced in grade or pay other than in the manner provided in this section.

(7) In cases where the mayor has probable cause to believe that a member of the police department has been guilty of any conduct justifying any of the above punishments, he may suspend said member from duty, or from both pay and duty, pending the hearing and said member shall not be placed on duty or allowed pay thereafter until the charges are heard by the legislative body in the manner and within the time limitations provided for herein.

(8) The provisions of this section shall not apply to or affect proceedings against police officers under KRS Chapters 61 and 63, and shall further not apply to chiefs of police.

(3) The termination of an agreement between a city and county to form a joint parking authority will not result in the continued existence of a city motor vehicle parking authority, unless specifically provided for in the agreement.

Section 2. KRS 94.815 is amended to read as follows:

(1) A city parking authority shall consist of five (5) persons appointed by the mayor with the approval of the city or urban-county government legislative body, to serve as commissioners of the local parking authority. (3) The commissioners shall constitute the governing body of the parking authority and shall adopt such bylaws, rules and regulations as are necessary for governing of the authority. Any *commissioner* [member of the board] may be removed from office upon a vote of a majority of the members of the governing body *which approved his appointment* [of the municipality] for inefficiency, neglect of duty, misfeasance, nonfeasance, or malfeasance; after at least ten (10) days' written notice of the hearing to the member whose conduct is in question and to all members of the governing body. At the hearing the member may be represented by counsel and may appear personally and present such pertinent evidence as he wishes. If after the hearing the governing body determines that he is guilty of the charges they shall remove the member from the authority within seven (7) days, and there shall be a vacancy of the office.

Section 2. That a report of the findings and recommendations of the study for the use and management of alternative systems in Kentucky, be reported to the Interim Joint Committee on Health and Welfare not later than June 1, 1979, and that such findings and recommendations be submitted for consideration to the 1980 General Assembly.

HB 202, AN ACT relating to retirement benefits.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS 61.510 to 61.692 IS CREATED TO READ AS FOLLOWS:
Any former member of the Kentucky employes retirement system who was determined to be in a hazardous position in accordance with KRS 61.592(1) and (2) and whose service retirement from such position was effective after such determination but prior to July 1, 1976 due to the revocation of any medical certification required for the continued performance of the duties of the hazardous position shall have his retirement allowance recomputed in accordance with KRS 61.592 as amended by Chapter 321, Section 21, Acts of the 1976 General Assembly.

HB 214, AN ACT relating to the lease of real property by the state.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 56 IS CREATED TO READ AS FOLLOWS:
The executive department for finance and administration shall be responsible for the lease of all real property rentals required for use by all branches, departments and agencies of the state government, and no lease of real property shall be binding against the Commonwealth or any agency thereof unless made and entered into as provided in this Act.

SECTION 2. A NEW SECTION OF KRS CHAPTER 56 IS CREATED TO READ AS FOLLOWS:
(1) Whenever an agency determines that it will need office or other space it shall submit a request for the acquisition of such additional space to the bureau of public properties in the executive department for finance and administration. If the bureau of public properties determines that insufficient space has been allocated to the agency making the request, it may then acquire the space required by lease as provided by this Act.

(2) The bureau of public properties shall review each agency space request to determine whether space suitable to meet the agency's reasonable needs may be available in a state-owned or occupied building. If it is determined that there is no suitable space available in a state-owned or occupied building, the bureau shall, except as provided in Section 3 of this Act, cause an advertisement to be placed in a newspaper having general circulation in each county where space is sought, soliciting negotiations of a lease to the Commonwealth of space meeting the agency's general requirements. The advertisement shall be published two (2) times during any seven (7) day period in daily newspapers and one (1) time in weekly newspapers. Whenever an advertisement for space is made in a weekly newspaper, it shall also be made in a newspaper of daily publication in the county of closest geographic proximity to the county in which the space is sought and for which advertisement has been made in a weekly newspaper. All leases of space in Franklin County, and all leases in any county for which the annual rental charge is estimated to exceed one hundred thousand dollars ($100,000), shall be published in at least two (2) newspapers having broad circulation within the state, to be designated by the secretary of the department, in addition to a newspaper published and of general circulation in the county in which the space is sought. The advertisement shall contain such general information concerning the agency requirements for the space sought as will reasonably inform persons having property to let within the county of the type of space wanted, the general location of the property, and the number of square feet needed, and shall state the last time, date and place that responses will be received. Responses may be made by any person verbally or in writing on or before the time and date designated and need only designate the type and location of the property, the name and address of the property owner and the date of the availability of the property for lease.

(3) Following the expiration of the time specified for the submission of proposals, the space proposed to be leased to the state by each person submitting a proposal will be inspected to determine its suitability to the reasonable needs of the agency for whose use the property is sought. The owner or other person submitting the proposal shall provide access to the property for such inspection. A report of the findings about each property inspected shall be submitted to the commissioner of the bureau of public properties who shall, after consultation with the head of the agency for whose use the space is sought, determine the best proposal received in the interest of the state. The commissioner shall, in making his determination, take into account factors including but not limited to: the location and accessibility of the property to the public; its condition and state of repair; its conformity with the requirements of occupational health and safety regulations; the proposed rental rates; and the general conformity of the property proposed to the advertised space requirements. The lease of the space shall be awarded in the discretion of the commissioner of the bureau to the person whose proposal most closely conforms to the general requirements of the advertisement for the space and meets applicable state fire, health, safety and sanitation requirements and the requesting agency's reasonable space requirements.

(4) Recognizing the improbability that any two (2) properties proposed to be leased to the state under this section will be identical and that reasonable men might differ in determining the best proposal received for the lease of property to the state, it is the general assembly's intention in this section to confer upon and delegate to the commissioner of the bureau of public properties through the department, the broadest possible power and authority to make such determinations. Judicial review of the action of the department and the commissioner of the bureau in the award of leases under this section shall be limited to determining whether the award of a lease by the state was procured by fraud. Any person who by judicial process, unsuccessfully challenges the award of any lease of space by the state under this section shall be liable to the state for its costs in the action, including reasonable attorneys fees.

SECTION 3. A NEW SECTION OF KRS CHAPTER 56 IS CREATED TO READ AS FOLLOWS:

(1) Newspaper advertisements soliciting proposals for the lease of space by the Commonwealth shall not be required if space suitable to the needs of the agencies for whose use space is sought is determined to be available for lease in a building owned by the federal government, by a political subdivision or municipal corporation of this state, or if the space is required as a result of a bona fide emergency as defined in subsection (2) of this section.

(2) A bona fide emergency, authorizing dispensation of newspaper advertisement for leased space, shall be deemed to exist only in cases where the head of an agency already occupying leased premises certifies in writing to the secretary of the executive department for finance and administration that:

(a) The leased premises have been damaged or destroyed by fire, windstorm or other casualty; or

(b) The leased premises are found to be in violation of regulations of the Kentucky occupational health and safety commission and such violations cannot be remedied within thirty (30) days after the issuance of a citation to the lessor of the premises; or

(c) The leased premises are found to be unsafe or unfit for occupancy due to any condition constituting a violation or infraction of fire or health laws and regulations and cannot be made safe within a reasonable time; or

(d) The necessity for leased premises arises from the enactment or adoption of federal legislation or regulations or state legislation, the effective date of which mandates commencement of programs to be housed in leased of space before there is time for space to be acquired by advertisement; and,

(e) The agency's functions will be impaired or have to be discontinued unless other quarters to house the agency's operations are immediately located and occupied by the agency.

(3) Upon receipt of certification of the existence of any of the foregoing conditions by the department, the bureau of public properties shall take such action as may be deemed appropriate to locate and negotiate for the lease of space meeting the certifying agency's reasonable needs. No lease by the state of any real property under conditions deemed of an emergency nature by the heads of the several branches, departments or agencies of the state government shall be binding against the state unless approved by the governor.

SECTION 4. A NEW SECTION OF KRS CHAPTER 56 IS CREATED TO READ AS FOLLOWS:

Except when another lease term is approved by the secretary of the executive department for finance and administration, the terms of all leases entered into under this section may provide for an initial lease term beginning on a date stated and ending on the thirtieth (30th) day of June in each year in which the general assembly has convened in regular session and appropriated funds for the operation of the state government during the next ensuing biennium. Such leases may grant the state successive options for the automatic renewal of the lease upon the same terms and conditions for additional renewal periods of twenty-four (24) months each, not to exceed three (3) such automatic renewal periods. Any lease containing provision for the automatic renewal of the lease after the expiration of the initial lease term shall also provide that the state may, upon written notice given to the lessor on or before April 15 of the year in which the initial or any automatic renewal term expires, elect not to exercise its option for the automatic renewal of the lease term. Subject to the agreement of the lessor, a lease in which the final automatic renewal period has expired, or will expire as of the end of the then current term, may be renewed upon the same terms and conditions without newspaper advertisement for space.

SECTION 5. A NEW SECTION OF KRS CHAPTER 56 IS CREATED TO READ AS FOLLOWS:

(1) When a lease of space has been made and entered into as provided in this Act, the lease may be modified with the agreement of the lessor to increase the square footage of the leased space provided that the rental rate paid for such additional space shall in no case exceed the per square foot rental rate fixed by the original lease. Conversely, the lease may be modified with the agreement of the lessor to decrease the number of square feet covered by the lease to conform to an agency's space needs and the rent shall be reduced accordingly.

(2) Appropriate modification shall be made in all leases to reflect changes in ownership in the leased premises or when the lessor has given written notice of a change in the lessor's name or address. When there

has been a change in ownership in the leased premises, the new owner shall furnish the bureau of public properties a copy of the deed or other instrument of conveyance by which the new owner acquired title to the property or the right to payment under the lease, and such other evidence in support of his claim to the payment of rent under the lease as the bureau may require. When information is received by either the agency occupying leased premises or the executive department for finance and administration that there may have been a change in ownership of the leased premises, payment of rent shall be suspended and shall not be resumed until ownership of the premises and the identity of the party entitled to payment of the rent has been determined.

(3) An existing lease may be modified to provide for an increase in the rental rate when the lessor has made improvements in the leased premises at the request of and for the benefit and convenience of the state agency occupying the leased premises; provided, however, that the state shall not be bound by nor have any liability for any improvements made in leased premises unless such agency request for the improvement of the premises has been approved in advance by the executive department for finance and administration. No improvement of a permanent nature shall be made at direct state expense in any privately leased property, but improvements of a permanent nature may be made at direct state expense in property leased from the federal government or from any political subdivision of this state if the state has a leasehold interest in such property of a duration sufficient to permit amortization of the cost of the improvement over the life of the lease.

SECTION 6. A NEW SECTION OF KRS CHAPTER 56 IS CREATED TO READ AS FOLLOWS:

The amount of rent to be paid for leased property shall be finally determined during negotiations with persons submitting proposals in response to advertisements for leased space. If only a part of a building is to be leased, the rent shall be calculated by multiplying the agreed per square foot rental charge by the number of square feet for all space in the building exclusively occupied by the agency for whose use the space is sought. When one (1) or more state agencies occupy an entire leased building, the rent shall be calculated by multiplying the agreed per square foot rental charge by the number of square feet of floor space in the building as determined by its exterior horizontal dimensions, times the number of floors, including basement and attic areas.

SECTION 7. A NEW SECTION OF KRS CHAPTER 56 IS CREATED TO READ AS FOLLOWS:

Whenever the owner of real property leased to the state is a corporation or a partnership, a list of the names of all persons owning five percent (5%) or more of the shares of such corporation, and the names of all partners, including silent and limited partners, shall be furnished to the department. The bureau of public properties shall maintain such lists in the file pertaining to the particular lease or leases of property owned by such corporation or partnership and such lists shall be available for public inspection as provided by KRS 61.870 to 61.884.

SECTION 8. A NEW SECTION OF KRS CHAPTER 56 IS CREATED TO READ AS FOLLOWS:

(1) No officer or employe of any state agency shall engage in any act or make any representation or commitment to any person relative to the lease of any real property by the state without specific written authorization from and approval by the executive department for finance and administration and neither the state nor the department shall be bound by such act, representation or commitment unless so authorized and approved.

(2) No officer or employe of any state agency shall disclose to any person or firm who might reasonably be expected to submit a proposal, any approved plans by the department for the lease of real property for which advertisement is required under this Act prior to the advertisement. Discussions of such approved leasing plans may be held after advertisement with persons interested in submitting a proposal pertaining to the space requirements.

Final compensation shall not be reduced by payments for medical care.

(2) Such officer shall be assigned by the commissioner of the bureau of state police to a position in the bureau for which he is qualified, if the commissioner determines, based upon medical reports and recommendations submitted for that purpose, that the officer is able to perform limited duties. If the commissioner determines that the officer is unable to perform limited duties, the officer shall be eligible for the payment of compensation authorized by this Act without the performance of limited duties.

(2) In the event disability is total and permanent as provided in KRS 16.580 and is not a direct result of an "act in line of duty," the member in service with five (5) years of service credit shall retire on his disability retirement date and shall be eligible to receive benefits under subsections (3) to (4) of KRS 16.576 except that service credit shall be added to the member's total service beginning with his last date of paid employment and continuing to his fifty-fifth (55th) birthday, however, the maximum service credit added shall not exceed the total service the member had upon his last day of paid employment, and the maximum combined service credit for calculating his disability retirement allowance, including total service and added service shall not exceed twenty (20) years, except when the member has accumulated total service of twenty (20) or more years his total service shall be used in computing disability benefits.

(3) No benefit provided in this section shall be reduced as a result of any change in the extent of disability of any retired member who is age fifty-five (55) or over.

(4) In lieu of the allowances provided by subsections (1) and (2) of this section, the member may be retained on the regular payroll and receive the compensation authorized by Section 1 of this Act, if he qualifies therefor.

Reduced payments shall begin in the month following the termination of payments under total and permanent disability.

(4) In lieu of the allowances provided by subsections (1) and (2) of this section, the member may be retained on the regular payroll and receive the compensation authorized by Section 1 of this Act, if he qualifies therefor.

SECTION 16. KRS CHAPTER 82A IS ESTABLISHED AND A NEW SECTION THEREOF IS CREATED TO READ AS FOLLOWS:
Each city shall constitute a corporation, with capacity to sue and be sued, to contract and be contracted with, to acquire and dispose of property, and to have a common seal and change it at pleasure or act without a seal.

SECTION 17. A NEW SECTION OF KRS CHAPTER 82A IS CREATED TO READ AS FOLLOWS:
(1) A city may exercise any power and perform any function within its boundaries that is in furtherance of a public purpose of the city and not in conflict with a constitutional provision or statute.

(2) A power or function is not in conflict with a statute unless it is expressly prohibited by a statute or irreconcilable with a statute.

SECTION 18. A NEW SECTION OF KRS CHAPTER 82A IS CREATED TO READ AS FOLLOWS;

(1) Except for taxation and regulation, a city may exercise the same powers and perform the same functions beyond its boundaries as within its boundaries.

SECTION 19. A NEW SECTION OF KRS CHAPTER 82A IS CREATED TO READ AS FOLLOWS:

(1) Whenever any person desires to offer for dedication by recorded plat any public way or easement within the city limits he shall file with the city legislative body a map or plat of the territory bounded, intersected or immediately adjacent to the proposed public way or easement, showing the proposed name, nature and dimensions of the public way or easement offered for dedication. If the city legislative body believes the proposed dedication would be beneficial to the public interest and suitable for the immediate or future acceptance of the city, it shall approve the map or plat, and the mayor shall subscribe a certificate of approval on the map and acknowledge the execution thereof before any public officer authorized to take acknowledgments of deeds. (3) When any property has been opened to the unrestricted use of the general public for five (5) consecutive years, it shall be conclusively presumed to have been dedicated to the city as a public way or easement, subject to acceptance by the city. The city may, at any time after the expiration of five (5) years from the time the property is opened to the public, pass an ordinance declaring it so dedicated, and accepting the dedication, whereupon it shall be a public way or easement of the city for all purposes. Nothing herein shall be construed to require the expiration of five (5) years to raise a presumption of dedication in any case where, under any rule of law in force in this state, a dedication would be presumed in less than five (5) years.

SECTION 20. A NEW SECTION OF KRS CHAPTER 82A IS CREATED TO READ AS FOLLOWS:

SECTION 38. A NEW SECTION OF KRS CHAPTER 83A IS CREATED TO READ AS FOLLOWS:

(1) The form of government provided in this section shall be known as the city manager plan and this section shall together with Sections 24 to 35 and 40 of this Act govern any city declared to be under the city manager plan by Section 25 of this Act or which has adopted the city manager plan pursuant to Section 39 of this Act.

(2) Each city under this section shall be governed by an elected officer who shall be called mayor and by elected legislative body members who shall be called city commissioners and which together shall be known as the board of commissioners and by such other officers and employes as may be duly appointed according to statute or city ordinance.

(3) The legislative authority of the city shall be vested in and exercised by the board. The board shall not perform any executive functions except those functions assigned to it by statute. The mayor shall preside at all meetings of the board and may vote in all proceedings. The mayor shall be recognized as the head of the city government by the governor for purposes of military law, but shall have no regular administrative duties. The board shall designate one city commissioner to serve as mayor pro-tem. The mayor pro-tem shall act for the mayor whenever the mayor is unable to attend to the duties of his office and he shall then possess all rights, powers and duties of mayor. If the disability of the mayor to attend to his duties persists for sixty (60) consecutive days, the office of mayor may be declared vacant by a majority vote of the board membership and the provisions of Section 27 of this Act shall apply.

(4) Regular meetings of the board shall be held at least once each month at such times and places as are fixed by ordinance. Special meetings of the board may be called by the mayor or upon written request of two (2) city commissioners. In the call, the mayor or commissioners shall designate the purpose, time and place of the special meeting with sufficient notice for the attendance of board members and for compliance with KRS Chapter 61. At a special meeting no business shall be considered other than that set forth in the designation of purpose. The minutes of every meeting shall be signed by the person responsible for maintaining city records provided under Section 29 of this Act and the officer presiding at the meeting.

(5) The board shall by ordinance establish all appointive offices and the duties and responsibilities of those offices and codes, rules and regulations for the public health, safety and welfare. The board shall by ordinance provide for sufficient revenue to operate city government and shall appropriate the funds of the city in a budget which shall provide for the orderly management of city resources.

(6) The board may require any city officer or employe to prepare and submit to it sworn statements regarding his performance of his official duties and may otherwise inquire into the conduct of duties of any department, office or agency of the city.

(7) The board shall in accordance with Section 31 of this Act create the office of city manager and set qualifications for the office, which shall include but not be limited to professional training or administrative qualifications with special reference to actual experience in or knowledge of accepted practice regarding duties of the office, and list duties and responsibilities of the office which shall include, but not be limited to:

(a) Appointing and when necessary for the good of the service, removing all subordinate officers and employes of the city except those employes whose tenure and terms of employment are protected by statute, ordinance or contract;

(b) Preparing the budget and submitting it to the board and being responsible for its administration after adoption;

(g) Performing other duties required of city executive authorities by statute or required of him by the board not inconsistent with this section.

(8) The board shall appoint a city manager by a majority vote of all its members. The city manager shall be appointed for an indefinite term and the board may remove him only by a majority vote of all its members. At least thirty (30) days before such removal shall become effective the board shall by a majority vote of all its members adopt a preliminary resolution stating the reasons for his removal. The city manager may reply in writing and may request a public hearing which shall be held not earlier than twenty (20) days nor later than thirty (30) days after the filing of the request. After the public hearing, if requested, and after full consideration, the board by majority vote of all its members may adopt a final resolution of removal. By the preliminary resolution the board may suspend the city manager from duty, but shall in any event cause to be paid to him any unpaid balance of his compensation and compensation for the next calendar month following adoption of the preliminary resolution.

(9) The city manager shall be the chief administrative officer and head of the executive branch of the city government. He shall enforce the city manager plan, city ordinances and all applicable statutes. Subject to approval of the board, the city manager shall promulgate procedures to insure orderly administration of the functions of city government and compliance with statute or ordinance. Any delegation of the city manager's duties or responsibilities to subordinate officers and employes shall be made by administrative order. Administrative orders shall be sequentially numbered by years and kept in a permanent file. All bonds, notes, contracts and written obligations of the city according to ordinance or resolution shall be made and executed by the city manager on behalf of the city.

(10) Neither the board nor any of its members shall direct or request the appointment of any person to, or his removal from, office by the city manager or in any way take part in the appointment or removal of officers and employes in the administrative service of the city. Except for the purpose of inquiry and investigation, the board and its members shall deal with the administrative service solely through the city manager and shall not give orders to any subordinates of the city manager, either publicly or privately.

(11) The board of any city declared to be under the city manager plan by Section 25 of this Act may, not later than six (6) months from the effective date of this Act, by ordinance choose to be organized and governed under the commission plan provided in Section 37 of this Act. The ordinance shall set an effective date for the change to the commission plan which shall not be later than one (1) year from the effective date of this Act. All ordinances and resolutions in force at the time of the change and not in conflict with Section 37 of this Act shall remain in force until changed.

SECTION 39. A NEW SECTION OF KRS CHAPTER 83A IS CREATED TO READ AS FOLLOWS:

(1) Any city may become organized and governed under either the mayor-council plan, the commission plan or the city manager plan only by popular vote in accordance with Section 35 of this Act, except as provided in subsection (11) of Section 38 of this Act.

(2) If a majority of the votes cast are in favor of changing the organization and government of the city, the corporate entity of the city shall remain the same as it was before the change. All laws applicable to and governing cities and not inconsistent with the newly adopted plan shall continue to apply to and govern each city that so changes its plan. All city ordinances and resolutions in force in any such city and not inconsistent with the newly adopted plan shall continue in force until amended or repealed in the manner provided in the new plan.

(3) Upon the expiration of the terms of the existing legislative body members, or if terms are staggered, when the terms of a sufficient number of members have expired to achieve a correct number of members remaining, or upon election of a sufficient number of additional members at the next regular election to achieve a correct number of members, the city shall be organized and governed under the newly adopted plan as provided in this chapter and shall take action necessary to be in compliance with this chapter. In no event shall a city not be in compliance two (2) years after the adoption of the new plan by the voters.

(4) Failure on the part of any ministerial officer to perform the duties required of him by this section shall not prevent the change of the plan of organization and government of the city.

(5) No city which changes the plan under which it is organized and governed under this section shall again change the plan sooner than five (5) years from the effective date of the last change.

SECTION 40. A NEW SECTION OF KRS CHAPTER 83A IS CREATED TO READ AS FOLLOWS:

(2) No person shall be elected to city office without being nominated in the manner provided in this section at a nonpartisan primary election to be held at the time prescribed by law for primary elections generally. Nonpartisan primary elections shall be conducted by the same officers, chosen and acting in the same manner, with the same rights and duties as in regular elections.

(3) Each applicant for nomination shall, at least fifty-five (55) days before the primary election, file with the county clerk a petition signed by at least one percent (1%) of the registered voters in the city, in the following form:

"We the undersigned, qualified voters of the City of-------request that the name of-------be placed on the city ballot as that of an applicant for nomination for the office of-------at the primary election to be held in our city on the first Tuesday after the fourth Monday in May,----. We know the applicant to be a qualified voter of the city and a person of good character, and he is, in our judgment, qualified for the duties of the office.

Name	Number	Street
------------	------------------	--------------
------------	------------------	--------------
------------	------------------	--------------"

The petition shall be verified by the affidavit of some person as to the genuineness of signatures and addresses of the signers. No voter shall sign more than one (1) petition with reference to each applicant. If any voter signs more than one (1) petition of an applicant, the name of that voter shall not be counted as valid on any petition.

(4) Immediately upon expiration of the time for filing petitions, the county clerk shall have published in accordance with KRS Chapter 424 the names of the applicants as they will appear upon the primary ballots, authenticated with a facsimile of his signature.

(5) Subsection (4) of this section shall not apply if it appears, immediately upon expiration of the time for filing petitions, that there are not more than two (2) applicants for nomination for each city office to be filled. In that case, the applicants for nomination shall thereby be nominated and no primary election shall be held for that office.

(6) Names of applicants for each nomination shall be printed on the city ballot. Above names of applicants for nomination for all city offices shall be printed the words "vote for one", except above names of applicants for nominations for legislative body member in cities nominating legislative body members at-large shall be printed the words "vote for-----(the number of legislative body members to be elected)." City ballots shall contain no party designation or emblem of any kind, nor any sign indicating any applicant's political belief or party affiliation.

(7) After city ballots are printed, the county clerk shall cause to be delivered at each polling place a number of city ballots equal to twice the number of votes cast in the polling precinct at the last preceding regular election. Persons qualified to vote at a regular election are qualified to vote at a nonpartisan primary election and the law applicable to challenges made at a regular election is applicable to challenges made at a nonpartisan primary election.

(8) Ballots shall be counted as provided in general election laws and the result shall be published as provided in KRS Chapter 424.

(9) The two (2) applicants receiving the highest number of votes for nomination for each city office shall be nominated.

(10) At the regular election following a nonpartisan primary election, names of nominees shall be placed upon ballots like those used at the nonpartisan primary election, except that regular election ballots shall contain only names of successful nominees.

(11) The nominee receiving the greater number of votes cast for each city office shall be elected.

(12) General election law prescribing duties of county clerks and other public officers in printing and distributing ballots, issuing them to voters, receiving and depositing them in ballot boxes, counting and preserving them, and in all other particulars, shall be applicable in all respects to nonpartisan city elections, except no election officer or other person within a polling place shall tell or indicate to a voter, by word of mouth or otherwise, the political affiliation of any candidate for city office.

(2) An administrative agency may be designated as an agency, authority, board, commission, or by another title, so long as the title is appropriate to its function. If an agency is advisory only, such a designation shall be included in its title.

(3) If a city legislative body wishes to exercise a power or function as a city office pursuant to Section 31 of this Act in lieu of establishing an administrative agency and such power or function affects the legal rights, duties, or privileges of any person adversely, then contested cases shall be subject to appeal to the district court in a de novo proceeding, unless the city legislative body has adopted by reference the provisions of Sections 47 to 52 of this Act for use by that office.

SECTION 43. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

Unless otherwise restricted in the ordinance establishing an agency, it may in furtherance of its purposes:

(3) Each administrative agency shall keep a complete and accurate record of its proceedings.

SECTION 45. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

(1) Within sixty (60) days after the close of each fiscal year, each administrative agency shall make a full report to the city legislative body and the executive authority. The report shall include a financial statement and the general scope of operations of the agency during the preceding fiscal year.

(2) The city legislative body or executive authority may cause the accounts and records of an administrative agency to be examined at any time.

SECTION 46. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

SECTION 47. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

(1) In a contested case, all parties shall be afforded an opportunity for hearing after reasonable notice as provided in subsection (2). An agency may issue subpoenas and administer oaths. The provisions of the Kentucky civil rules of procedure shall apply insofar as possible to agency subpoenas, except that an agency shall have no contempt power, and disobedience of a subpoena or a refusal to be sworn or to answer as a witness may be punished as a contempt on application to the district court of the county by the agency or any party.

(2) The notice shall include:
(a) A statement of the time, place, and nature of the hearing;
(b) A statement of the legal authority and jurisdiction under which the hearing is to be held;
(c) A reference to the particular sections of the statutes, ordinances and rules involved; and
(d) A short and plain statement of the material facts asserted. If the agency or other party is unable to state the matters in detail at the time the notice is served, the initial notice may be limited to a statement of the matters being contested. Thereafter, upon application, a more definite and detailed statement shall be furnished.

(3) Opportunity shall be afforded all parties to respond and present evidence and argument on all issues involved.

(4) Unless precluded by law, informal disposition may be made of any contested case by stipulation, agreed settlement, consent order, or default.

(7) Findings of fact shall be based exclusively on the evidence and on matters officially noticed.

SECTION 48. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

(1) Irrelevant, immaterial, or unduly repetitious evidence shall be excluded. When necessary to ascertain facts not reasonably susceptible of proof under judicial rules of evidence, evidence not admissible thereunder may be admitted (except where precluded by statute) if it is of a type commonly relied upon by reasonably prudent men in the conduct of their affairs. Agencies shall give effect to the rules of privilege recognized by law. Objections to evidentiary offers may be made and shall be noted in the record. Subject to these requirements, when a hearing will be expedited and the interests of the parties will not be prejudiced substantially, any part of the evidence may be received in written form.

(2) Documentary evidence may be received in the form of copies or excerpts, if the original is not readily available. Upon request, parties shall be given an opportunity to compare the copy with the original.

(3) A party may conduct cross-examinations required for a full and true disclosure of the facts.

(4) Notice may be taken of generally recognized technical or scientific facts within the agency's specialized knowledge. Parties shall be notified either before or during the hearing, or by reference in preliminary reports or otherwise, of the material noticed, including any staff memoranda or data and they shall be afforded an opportunity to contest the material so noticed. The agency's experience, technical competence, and specialized knowledge may be utilized in the evaluation of the evidence.

SECTION 49. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

When in a contested case a majority of the members of the agency who are to render the decision have not heard the case or reviewed the record, the decision, if adverse to a party to the proceeding other than the agency itself, shall not be made until a proposal for decision is served upon the parties, and an opportunity is afforded to each party adversely affected to file exceptions and present briefs and oral argument to the officials who are to render the decision. The proposal for decision shall contain a statement of the reasons therefor and of each issue of fact or law necessary to the proposed decision, prepared by the person who conducted the hearing or one who has reviewed the record. The parties by written stipulation may waive compliance with this section.

SECTION 50. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

A decision or order adverse to a party in a contested case shall be in writing or stated in the record. A decision shall include findings of fact and conclusions of law, separately stated. Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts supporting the findings. If, in accordance with agency rules, a party submitted proposed findings of fact, the decision shall include a ruling upon each material proposed finding. Parties shall be served either personally or by mail with notice of any decision or order. Upon request a copy of the decision or order shall be delivered or mailed forthwith to each party and to his attorney of record. The date of service of notice of the decision shall be noted in the record and shall be the date of entry for the purpose of fixing the running of the time for appeal.

SECTION 51. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

Unless required for the disposition of ex parte matters authorized by law, members or employes of an agency assigned to render a decision or to make findings of fact and conclusions of law in a contested case shall not communicate, directly or indirectly, in connection with any issue of fact, with any person or party, nor, in connection with any issue of law, with any party or his representative, except upon notice and opportunity for all parties to participate. Any such communication shall be noted in the record. An agency member may communicate with other members of the agency, and may have the aid and advice of one or more personal assistants.

SECTION 52. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

(1) A party who has exhausted all administrative remedies available and who is aggrieved by a final decision in a contested case is entitled to judicial review. A preliminary, procedural, or intermediate agency action or ruling is immediately reviewable if review of the final decision would not provide an adequate remedy.

(2) Proceedings for review are instituted by filing a petition in the circuit court of the county in which the city is located within thirty (30) days after entry of the decision as defined in Section 50 of this Act. The agency and all adverse parties shall be made parties defendant and copies of the petition shall be served on them. Other parties may intervene in accordance with the rules of civil procedure.

(3) The filing of the petition does not itself stay enforcement of the agency decision. The agency may grant, or the reviewing court may order, a stay upon appropriate terms.

(4) Within thirty (30) days after the service of the petition, or within further time allowed by the court, the agency shall transmit to the reviewing court the original or a certified copy of the entire record of the proceeding under review. By stipulation of all parties to the review proceedings, the record may be shortened. A party unreasonably refusing to stipulate to limit the record may be taxed by the court for the additional costs. The court may require or permit subsequent corrections or additions to the record.

(5) If, before the date set for hearing, application is made to the court for leave to present additional evidence, and it is shown to the satisfaction of the court that the additional evidence is material and that there were good reasons for failure to present it in the proceeding before the agency, the court may order that the additional evidence be taken before the agency upon conditions determined by the court. The agency may modify its findings and decisions by reason of the additional evidence and shall file that evidence and any modifications, new findings, or decisions with the reviewing court.

(6) The review shall be conducted by the court without a jury and shall be confined to the record. In cases of alleged irregularities in procedure before the agency, not shown in the record, proof thereon may be taken in the court. The court, upon request, shall hear oral argument and receive written briefs.

(7) The court shall not substitute its judgment for that of the agency as to the weight of the evidence on questions of fact. The court may affirm the decision of the agency or remand the case for further proceedings. The court may reverse or modify the decision if substantial rights of the appellant have been prejudiced because the administrative findings, inferences, conclusions, or decisions are:

(a) In violation of law;
(b) In excess of the authority of the agency;
(c) Made upon unlawful procedure;
(d) Affected by other error of law;
(e) Clearly erroneous in view of the reliable, probative, and substantial evidence on the whole record; or
(f) Arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion.

SECTION 53. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

The city legislative body by ordinance may reduce or increase an administrative agency's powers and duties, or may transfer powers and duties from one agency to another. The city legislative body may discontinue an administrative agency by ordinance enacted not sooner than thirty (30) days following a public hearing on the proposal, notice of the time, place and purpose of which has been published pursuant to KRS Chapter 424.

SECTION 54. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

Administrative agencies subject to the provisions of this chapter but established under pre-existing law shall continue with the same powers and duties without the passage of an ordinance pursuant to Section 42 of this Act, until altered or discontinued as provided in Section 53 of this Act, except that such agencies shall promulgate or repromulgate rules in accordance with the provisions of Section 46 of this Act within two (2) years of the effective date of this Act. On that date all such agency rules which have not been repromulgated shall become ineffective.

The power to impose a tax also includes the power to provide for its administration.

(2) Taxes may be imposed by cities only by ordinance. The purpose for which each tax is imposed shall be specified in the ordinance and the revenue generated shall be expended for no other purpose than that for which the tax is imposed. Failure to specify the purpose of a tax shall render the ordinance invalid.

(3) Each city shall impose annually a separate tax levy sufficient to provide for the interest and amortization of each of its general obligation bond issues, and the money so provided shall be accounted for separately and not used for any other purpose.

(4) Cities may provide by ordinance for reasonable differences in the rate of ad valorem taxation within different areas of the same taxing district on that class of property which includes the surface of land. Those differences shall relate directly to differences between nonrevenue-producing governmental services and benefits giving the land urban character which are available in one (1) or several areas of a taxing district in contrast to other areas of the same taxing district in which those services and benefits are not available.

(5) Any city imposing a license fee or tax upon any insurance company for the privilege of engaging in the business of insurance shall file with the commissioner of insurance a copy of the ordinance which imposes the license fee or tax. Such license fee or tax shall be due at the beginning of the tax year.

(6) Nothing in this section shall be construed to repeal, amend or otherwise affect any statute specifying or limiting tax or fee rates, exempting property from local taxation, fixing a special rate on proper classification or imposing a state tax which is declared in lieu of all local taxation.

All procedures provided by KRS Chapter 134 concerning collection of delinquent taxes by counties shall be applicable.

(2) If a city does not elect to have city ad valorem taxes collected by the sheriff as provided in subsection (1) of this section, city ad valorem taxes shall be due and payable at the same time as state and county ad valorem taxes are due and payable, unless otherwise prescribed by ordinance or statute. The city shall establish by ordinance procedures for the collection of ad valorem taxes which shall specify the manner of billing, the place for payment, discounts, if any, for early payment, penalties and interest for late payment, and other necessary procedures related to ad valorem tax administration.

(3) In cities proceeding under subsection (2) of this section, ad valorem taxes upon real or personal property shall be delinquent if not paid by the date set by ordinance or statute. A lien superior to all other liens, except a lien for state taxes, whether such liens were acquired before or after the maturity of the taxes referred to in this section, shall exist in favor of the city from the date the taxes are due, for the amount of the taxes, interest and penalties, upon all the real and personal property of the delinquent taxpayer. The city may enforce the lien by action in the name of the city in the circuit court. (a) Assign responsibility for property assessments to an office of the city created under the provisions of Section 31 of this Act.

(b) Provide for a board of equalization and such procedures as are necessary to meet constitutional requirements for due process in any grievance or remedy sought by city taxpayers.

(c) Provide assessment procedures in such detail as necessary to fully safeguard any city ad valorem tax revenues, meet all constitutional requirements for property valuation, due process and equal protection under the law and to insure orderly administration of the assessment process.

(4) If a city elects to provide by ordinance for the assessment of property for ad valorem tax purposes by the city, appeals from the decisions of the city board of equalization shall be taken in the same manner as appeals from decisions of county boards of equalization.

(4) All other city officers and employes shall disclose any conflict of interest in writing to the executive authority of the city. The executive authority shall choose the officer or employe he deems to be most qualified to act in the matter in question or the executive authority may act itself, except an officer or employe disclosing a conflict of interest may be permitted to act in the matter in question if approved in writing by the executive authority.

The election shall be held under the general election laws.

(2) If two-thirds (2/3) of the votes cast on the question are in favor of incurring the indebtedness, the city legislative body may incur the indebtedness and issue bonds of the city, and shall by ordinance provide for the mode of creating and paying the indebtedness. The ordinance shall provide for the levy and collection of an annual tax upon all taxable property within the city, sufficient to pay the interest on the indebtedness and create a sinking fund for the payment of the principal within a period of not more than forty (40) years from the time of incurring the indebtedness. The annual tax shall be levied and collected at the same time as other taxes, and shall be in addition to all other taxes. The proceeds of the tax, when collected, shall be kept in the city treasury as a separate fund, to be inviolably appropriated to the payment of the principal and interest of the indebtedness.

(2) A city may borrow money and issue revenue bonds under Sections 67 to 79 of this Act pursuant to an ordinance, which shall set forth the proposed undertaking, the amount of the revenue bonds to be issued and the maximum rate of interest. In every instance the ordinance shall provide that the undertaking is being financed under the provisions of Sections 67 to 79 of this Act.

SECTION 68. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

(1) The bonds shall be executed in such manner, and be payable at such time not exceeding forty (40) years from date thereof and at such place or places as the city determines.

(2) The bonds may provide that they or any of them may be called for redemption prior to maturity, under conditions fixed by the city before issuing the bonds.

(3) Any city is authorized to rent or lease any portion of the undertaking to or contract concerning it with any person, partnership, association or corporation either public or private, profit or nonprofit. Notwithstanding any other laws, any such renting, leasing or contracting may be accomplished without the necessity of awarding the lease or contract by advertisement or competitive bidding, provided the city first makes a legislative determination that it is in the best interest of the city to enter into the lease or contract without the necessity for advertisement or competitive bidding; and the lease may provide that the lessee is permitted or obligated to sublease the undertaking or any portion thereof for the purpose of accomplishing the creation, improvement, revitalization, renewal or modernization of a central business or shopping community.

(4) A city is hereby empowered to accept donations or gifts to the undertaking from any source and to accept appropriations and grants to the public project from the federal government or any agency thereof and appropriations from the state or any county, city or other political subdivision and, at the option of the city to pledge such donations, gifts or appropriations to the payment of revenue bonds issued to finance the cost of the undertaking.

SECTION 69. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

Bonds issued pursuant to Sections 67 to 79 of this Act shall be negotiable and shall not be subject to taxation. If any officer whose signature or countersignature appears on the bonds or coupons ceases to be such officer before delivery of the bonds, his signature or countersignature shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until delivery. The bonds shall be sold in such a manner and upon such terms as the city deems best, or any contract for the acquisition of an undertaking may provide that payment shall be made in such bonds. The bonds shall be payable solely from the revenue derived from the undertaking or other revenue as provided in Section 70 of this Act and shall not constitute an indebtedness of the city within the meaning of the constitution. It shall be plainly stated on the face of each bond that it has been issued under the provisions of Sections 67 to 79 of this Act and that it does not constitute an indebtedness of the city within the meaning of the constitution.

SECTION 70. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

Prior to the issuance of the bonds, provision shall be made by ordinance for the creation of a separate and special fund or account of the city, identified as constituting the source of payment of principal and interest, and as provided by Section 73 of this Act, costs of maintenance, operation and depreciation. The fund shall by covenant be continued so long as any of the bonds remain outstanding and unpaid. By the provisions of the ordinance the city may pledge and covenant that it will cause to be set aside and deposited in the separate and special fund, moneys received from any or all of the following sources, subject to the following conditions and limitations:

(1) If the undertaking will produce direct revenues in the form of rents, royalties, fees, assessments, rates or charges of any character, including any payments to the city in lieu of property taxes, but not property taxes themselves, all or any portion therof may be so pledged; but it shall not be a condition or requirement in the issuance of revenue bonds that such revenues be anticipated at all, nor that they be sufficient in themselves to provide for the payment of principal and interest when scheduled to become due.

(2) If the undertaking in the opinion of the legislative body of the city will cause the project to produce no direct revenues, or to produce direct revenues insufficient to give acceptable assurance of payment of principal and interest when scheduled to become due, then:

(a) The city may pledge and covenant that it will cause to be deposited in the special fund any revenues under control of the legislative body which may be derived from any municipally owned and operated water, electric, gas, sewer or other utility system, or from any combination thereof, to the extent such revenues at the time may be or become surplus to the necessary costs of operating and maintaining such utility system or systems and surplus to any existing contractual commitments of the city to the holder or holders of outstanding revenue bonds payable from such revenues;

(b) If the legislative body of the city should make a legislative finding of fact, as recited in the body of the ordinance authorizing issuance of the bonds, that the undertaking is of such nature as to provide increased revenues to the city by reason of increased employment and resulting increased receipts from occupational license fees or occupational license taxes, then the city may pledge and covenant that it will cause to be deposited in the separate and special fund the receipts which may be definitely identified as accruing from such occupational license fees or taxes by reason of employment in or directly related to the undertaking, less a proportionate part of the costs of collecting such fees or taxes; and

(c) The city may pledge and covenant that it will cause to be deposited in the special fund any other specifically identified revenue of the city to the extent that the constitution permits.

(3) In the case of revenues originating from any of the sources and in the respective manners set forth in paragraphs (a), (b), and (c) of subsection (2) of this section, the city may covenant and pledge that such revenues, or a stipulated amount or portion thereof, will be set aside and deposited in the special fund when, as and if received; that as to any city-owned utility system, the revenues of which are pledged, the rate or schedule of rates prevailing at the time revenue bonds are issued will not be reduced so long as any of the bonds remain outstanding and unpaid, and in the case of a pledge of revenues of a city-owned utility system or combination of utility systems, that the city will not sell or otherwise dispose thereof without making provision for payment of the revenue bonds from the proceeds of such sale or other disposition, due regard being given to the priority of any previously issued bonds which are payable from such revenues.

SECTION 71. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

All money received from the bonds shall be applied solely for the acquisition, construction, maintenance or improvement of the undertaking and the necessary expense of preparing, printing and selling the bonds, or to advance the payment of the interest on the bonds during the first three (3) years following the date of the bonds, or to provide an initial debt service reserve; and the proceeds of the bonds may be supplemented by contributions from the issuing city or from any other source toward the cost of construction of the undertaking or toward the creation of a debt service reserve for the protection and benefit of the bondholders, or for any other purpose related to the financing of the acquisition and construction of the undertaking, and it may be further provided that any contribution made for the purpose of assisting in the initial establishment of a debt service reserve for the benefit and protection of the bondholders may be returned or reimbursed to the contributor thereof whenever other equivalent funds have been provided from the revenues of the undertaking or from any other source toward the establishment of the debt service reserve.

SECTION 72. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

(1) If there is any default in the payment of principal or interest of any bond, any court having jurisdiction of the action may appoint a receiver to administer the undertaking with power to charge and collect rents, royalties, fees, rates and charges and to receive any other available revenue sufficient to provide for the payment of any bonds or obligations outstanding against the undertaking and for the payment of operating expenses, and to apply the income and revenue in conformity with Sections 67 to 79 of this Act and the ordinance referred to in Section 67 of this Act.

(2) Notwithstanding any of the other provisions of Sections 67 to 79 of this Act, it may be provided in the proceedings authorizing bonds issued for the purpose of financing an undertaking that the city in connection with the issuance of its bonds, execute a mortgage deed of trust in favor of a trustee on property acquired or constructed through the application of the proceeds of the bonds, providing that in the event of default by the city in the payment of interest or principal of its bonds or in the event of default of any other covenant contained in such mortgage deed of trust the trustee, upon behalf of the bondholders, may institute and carry through foreclosure proceedings, with the property secured by the mortgage deed of trust put up for sale on foreclosure proceedings, the proceeds of the sale to be used for the benefit of the bondholders. In connection with such plan of financing, such provisions may be inserted in the bonds themselves and in the mortgage deed of trust.

SECTION 73. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

The ordinance prescribed by Section 70 of this Act shall definitely fix and determine the amount of revenue necessary to be set apart and applied to the payment of principal and interest of the bonds, and the proportion of the balance of the income and revenue to be set aside as a proper and adequate depreciation account, and the remaining proportion of such balance shall be set aside for the reasonable and proper operation and maintenance of the undertaking. The rents, royalties, fees, rates and charges for the services or sales of property of the undertaking shall be fixed and revised from time to time so as to be sufficient to provide for payment of interest upon all bonds, to amortize the principal, and to provide for operation, maintenance and depreciation.

SECTION 74. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

If a surplus is accumulated in the operating and maintenance accounts equal to the cost of maintaining and operating the undertaking during the remainder of the calendar, operating or fiscal year, and during the succeeding like year, any excess over such amount may be transferred at any time by the city to the depreciation account to be used for improvements, extensions or additions to the undertaking.

SECTION 75. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

The funds accumulating to the depreciation account shall be expended in balancing depreciation in the undertaking or in making new constructions, extensions or additions thereto. Any such accumulations may be invested as the governmental agency may designate, and if invested the income from such investment shall be carried into the depreciation account.

SECTION 76. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

The city may issue new bonds to provide funds for the payment of any outstanding bonds, in accordance with the procedure prescribed by Sections 67 to 79 of this Act. The new bonds shall be secured to the same extent and shall have the same source of payment as the bonds refunded.

If the city finds that the bonds authorized will be insufficient to accomplish the purpose desired, additional bonds may be authorized and issued in the same manner.

SECTION 78. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

Any city acquiring any undertaking pursuant to the provisions of Sections 67 to 79 of this Act may at the time of issuing the bonds for the acquisition, provide for additional bonds for extensions and permanent improvements to be placed in escrow and to be negotiated from time to time as proceeds for that purpose may be necessary. Bonds placed in escrow shall, when negotiated, have equal standing with bonds of the same issue.

SECTION 79. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

Any city may use, for the purpose of acquiring, constructing, maintaining, extending or improving an undertaking, or for the payment of interest or principal on any revenue bonds issued by the city pursuant to Sections 67 to 79 of this Act, any funds or tax revenues available for general purposes of the city and not required by law to be devoted to some other purpose.

SECTION 80. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

Sections 66 to 79 of this Act shall become applicable upon the effective date of this Act, except that if a city has begun negotiations and other procedures for issuance of bonds under statutes repealed by this Act, the issuance of the bonds shall be governed by those statutes until the retirement of the bonds.

(1) Within thirty (30) days of the mailing of the notice provided for in Section 86 of this Act, any affected property owner may file an action in the circuit court of the county, contesting the undertaking of the project by special assessment, the inclusion of his property in the project, or the amount of his assessment. If the action contests the undertaking of the improvement by the special assessment method or the inclusion of the property of that property owner, no further action on the improvement insofar as it relates to any property owner who is a plaintiff shall be taken until the final judgment has been entered.

(2) The city may proceed with the improvement with respect to any properties whose owners have not filed or joined in an action as provided in this section or who have contested only the amounts of their assessments, and the provisions of the resolution shall be final and binding with respect to such property owners except as to contested amounts of assessments. (2) The provisions of Sections 108 to 116 of this Act are independent of and do not affect the laws governing the police and fire departments, nor their pension funds.

SECTION 107. A NEW SECTION OF KRS CHAPTER 90 IS CREATED TO READ AS FOLLOWS:

A city of the second or third class or urban-county government may by ordinance establish a personnel management unit charged with personnel matters. In the event such a unit is established, the city or urban-county government shall by ordinance delegate to the unit, in addition to its regular functions not related to this statute, the initial performance of all or a part of the functions described as functions of the commission in Sections 108 to 110 and 112 of this Act, but no other sections hereof, except that in any event the decisions of the unit shall be subject to review, amendment or change by the commission. SECTION 108. A NEW SECTION OF KRS CHAPTER 90 IS CREATED TO READ AS FOLLOWS:

(1) Any city of the second or third class adopting a civil service system and any urban-county government shall operate under Sections 108 to 116 of this Act and, by ordinance, create a civil service commission, which shall hold such nondiscriminatory, open examinations or evaluations to determine the relative fitness of applicants for municipal employment within the city or urban-county government as are designated by ordinance. The city or urban-county government shall, by ordinance, create civil service classifications for all employes consistent with the actual work to be performed by such employes.

(2) The mayor, subject to the approval of the legislative body, shall appoint five (5) persons who shall constitute the civil service commission of that city or urban-county government. No appointee shall be related by either blood or marriage to the mayor or any member of the legislative body. The appointees shall originally be appointed, two (2) for a term of two (2) years and three (3) for a term of four (4) years, and the successors to these appointees shall be appointed in like manner, each for a period of four (4) years and until his successor is appointed and qualified. A vacancy shall be filled for the unexpired term in the same manner as original appointments. There shall be chosen by the commission a secretary of the commission. The secretary shall be an employe of the city or urban-county government who is covered by the provisions of Sections 107 to 116 of this Act. Each appointee shall qualify by taking an oath of office as required by law. The salaries, if any, of the members of the commission may be fixed by the legislative body.

(3) If the mayor fails to appoint a civil service commission within ninety (90) days after he has the power to so appoint or after a vacancy exists, the officer who presides in the absence of the mayor, however designated, shall make the appointment and the appointee shall hold office until the expiration of the term and until his successor is appointed and qualified.

(4) The civil service commission shall make and enforce nondiscriminatory rules, not inconsistent with the provisions of Sections 107 to 116 of this Act, for examinations and registrations therefor.

SECTION 109. A NEW SECTION OF KRS CHAPTER 90 IS CREATED TO READ AS FOLLOWS:

(1) The civil service commission shall prescribe and propound such examinations as are proper, commensurate with vacant positions within the various departments of the city or urban-county government, according to classifications prescribed by ordinance; shall set such times and places for holding examinations as may be proper; shall give public notice of vacancies by publication pursuant to KRS Chapter 424; and shall give actual notice to all eligible applicants of time and place of examinations. The civil service commission may prescribe and propound job descriptions which reasonably establish minimum qualifications and standards for eligibility to take such examinations, but in no event shall such job descriptions be a subterfuge for the evasion of the requirement that employment be determined on the basis of the principles set out herein.

(2) The civil service commission shall, as soon after examinations as is practicable, certify to the appointing authority a list of the eligible applicants. After the compilation of such a list the commission may provide for further, substantially identical examinations, given on the same basis as the original examinations, to supplement the list so compiled, and the results of each such subsequent examination shall be consolidated with the results of the prior examinations to provide an eligible list from among all of those who have taken such examinations.

(3) Every soldier, sailor, marine, member of the air force, army nurse, member of any other branch of military service or Red Cross nurse who served during a period of hostilities between the United States and another power in World War II or the Korean or Vietnam conflict who has not been dishonorably discharged and who is an applicant for any position of civil service of a city or urban-county government shall be entitled to five percent (5%) increase on his examination mark on entrance into civil service employment.

(4) The civil service commission shall certify an eligible list for each position to be filled upon notification by the appointing authority that a vacancy exists.

(5) The legislative body may designate certain civil service positions and prescribe that for such positions the examinations shall first be given exclusively to current employes; provided, however, that if no employe with a minimum of six (6) months seniority achieves a passing grade, an examination shall be held in accordance with subsection (1) of this section.

SECTION 110. A NEW SECTION OF KRS CHAPTER 90 IS CREATED TO READ AS FOLLOWS:

The civil service commission shall examine all eligible applicants who have been certified and tentatively selected for employment as to their physical and mental qualification for the particular classification wherein they seek employment.

SECTION 111. A NEW SECTION OF KRS CHAPTER 90 IS CREATED TO READ AS FOLLOWS:

Employes, who at the time the provisions of Section 108 to 116 of this Act become applicable have been in the employ of the city or the urban-county government, or any city or county or other municipality merged into such urban-county government, (a) for six (6) months last past or (b) having been employed after taking a merit system examination, shall not be required to stand an original examination, and shall be eligible for all the benefits provided by Sections 108 to 116 of this Act.

SECTION 112. A NEW SECTION OF KRS CHAPTER 90 IS CREATED TO READ AS FOLLOWS:

(1) The appointing authority shall make all civil service appointments, and the appointments shall be made only from the list of eligible applicants certified by the civil service commission.

(2) Whenever it is imperative to fill a vacancy in classified civil service before the commission can certify a list of persons eligible for appointment after competitive examination, the appointing authority shall nominate a competent person from the same class or next lower rank to the commission and if certified by the commission as qualified he may be appointed temporarily to fill the vacancy until an appointment can be made after competitive examination. Temporary appointments hereunder and under subsection (3) of this section shall continue only until a regular appointment can be made from the eligible list prepared by the commission.

(3) In the circumstances described in subsection (2) of this section, when no one on the eligible list, or by promotion from the same class or the next lower rank is available, competent and qualified, a temporary appointment may be made by the appointing authority without examination. In no case shall appointment hereunder or under subsection (2) of this section continue longer than ninety (90) days without the approval of the legislative body. Upon a statement of the reasons, the legislative body may extend the length of such a temporary appointment for a maximum of two (2) additional ninety (90) day periods.

(4) Where the service to be rendered by an appointee in the classified service is for a temporary period as provided herein, the appointing authority shall select for that temporary service a person on the list of those eligible for permanent appointment, if such person accepts such appointment. Successive temporary appointments to the same position shall not be made under this provision. The acceptance or refusal by an eligible applicant of a temporary appointment shall not affect his standing on the register for permanent employment, nor shall temporary service be counted as part of the probationary service in case of subsequent appointment to a permanent position.

(5) Temporary appointments made by reason of these provisions, made necessary by reason of illness or disability of regular employes, may continue during such period of disability, but shall continue only during such period of disability and in no case longer than nine (9) months. No other temporary appointments other than those provided for herein may be made, except that seasonal appointments may be made for periods not in excess of six (6) months.

(6) Seniority in the level or rank of employment in which the vacancy occurs, and seniority in the level or rank of employment nearest the level or rank in which the vacancy occurs shall each be given material consideration in filling such vacancies as shall occur in the classified civil service. Within six (6) months after adoption of a civil service system by a city of the second or third class, or within six (6) months after the effective date of an urban-county government, there shall be established by ordinance (if not delegated to the commission, or to the personnel management unit charged with personnel matters subject to the control of the commission) a plan which in definite terms complies with this subsection. The plan may be amended from time to time in accordance with the ordinance, but the effective date of any alteration therein shall be no sooner than one hundred eighty (180) days after its adoption. The plan shall provide for and describe in reasonable detail the circumstances, if any, under which the seniority described therein shall be the sole criteria for

promotion, and the circumstances in which it will not, and in the latter case, shall provide a reasonably definite method by which applicants shall be entitled to an increase on their examination or evaluation scores by reason of seniority, the relative importance of each type of seniority in the determination, and the percentage increase in the scores for seniority. The circuit court of the county in which the city or urban-county government is located shall have jurisdiction to determine the reasonableness of the plan and alterations thereto and its compliance with the principles set out in this subsection.

(7) In case of vacancy in the classified service, where peculiar and exceptional qualifications of a particular professional or educational character are required, upon satisfactory reasons stated in writing by the appointing authority the commission may suspend the provisions requiring competitive examination under civil service.

SECTION 113. A NEW SECTION OF KRS CHAPTER 90 IS CREATED TO READ AS FOLLOWS:

(1) No employe in the classified service of a city of the second or third class or urban-county government, after serving a probationary period provided by ordinance for his class, which shall not be less than six (6) nor more than twelve (12) months, shall be dismissed, suspended or reduced in grade or pay for any reason except inefficiency, misconduct, insubordination or violation of law.

(2) Any person may prefer charges in writing against any employe by filing them with the civil service commission. The charges must be signed by the person making them and must set out clearly each charge. Upon the filing of charges the secretary of the civil service commission shall notify its members and serve a copy of the charges upon the accused employe with a statement of the date, place and hour at which the hearing of charges will begin. The hearing shall be held within ten (10) days of the date of the service of charges upon the accused employe, unless all the parties agree in writing otherwise.

(3) The hearing shall be conducted and the record maintained in the manner prescribed in Sections 47 to 51 of this Act.

(4) In cases where the head of the department or executive unit or the appointing authority has probable cause to believe an employe has been guilty of conduct justifying his removal or punishment he may immediately suspend that employe from duty or from both pay and duty pending a hearing and the employe shall not be placed on duty or allowed pay thereafter until the charges are heard by the civil service commission.

(5) The civil service commission shall punish any employe found guilty by reprimand or a suspension for any length of time not to exceed six (6) months, or by reducing the grade, if the employe's classification warrants, or by combining any two (2) or more of these punishments, or by dismissal. No employe shall be reprimanded, removed, suspended or dismissed except as provided in this section

(6) Irrespective of the other provisions of Sections 108 to 116 of this Act, an employe may be suspended by the head of the executive unit in which he is employed, or by the appointing authority, but only as provided by ordinance, for a period not exceeding thirty (30) days in any twelve (12) month period, and may be reprimanded by such head or authority not more than twice in any twelve (12) month period. In such event, the actions of the head or appointing authority shall be subject to appeal to the commission. The appeal shall be filed with the secretary of the commission within ten (10) days of the action of the unit head or appointing authority, and may be reviewed, reduced or revoked by the commission after a hearing in which the unit head or appointing authority shall have reasonable opportunity under rules established by the commission to support his charges. The grounds of suspension or reprimand under this subsection shall be only those set out by ordinance. The commission shall, in the event it finds that the unit head or appointing officer acted in error, take necessary action to compensate the appealing employe for the error including removal of a reprimand from the employe's file or reinstatement with retroactive pay for any period of suspension. An appeal by an employe under this subsection shall suspend the operation of the action of the unit head or appointing authority pending action of the commission.

(7) Nothing herein shall prevent the city or urban-county government from providing additional remedies and rights to employes by ordinance.

SECTION 114. A NEW SECTION OF KRS CHAPTER 90 IS CREATED TO READ AS FOLLOWS:

(1) Any employe found guilty by the civil service commission of any charge as provided by Section 113 of this Act or whose discipline under subsection (6) of that section has been upheld by the commission may appeal to the circuit court of the county in which the city or urban-county government is located within thirty (30) days after such action becomes final, but the enforcement of the decision of the civil service commission shall not be suspended pending appeal.

(2) An appeal brought under subsection (1) shall be heard in the same manner as prescribed in Section 52 of this Act.

SECTION 115. A NEW SECTION OF KRS CHAPTER 90 IS CREATED TO READ AS FOLLOWS:

(1) The legislative body shall fix by ordinance the number and classification of employes, and the

salaries for each classification. When the number of employes and their classification has been fixed by ordinance, including any ordinance of a city or other municipality existing prior to the adoption of the urban-county form of government, which prior ordinance is adopted for any period of time by the urban-county government, no employe shall be dismissed, suspended or reduced in grade or pay for any reason except that set out in Section 113 of this Act.

(2) Provided, further, that whenever in the exercise of a reasonable discretion, it shall be the judgment of the legislative body that economic necessity requires it, or that there is no longer a need for a particular office or position to exist, the legislative body may abolish the office or position and any officer or employe occupying the office or position may be laid off or suspended, until and if the office or position is recreated or reestablished. The abolition of any office or position must not be a subterfuge to effect another purpose, but must be actual and bona fide and must not amount to the mere alteration, modification or abolition of title only.

(3) Any officer or employe aggrieved by the abolition or the proposed abolition of an office or position may at any time within ninety (90) days file a petition in the circuit court of the county wherein the city or urban-county government is located, stating his reason why it should not be abolished, and upon issue joined thereon by the city or urban-county government, the burden shall be on the latter to establish the necessity for and the good faith of the city or urban-county government in abolishing the office or position. The right to abolish and the right to have the office or position recreated shall be determined as other equitable actions are determined.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF SUBTITLE 32 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Any private employer doing business in this state who provides for his employes on a self-insured basis, hospital or surgical benefits, other than for specific diseases or accidental injury only, shall purchase a conversion health insurance policy. Upon the termination of the employment of any employe who has been continuously employed for not less than six months immediately preceding the termination, the employe shall be entitled to have issued to him by the insurer, without evidence of insurability, a health insurance policy on a form then available for conversion from the health benefit plan provided by the employer by making written application therefor, accompanied by the first quarterly, semi-annual or annual premium, at the option of the employe to the employer not later than thirty-one days after such termination.

(2) The individual health insurance policy available as provided in subsection (1) shall cover the employe and his dependents for whom the employer provided health or surgical benefits on the date the employment was terminated. The effective date of any such individual policy shall be the date of the termination of the employment.

(3) The employe shall not be entitled to be issued a converted policy upon termination of employment if he is or could be covered by Medicare (Title XVIII of the United States Social Security Act as added by the Social Security Amendments of 1965 or as later amended or superseded). Furthermore, the employe shall not be entitled to be issued a converted policy if (a) such person is covered for similar benefits by another hospital or surgical or medical expense insurance policy or hospital or medical service subscriber contract or medical practice or other prepayment plan or by any other plan or program or (b) similar benefits are provided for, or are available to, such person pursuant to, or in accordance with the requirements of any statute, and the benefits provided or available under any of the sources referred to in (a) and (b) above for such employe, together with the converted policy, would result in over insurance according to the employer's standards relating to policies converted from the hospital or surgical benefits provided by the employer.

(4) The surviving spouse, at the death of an employe, shall be entitled to be issued a converted policy with respect to the spouse and such children whose coverage under the employer's hospital or surgical benefits terminates by reason of the death of an employe.

(5) If an employe or employe's spouse becomes entitled to obtain a converted policy pursuant to the foregoing provisions, and if such person has not been given written notice of the existence of the conversion privilege stated above, within 31 days of termination of the group coverage, then in such event the person shall have an additional period within which to exercise the conversion privilege. This additional period shall expire 15 days after the person shall have been given said notice but in no event shall the additional period extend beyond 60 days after the expiration of the 31-day conversion period stated above. Written notice presented to the person or mailed by the employer to the last known address of the person or mailed by the insurer to the last known address of the person as furnished by the employer shall constitute the giving of notice for the purpose of this paragraph. If an additional period is allowed the person for exercise of the conversion privilege as provided herein, and if written application for the converted policy, accompanied by the first quarterly or semiannual or annual premium, is made after the expiration of the 31-day conversion period stated above, but within the additional period allowed an employe or spouse in accordance with this paragraph, the effective date of the converted policy shall be the date of termination of employment.

SECTION 2. A NEW SECTION OF SUBTITLE 32 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(c) Surgical operation expense benefits according to a relative value schedule, or a minimum of $250.

(2) The relative values in the surgical schedule shall be consistent with the Schedule of Operations generally offered by the insurer under group or individual health insurance policies. In the event that the insurer and the employer agree upon one or more additional plans of benefits to be available for converted policies, the applicant for the converted policy may, at his option, elect such a plan in lieu of a converted policy providing the benefits of (a), (b) and (c) in subsection (1). In no event shall the benefits be less than the minimums set forth in subsection (1) of this section.

(3) In no event need the insurer provide under the converted policy: (a) benefits on account of pregnancy, childbirth, miscarriage, abortion, or complications of any thereof, (b) the benefits of (a) and (b) of subsection (1) above, unless the group policy from which conversion is made provided hospital expense insurance benefits, or (c) the benefits of (c) of subsection (1) above, unless the group policy provided surgical expense insurance benefits. Furthermore, the converted policy may contain any exclusion, reduction, or limitation contained in the group policy and any exclusion, reduction or limitation customarily used in individual policies issued by the insurer. With respect to any person who was covered by the group policy, the period specified in the Time Limit on Certain Defenses of the Incontestable provision of the converted policy shall commence with the date the insurance on such person or member became effective under the group policy.

(4) The converted policy may provide that any hospital, surgical, or medical expense benefits otherwise payable thereunder with respect to any person covered thereunder may be reduced by the amount of any such benefits payable under the group policy for the same loss with respect to such person after termination of such person's coverage thereunder. The insurer shall not be entitled to use deterioration of health as the basis for refusing to renew a converted policy. The converted policy may provide for termination of coverage thereunder on any person when he is or could be covered by Medicare (Title XVIII of the United States Social Security Act as added by the Social Security Amendments of 1965 or as later amended or superseded).

(5) A converted policy may include a provision whereby the insurer may request information in advance of any premium due date of such policy of any person covered thereunder as to whether (a) he is covered for similar benefits by another hospital, surgical or medical expense insurance policy or hospital or medical service subscriber contract or medical practice or other prepayment plan or by any other plan or program or (b) similar benefits are provided for, or available to, such person pursuant to, or in accordance with the requirements of, any statute. If any such person is so covered or such statutory benefits are provided or available, and such person fails to furnish the insurer the details of such coverage within thirty-one days after the date of such request, the benefits payable under the converted policy may be based on the hospital or surgical or medical expenses actually incurred after excluding expenses to the extent of the amount of benefits provided or available therefor from any of the sources referred to in (a) and (b) above. A converted policy may contain any provisions permitted herein and may also include any other provisions not expressly prohibited by law; and any provision required to be permitted herein may be made a part of any such policy by means of an endorsement or rider.

HB 481, AN ACT to establish a legal professional liability joint underwriting association.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. KRS CHAPTER 304, SUBTITLE 40,IS ESTABLISHED AND A NEW SECTION THEREOF IS CREATED TO READ AS FOLLOWS:

The declaration of legislative policy of this Act is as follows:

It is hereby declared by the general assembly of the Commonwealth of Kentucky that the availability of legal professional liability insurance for attorneys at law is a necessity; and without such insurance, legal services may be severely curtailed; and that while the need for such insurance is increasing, the supply is not adequate and is likely to become less adequate in the future; and that present plans to provide adequate legal professional liability insurance in Kentucky have not been sufficient to meet the needs of our citizens. It is further declared that the Commonwealth has an obligation to provide an equitable method whereby every insurer licensed to write personal liability insurance in Kentucky be required to meet this market demand. It is the purpose of this article to define this obligation and provide a mandatory program to assure an adequate supply of legal professional liability insurance coverage in the Commonwealth of Kentucky.

SECTION 2. A NEW SECTION OF KRS CHAPTER 304, SUBTITLE 40, IS CREATED TO READ AS FOLLOWS:

As used in this Act:

Every such insurer shall remain a member of the Joint Underwriting Association as a condition of its authority to continue to transact such kinds of insurance in the Commonweatlh.

(2) The implementation of the operation of the Joint Underwriting Association shall become effective upon the order of the commissioner. The commissioner shall not order the association to commence underwriting operations until he, after due hearing and investigation, has determined that legal professional

laibility insurance cannot be made available in the voluntary market. The Joint Underwriting Association shall remain in effect for a period of no longer than two and one-half (2 1/2) years from the date that it commences underwriting operations.

This Act shall not preclude any attorney at law from procuring legal professional liability insurance from the voluntary market.

If the commissioner determines at any time that legal professional liability insurance is readily available in the voluntary market, the association shall thereby cease its underwriting operations.

(3) The association shall, pursuant to the provisions of this Act and the plan of operation with respect to legal professional liability insurance, have the power on behalf of its members:

(a) To issue, or to cause to be issued, policies of insurance to applicants, including incidental coverages and subject to limitations as specified in the plan of operation, but not to exceed five hundred thousand dollars ($500,000) for each claimant under one (1) policy and one $1 million ($1,000,000) for all claimants under one (1) policy in any one (1) year;

(b) To underwrite such insurance and to adjust and pay losses with respect thereto, or to appoint service companies to perform those functions;

(c) To assume reinsurance from its members;

(d) To cede reinsurance; and

(e) To negotiate and obtain in the voluntary market legal professional liability insurance with limits in excess of the foregoing limits for any attorney at law to whom the association has issued or caused to be issued a policy of legal professional liability insurance.

SECTION 4. A NEW SECTION OF KRS CHAPTER 304, SUBTITLE 40, IS CREATED TO READ AS FOLLOWS:

(1) Within forty-five (45) days following the order of the commissioner implementing the operation of the association, the directors of the association shall submit to the commissioner for his review a proposed plan of operation, consistent with the provisions of this chapter.

(2) The plan of operation shall provide for economic, fair, and non-discriminatory administration and for the prompt and efficient provision of legal professional liability insurance; and shall contain other provisions including, but not limited to, preliminary assessment of all members for initial expenses necessary to commence operations, establishment of necessary facilities, management of the association, assessment of members to defray losses and expenses, commission arrangements, reasonable and objective underwriting standards, acceptance and cession of reinsurance, appointment of servicing carriers or other servicing arrangements and procedures for determining amounts of insurance to be provided by the association.

(3) The plan of operation shall be subject to approval by the commissioner after consultation with the members of the association, representatives of the public, and other affected individuals and organizations. If the commissioner disapproves all or any part of the proposed plan of operation, the directors shall within fifteen (15) days submit for review an appropriate revised plan of operation or part thereof. If the directors fail to do so, the commissioner shall promulgate a plan of operation or part thereof, as the case may be. The plan of operation approved or promulgated by the commissioner shall become effective upon order of the commissioner.

(4) Amendments to the plan of operation may be made by the directors of the association, subject to the approval of the commissioner, or shall be made at the direction of the commissioner.

SECTION 5. A NEW SECTION OF KRS CHAPTER 304, SUBTITLE 40, IS CREATED TO READ AS FOLLOWS:

(1) All policies issued by the association shall be written for the term of one year. The directors of the association may elect to issue policies on an occurrence basis or a claims made basis. No policy form shall be used by the association unless it has been filed with the commissioner and either (a) he has approved it, or (b) thirty (30) days has lapsed and he has not disapproved it in accordance with KRS Chapter 304, subtitle 14.

(2) Cancellation of the association's policies shall be governed by the laws and regulations governing the cancellation of other policies of casualty insurance, except that the association may also cancel any of its policies in the event of nonpayment of any stabilization reserve fund charge, by mailing or delivering to the insured at the address shown on the policy, written notice stating when not less than ten (10) days thereafter cancellation shall be effective.

(3) The rates, rating plan, rating rules, rating classifications and territories applicable to the insurance written by the association and statistics relating thereto shall be subject to KRS Chapter 304, subtitle 13, giving due consideration to the past and prospective loss and expense experience for legal professional liability insurance written and to be written in this state, trends in the frequency and severity of losses, the investment income of the association, and such other information as the commissioner may require. All rates shall be on an actuarially sound basis, giving due consideration to the group retrospective rating plan and the stabilization reserve fund, and shall be calculated to be self-supporting. The commissioner shall make available to the

association the loss and expense experience of insurers previously writing legal professional liability insurance in this state.

(4) All policies issued by the association shall be subject to a nonprofit group retrospective rating plan to be approved by the commissioner, under which the final premium for all policyholders of the association as a group will be equal to the administrative expenses, loss and loss adjustment expenses and taxes, plus a reasonable allowance for contingencies and servicing. Policyholders shall be given full credit for all investment income, net of expenses and a reasonable management fee on policyholder supplied funds. The standard premium before retrospective adjustment for each policy issued by the association shall be established on the basis of the association's rates, rating plans, rating rules, rating classifications, and territories then in effect. The maximum final premium for all policyholders of the association as a group shall be limited as provided in subsection (4) of Section 6 of this Act. Since the business of the association is subject to the nonprofit group retrospective rating plan required by this subsection, there shall be a presumption that the rates filed and premiums for the business of the association are not excessive.

(5) The commissioner shall examine the business of the association as often as he deems appropriate to assure that the group retrospective rating plan is being operated in a manner consistent with this section. If he finds that it is not being so operated, he shall issue an order to the association, specifying in what respects its operation is deficient and stating what corrective action shall be taken.

(6) The association shall certify to the commissioner the estimated amount of any deficit remaining after the stabilization reserve fund has been exhausted in payment of the maximum final premium for all policyholders of the association. Within sixty (60) days after such certification, the commissioner shall authorize the members of the association to commence recoupment of their respective shares of the deficit by applying a surcharge to be determined by the association at a rate not to exceed two percent (2%) of the annual premiums on future policies affording those kinds of insurance which form the basis for their participation in the association under procedures established by the association. The association shall amend the amount of its certification of deficit to the commissioner as the values of its incurred losses become finalized, and the members of the association shall amend their recoupment procedure accordingly.

(7) In the event that sufficient funds are not available for the sound financial operation of the association, pending recoupment as provided in subsection (6) of this section, all members shall, on a temporary basis, contribute to the financial requirements of the association in the manner provided for in Section 8 of this Act. Any such contribution shall be reimbursed to the members by recoupment as provided in subsection (6) of this section.

SECTION 6. A NEW SECTION OF KRS CHAPTER 304, SUBTITLE 40, IS CREATED TO READ AS FOLLOWS:

(1) There is hereby created a stabilization reserve fund which shall be administered by three (3) directors, one (1) of whom shall be the commissioner or his deputy. The remaining two (2) directors shall be appointed by the commissioner. ONe (1) shall be a representative of the association; the other a representative of its policyholders. The directors shall serve without salary, but shall be reimbursed for actual and necessary expenses incurred in the performance of their duties when approved by the commissioner.

(2) Each policyholder shall pay to the association a stabilization reserve fund charge equal to one-third of each premium payment due for insurance through the association. Such charge shall be separately stated in the policy. The association shall cancel the policy of any policyholder who fails to pay the stabilization reserve fund charge.

(3) The association shall promptly pay to the trustee of the fund all stabilization reserve fund charges which it collects from its policyholders and any retrospective premium refunds payable under the group retrospective rating plan authorized by this Act.

(4) All monies received by the fund shall be held in trust by a corporate trustee selected by the directors. The trustee may invest the trust fund, subject to the approval of the directors. All investment income shall be credited to the fund. All expenses of administration of the fund shall be charged against the fund. The trust fund shall be used solely for the purpose of discharging when due any retrospective premium charges payable by policyholders of the association under the group retrospective rating plan authorized by this Act. Payment of retrospective premium charges shall be made by the directors upon certification to them by the association of the amount due. If the trust fund is finally exhausted in payment of retrospective premium charges, all liability and obligations of the association's policyholders with respect to the payment of retrospective premium charges shall thereupon terminate and shall be conclusively presumed to have been discharged. Any monies remaining in the fund after all such retrospective premium charges have been paid shall be returned to policyholders under procedures authorized by the directors.

SECTION 7. A NEW SECTION OF KRS CHAPTER 304, SUBTITLE 40, IS CREATED TO READ AS FOLLOWS:

(1) Any attorney at law shall, on or after the effective date of the plan of operation, be entitled to apply

to the association for legal professional liability insurance coverage. Such application may be made on behalf of an applicant by an agent authorized by the applicant.

(2) If the association determines that the applicant meets the underwriting standards of the association as prescribed in the plan of operation and there is no unpaid, uncontested premium due from the applicant for prior insurance, then the association, upon receipt of the premium or such portion thereof as is prescribed in the plan of operation, shall cause to be issued a policy of legal professional liability insurance.

SECTION 8. A NEW SECTION OF KRS CHAPTER 304, SUBTITLE 40, IS CREATED TO READ AS FOLLOWS:

All insurers which are members of the association shall participate in its writings, expenses, servicing, allowance, management fees, and losses in the proportion that the net direct premiums of each such member, excluding that portion of premiums attributable to the operation of the association, written during the preceding calendar year, bears to the aggregate net direct premiums written in this state by all members of the association. Each insurer's participation in the association shall be determined annually on the basis of such net direct premiums written during the preceding calendar year, as reported in the annual statements and other reports filed by the insurer with the commissioner.

SECTION 9. A NEW SECTION OF KRS CHAPTER 304, SUBTITLE 40, IS CREATED TO READ AS FOLLOWS:

The association shall be governed by a board of thirteen (13) directors. Five (5) directors shall be elected by the insurance companies which are members of the association, at a meeting of the member companies at a time and place designated by the commissioner, by cumulative voting of the member companies, whose vote shall be weighted in accordance with each member's net direct premiums written during the preceding calendar year. One (1) of these five (5) directors shall be from a member company domiciled in Kentucky. The commissioner shall appoint seven (7) directors, one (1) named by the Kentucky medical association; one (1) named by the Kentucky bar association; one (1) named by the Kentucky hospital association; one (1) who is a licensed resident property and casualty agent in Kentucky; and three (3) knowledgeable members of the public at large, who have no interest in any of the foregoing categories. (1) [In counties other than counties containing cities of the first class] Any officer or employe may be removed, suspended, laid off, reduced in grade, or fined by the chief for any cause which will promote the efficiency of the service, but before any such action is taken by the chief against any officer or employe, the chief shall furnish the officer or employe concerned with a written statement of the reasons why the described

action is taken. The officer or employe may be reduced, removed, suspended, laid off or fined from the date when such written statement of reasons is served upon him. Each officer or employe removed, suspended, laid off, reduced in grade, or fined, shall be allowed a period of ten (10) days within which he may file written answer to the charges and reasons which caused his suspension, removal, reduction or fine, which shall be made a part of the official records of the police department. No trial or examination of witnesses shall be required in any such case except in the discretion of the chief. The chief shall likewise furnish a copy of the written charges and reasons for his action to the board.

(2) [(a) In counties containing cities of the first class the chief of police may suspend an officer for whatever reason the chief deems will promote the efficiency of the service; however, at the time of said suspension the chief must present, in writing to the suspended officer, a copy of the charges against him. The board shall meet within a period of sixty (60) days from the date that the officer is so charged and suspended and determine what appropriate penalty, if any, shall be given to said officer. An officer who does not desire a hearing before the board shall file, with the board, a letter so stating.

(b) In counties containing cities of the first class] Any citizen who makes written charges of misconduct, under oath, concerning the actions of any police officer hereunder shall present the charges to the chief of police, who shall investigate said charges. The chief of police shall determine what action, if any, shall be taken against the officer, subject to the limitations set out in this chapter. The citizen may appeal the determination of the chief of police to the board.

Section 2. KRS 78.455 is amended to read as follows:

In all cases provided for in KRS 78.445 and 78.450, the action of the chief or of the board shall be final except in the following cases:

(2)(a) [In all counties, including counties containing cities of the first class,] Every action in the nature of a dismissal, suspension, reduction or fine made by the board shall be final, except that any person aggrieved thereby may, within twenty (20) days after the rendition of such action, appeal to the circuit court of the county in which the board meets. The board shall be named respondent as the county police force merit board, and service shall be had on the chairman thereof. The appeal taken to the circuit court shall be docketed by the clerk thereof as a civil action and shall be tried anew, as if no action had been rendered by the board.

(b) The judgment of the circuit court shall be subject to appeal to the Court of Appeals. The procedure as to appeal to the Court of Appeals shall be the same as in civil action.

Section 3. KRS 278.015 is amended to read as follows:

Notwithstanding any of the provisions of KRS chapter 74 any water district, combined water [, gas] or sewer district, or water commission shall be a *non-energy* [public] utility and shall be subject to the jurisdiction of the *utility* [public service] commission in the same manner and to the same extent as any other *non-energy* utility as defined in KRS 278.010.

Section 4. KRS 278.017 is amended to read as follows:

(1) Except as otherwise provided in this section, the boundaries of the certified territory of each retail electric supplier are hereby set as a line or lines substantially equidistant between its existing distribution lines and the nearest existing distribution lines of any other retail electric supplier in every direction, with the result that there is hereby certified to each retail electric supplier such area which in its entirety is located substantially in closer proximity to one of its existing distribution lines than to the nearest existing distribution line of any other retail electric supplier.

(2) On or before one hundred twenty (120) days after June 16, 1972, or, when requested in writing by a retail electric supplier and for good cause shown, such further time as the *energy* commission may fix by order, each retail electric supplier shall file with the commission a map or maps showing all of its existing distribution lines. The commission shall prepare or cause to be prepared within one hundred twenty (120) days thereafter a map or maps of uniform scale to show, accurately and clearly, the boundaries of the certified territory of each retail electric supplier as established under subsection (1) of this section, and shall issue such map or maps of certified territory to each retail electric supplier. Any retail electric supplier who feels itself aggrieved by reason of a certification of territory pursuant to this section may protest the certification of territory within a one hundred twenty-day period after issuance of the map of certified territory by the commission; and the commission shall have the power, after hearing, to revise or vacate such certified territories or portions thereof.

(3) In such hearing, the commission shall be guided by the following conditions as they existed on June 16, 1972:

(a) The proximity of existing distribution lines to such certified territory.

(b) Which supplier was first furnishing retail electric service, and the age of existing facilities in the area.

(c) The adequacy and dependability of existing distribution lines to provide dependable, high quality retail electric service at reasonable costs.

(d) The elimination and prevention of duplication of electric lines and facilities supplying such territory. In its determination of such protest, the commission hearing shall be de novo; and neither supplier shall bear the burden of proof.

(4) In each area, where the commission shall determine that the existing distribution lines of two or more retail electric suppliers are so intertwined or located that subsection (1) of this section cannot reasonably be applied, the commission shall, after hearing, certify the service territory or territories for the retail electric suppliers under the provisions of subsection (3) of this section.

Section 5. KRS 278.018 is amended to read as follows:

(1) Except as otherwise provided herein, each retail electric supplier shall have the exclusive right to furnish retail electric service to all electric-consuming facilities located within its certified territory, and shall not furnish, make available, render or extend its retail electric service to a consumer for use in electric-consuming facilities located within the certified territory of another retail electric supplier; provided that any retail electric supplier may extend its facilities through the certified territory of another retail electric supplier, if such extension is necessary for such supplier to connect any of its facilities or to serve its consumers within its own certified territory. In the event that a new electric-consuming facility should locate in two or more adjacent certified territories, the commission shall determine which retail electric supplier shall serve said facility based on criteria in KRS 278.017 (3).

(2) Except as provided in subsections (3) and (5) of this section, any new electric-consuming facility located in an area which has not as yet been included in a map issued by the commission, pursuant to KRS 278.017 (2), or certified, pursuant to KRS 278.017 (4), shall be furnished retail electric service by the retail electric supplier which has an existing distribution line in closer proximity to such electric-consuming facility than is the nearest existing distribution line of any other retail electric supplier. Any disputes under this subsection shall be resolved by the commission.

(3) The commission may, after a hearing had upon due notice, make such findings as may be supported by proof as to whether any *retail electric supplier* [utility] operating in a certified territory is rendering or proposes to render adequate service to an electric-consuming facility and in the event the commission finds that such *retail electric supplier* [utility] is not rendering or does not propose to render adequate service, the commission may enter an order specifying in what particulars such *retail electric supplier* [utility] has failed to render or propose to render adequate service and order that such failure be corrected within a reasonable

time, such time to be fixed in such order. If the *retail electric supplier* [utility] so ordered to correct such failure fails to comply with such order, the commission may authorize another retail electric supplier to furnish retail electric service to such facility.

(4) Except as provided in subsection (3) of this section, no retail electric supplier shall furnish, make available, render or extend retail electric service to any electric-consuming facility to which such service is being lawfully furnished by another retail electric supplier on June 16, 1972, or to which retail electric service is lawfully commenced thereafter in accordance with this section by another retail electric supplier.

(5) The provisions of KRS 278.016 to 278.020 shall not preclude any retail electric supplier from extending its service after June 16, 1972, to property and facilities owned and operated by said retail electric supplier.

(6) Notwithstanding the effectuation of certified territories established by or pursuant to KRS 278.016 to 278.020, and the exclusive right to service within such territory, a retail electric supplier may contract with another retail electric supplier for the purpose of allocating territories and consumers between such retail electric suppliers and designating which territories and consumers are to be served by which of said retail electric suppliers. Notwithstanding any other provisions of law, a contract between retail electric suppliers as herein provided when approved by the commission shall be valid and enforceable. The commission shall approve such a contract if it finds that the contract will promote the purposes of KRS 278.016 and will provide adequate and reasonable service to all areas and consumers affected thereby.

Section 6. KRS 278.020 is amended to read as follows:

(1) No person, partnership, public or private corporation or combination thereof shall begin the construction of any plant, equipment, property or facility for furnishing to the public any of the services enumerated in KRS 278.010, except retail electric suppliers for service connections to electric-consuming facilities located within its certified territory and ordinary extensions of existing systems in the usual course of business, until such person has obtained from the *appropriate* [public service] commission a certificate that public convenience and necessity require such construction. Upon the filing of an application for such a certificate, and after a public hearing of all parties interested, the commission may issue or refuse to issue the certificate, or issue it in part and refuse it in part. Unless exercised within one year from the grant thereof, exclusive of any delay due to the order of any court or failure to obtain any necessary grant or consent, the authority conferred by the issuance of the certificate of convenience and necessity shall be void, but the beginning of any new construction or facility in good faith within the time prescribed by the commission and the prosecution thereof with reasonable diligence shall constitute an exercise of authority under the certificate.

(2) No utility shall exercise any right or privilege under any franchise or permit, after the exercise of that right or privilege has been voluntarily suspended or discontinued for more than one year, without first obtaining from the commission, in the manner provided in subsection (1) of this section, a certificate of convenience and necessity authorizing the exercise of that right or privilege.

(3) No utility shall apply for or obtain any franchise, license or permit from any city or other governmental agency until it has obtained from the commission, in the manner provided in subsection (1) of this section, a certificate of convenience and necessity showing that there is a demand and need for the service sought to be rendered.

(4) All carriers or conveyors of electricity or electric power are declared to be common carriers and subject to the obligations incident thereto.

Section 7. KRS 278.025 is amended to read as follows:

(1) Notwithstanding any other provision of the law to the contrary, no person, partnership, public or private corporation or combination thereof shall begin the construction of any facility to be used for the generation of electricity to or for the public for compensation without having first obtained from the *energy* [public service] commission a certificate of Environmental Compatibility. This requirement shall not apply to such facilities for which an application for a certificate of convenience and necessity has been filed with, or granted by, the Public Service Commission prior to June 21, 1974.

(2) Prior to making application for such a certificate such person, partnership, public or private corporation or combination thereof shall submit to the Department for Natural Resources and Environmental Protection or any local pollution control district exercising concurrent jurisdiction with the Department a statement of Environmental Compatibility of the proposed site.

(3) The statement of Environmental Compatibility shall contain such information as the Department (or local pollution control district) considers necessary in making its report to the Commission including but not limited to the following:

(b) Comments on the effects of air pollutants from the proposed facility on public health and welfare, the effects of the proposed facility on the waters of the Commonwealth, the treatment, handling and disposal of solid waste from the proposed facility, noise pollution if any, and other adverse environmental effects which cannot be avoided.

(4) The Department for Natural Resources and Environmental Protection (or any local pollution control district exercising concurrent jurisdiction with the Department) shall within sixty (60) days after receiving the statement of Environmental Compatibility report to the [Public Service] Commission any recommendation on or objections to the proposed facility. The Commission upon request by the Department may extend said sixty (60) day period for an additional thirty (30) days.

(5) On receipt of the report from the Department for Natural Resources and Environmental Protection (or the local pollution control district) or if the period for filing said report has expired without the receipt of such report, the Commission shall conduct a public hearing on the application which shall be open to all interested persons. For the purpose of this paragraph an "interested person" shall mean any person whose living environment would be affected by the construction of the proposed facility.

(6) In granting or denying the application for a certificate of Environmental Compatibility, the Commission shall consider the community needs, the industrial development, customer requirements and the economics of the facility, all of which shall be balanced against any adverse environmental factors.

Section 8. KRS 278.040 is amended to read as follows:

(3) The commissions may adopt, in keeping with KRS Chapter 13, reasonable regulations to implement the provisions of KRS Chapter 278 and investigate the methods and practices of the utilities subject to their respective jurisdictions to require them to conform to the laws of this state, and to all reasonable rules, regulations and orders of the commissions not contrary to law.

(1) For the purpose of maintaining the *commissions* [public service commission], including the payment of salaries and all other expenses, and the cost of regulation of the utilities subject to *their* [its] jurisdiction, the department of revenue shall each year assess the utilities in proportion to their earnings or receipts derived from intrastate business in Kentucky for the preceding calendar year, and shall notify each utility on or before July 1 of the amount assessed against it. The total amount so assessed shall not in any year exceed one and one-half mills on intrastate receipts, which shall be deposited into the state treasury to the credit of the general fund. The sum by each utility shall not be less than $50 in any one year.

(2) The assessments provided for in this section shall be in lieu of all other fees or assessments levied by any city or other political subdivision for the control or regulation of utilities.

Section 20. KRS 278.140 is amended to read as follows:

(1) Under rules prescribed by the *commissions* [commission], each utility shall file with the *appropriate* commission, within such time and in such form as the commission designates, schedules showing all rates established by it and collected or enforced. The utility shall keep copies of its schedules open to public inspection under such rules as the commission prescribes.

(2) No utility shall charge, demand, collect or receive from any person a greater or less compensation for any service rendered or to be rendered than that prescribed in its filed schedules, and no person shall receive any service from any utility for a compensation greater or less than that prescribed in such schedules.

Section 23. KRS 278.170 is amended to read as follows:

(1) No utility shall, as to rates or service, give any unreasonable preference or advantage to any person or subject any person to any unreasonable prejudice or disadvantage, or establish or maintain any unreasonable difference between localities or between classes of service for doing a like and contemporaneous service under the same or substantially the same conditions.

(2) Any utility may grant free or reduced rate service to its officers, agents or employes, and may exchange free or reduced rate service with other utilities for the benefit of the officers, agents and employes of both utilities. Any utility may grant free or reduced rate service to the United States, to charitable and eleemosynary institutions, and to persons engaged in charitable and eleemosynary work, and may grant free or reduced rate service for the purpose of providing relief in case of flood, epidemic, pestilence or other calamity. The terms "officers" and "employes," as used in this subsection, include furloughed, pensioned and superannuated officers and employes, and persons who have become disabled or infirm in the service of the utility. Notice must be given to the *appropriate* commission and its agreement obtained for such reduced rate service except in case of an emergency, in which case the commission shall be notified at least five (5) days after the service is rendered.

(3) The *appropriate* commission may determine any question of fact arising under this section.

Section 24. KRS 278.180 is amended to read as follows:

(1) Except as provided in subsection (2) of this section, no change shall be made by any utility in any rate except upon twenty (20) days' notice to the *appropriate* commission, stating plainly the changes proposed to be made and the time when the changed rates will go into effect. The commission may order a rate change only after giving an identical notice to the utility, and any aggrieved party petitioning within the period for a hearing shall be entitled thereto before said order is entered.

(2) The commission, upon application of any utility, may prescribe a less time within which a reduction of rates may be made.

Section 25. KRS 278.185 is amended to read as follows:

(1) The *utilities* [public service] commission shall require that all sewerage corporations under its jurisdiction shall, when submitting an application for a rate change, notify all its customers of the application.

(2) Notification to the customers of the rate change application shall be in writing and shall include an estimate of the probable financial impact upon the customers.

(3) The cost of notifying customers of a rate change shall be borne by the sewerage corporation.

(4) The *utilities* [public service] commission shall make such reasonable rules and regulations as are deemed necessary to further the purpose of this section.

Section 26. KRS 278.190 is amended to read as follows:

(1) Whenever any utility files with the *appropriate* commission any schedule stating new rates, the commission may, upon its own motion, or upon complaint as provided in KRS 278.260, and upon reasonable notice, enter upon a hearing concerning the reasonableness of the new rates.

(2) Pending such hearing and the decision thereon, and after notice to the utility, the commission may, at any time before said schedule becomes effective, suspend the operation of said schedule and defer the use of such rate, charge, classification or service, but not for a longer period than five (5) months beyond the time when it would otherwise go into effect; and after such hearing, either completed before or after the rate, charge, classification or service goes into effect, the commission may make such orders with reference thereto as it deems proper in the matter. If the proceeding has not been concluded and an order made at the expiration of such five (5) months the utility may place the proposed change of rate, charge, classification or service in effect at the end of such period after notifying the commission, in writing, of its intention so to do. Where increased rates or charges are thus made effective, the commission may, by order, require the interested utility or utilities to maintain their records in such manner as will enable them, or the commission, or any of its customers, to determine the amounts to be refunded and to whom due in the event a refund is ordered, and upon completion of the hearing and decision may, by further order, require such utility or utilities to refund to the persons in whose behalf such amounts were paid such portion of such increased rates or charges as by its decision shall be found unreasonable. Provided, however, if the commission, at any time, during said five (5) months' suspension period, finds that an emergency exists or that the company's credit or operations will be materially impaired or damaged by the failure to permit said rates to become effective during said five (5) months' period, said commission may, after any hearing or hearings, permit all or a portion of said rates to become effective under such terms and conditions as the commission may, by order, prescribe.

(3) At any hearing involving the rate or charge sought to be increased, the burden of proof to show that the increased rate or charge is just and reasonable shall be upon the utility and the commission shall give to the hearing and decision of such questions preference over other questions pending before it and decide the same as speedily as possible, and in any event not later than ten (10) months after the filing of such schedules.

(4) In the event the commission, by order, directs any utility to make a refund, as hereinabove provided, of all or any portion of such increased rates or charges, the utility shall make the same within sixty (60) days after a final determination of the proceeding by an order of the court or commission with or without interest in the discretion of the commission. If the utility fails to make such refund within sixty (60) days after such final determination, any party entitled to such refund may, after ten (10) days' written demand, bring an action therefor in any court of competent jurisdiction of this state, and may recover, in addition to the amount of the refund due, legal interest, court costs and reasonable attorney's fees. No such action may be maintained unless instituted within one (1) year after such final determination. Any number of persons entitled to such refunds may join in as plaintiffs in a single action and the court shall render a judgment severally for each plaintiff as his interest may appear.

Section 27. KRS 278.200 is amended to read as follows:

The commission *having jurisdiction over the affected utility* may, under the provisions of this chapter, originate, establish, change, promulgate and enforce any rate or service standard of any utility that has been or may be fixed by any contract, franchise or agreement between the utility and any city, and all rights, privileges and obligations arising out of any such contract, franchise or agreement, regulating any such rate or service standard, shall be subject to the jurisdiction and supervision of the commission, but no such rate or service standard shall be changed, nor any contract, franchise or agreement affecting it abrogated or changed, until a hearing has been had before the commission in the manner prescribed in this chapter.

Section 28. KRS 278.210 is amended to read as follows:

(1) The *appropriate* commission may provide instruments for, and carry on, the examination and testing

of any meter or appliance used to measure the product or service of any utility, and the examination and testing of any instrument used by a utility to test the accuracy of any meter or appliance used to measure its products or services.

(2) Any patron of a utility may, upon request and payment of the fees fixed by the *appropriate* commission, have a test made of the meter or appliance by which his use of the products or services of the utility is measured.

(3) The *appropriate* commission may establish reasonable fees for testing such meters and appliances at the request of a patron of a utility. If the appliance is found to be commercially defective or inaccurate to the extent of more than two per cent (2%) to the disadvantage of the patron, the fees shall be repaid to the patron and paid by the utility.

Section 29. KRS 278.220 is amended to read as follows:

Each [The] commission may establish a system of accounts to be kept by utilities *subject to its jurisdiction*, or may classify utilities and establish a system of accounts for each class, and may prescribe the manner in which such accounts shall be kept. The system established shall conform as nearly as practicable to the uniform system of accounts prescribed by the National Association of Railway and Utilities Commissioners, except that the system established for telephone and telegraph companies shall conform as nearly as practicable to the system adopted or approved by the Interstate Commerce Commission or other federal agency regulating telephone and telegraph companies.

Section 30. KRS 278.230 is amended to read as follows:

(1) The commissioners and the officers and employes of *each* [the] commission may, during all reasonable hours, enter upon the premises of any utility *subject to its jurisdiction* for the purpose of examining any books or records, or for making any examination or test, or for exercising any power provided for in this chapter, and may set up and use on such premises apparatus and appliances necessary for any such examination or test. The utility shall have the right to be represented at the making of any such examination, test or inspection.

(2) The books, accounts, papers and records of *the* [every] utility shall be available to the commission for inspection and examination. If the books, accounts, papers and records are not within the state, the commission may, by notice and order, require their production or the production of verified copies at such time and place as it designates, any expense incurred to be borne by the utility so ordered.

(3) Every utility, when required by the commission, shall file with it any reports, schedules, classifications or other information that the commission reasonably requires. The commission shall prepare and distribute to the utilities blank forms for any information required under this chapter. All such reports shall be under oath when required by the commission.

Section 31. KRS 278.240 is amended to read as follows:

Copies of official documents and orders filed or deposited according to law in the office of *either* [the] commission, certified by a commissioner, or by the secretary under the seal of the commission, to be true copies of the originals, shall be evidence in like manner as the originals in all matters before the commission and in courts of competent jurisdiction.

Section 32. KRS 278.250 is amended to read as follows:

Whenever it is necessary in the performance of its duties, *either* [the] commission may investigate and examine the condition of any utility *subject to its jurisdiction*. In conducting such investigation, the commission may proceed with or without a hearing as it deems best, but shall make no order without giving a hearing to the parties affected thereby.

Section 33. KRS 278.260 is amended to read as follows:

Upon a complaint in writing made against any utility by any mercantile, agricultural or manufacturing society, or by any body politic or municipal organization, or by any [public] utility, or by any ten (10) patrons of the utility complained of, or by any ten (10) complainants of all or any of the aforementioned classes, that any rate in which the complainant is directly interested is unreasonable or unjustly discriminatory, or that any regulation, measurement, practice or act affecting or relating to the service of the utility or any service in connection therewith is unreasonable, unsafe, insufficient or unjustly discriminatory, or that any service is inadequate or cannot be obtained, the commission shall proceed, with or without notice, to make such investigation as it deems necessary or convenient. The commission may also make such an investigation on its own motion. No order affecting the rates or service complained of shall be entered by the commission without a formal public hearing.

Section 34. KRS 278.270 is amended to read as follows:

Whenever *either* [the] commission, upon its own motion or upon complaint as provided in KRS 278.260, and after a hearing had upon reasonable notice, finds that any rate *of a utility subject to its jurisdiction* is unjust, unreasonable, insufficient, unjustly discriminatory or otherwise in violation of any of the provisions of this chapter, the commission shall by order prescribe a just and reasonable rate to be followed in the future.

Section 35. KRS 278.280 is amended to read as follows:

(1) Whenever *either* [the] commission, upon its own motion or upon complaint as provided in KRS 278.260, and after a hearing had upon reasonable notice, finds that the rules, regulations, practices, equipment, appliances, facilities or service of any utility *subject to its jurisdiction*, or the method of manufacture, distribution, transmission, storage or supply employed by *such utility* [it], are unjust, unreasonable, unsafe, improper, inadequate or insufficient, the commission shall determine the just, reasonable, safe, proper, adequate or sufficient rules, regulations, practices, equipment, appliances, facilities, service or methods to be observed, furnished, constructed, enforced or employed, and shall fix the same by its order, rule or regulation.

(2) The commission shall prescribe rules for the performance of any service or the furnishing of any commodity of the character furnished or supplied by *the* [any] utility, and, on proper demand and tender of rates, the utility shall furnish the commodity or render the service within the time and upon the conditions provided in the rules.

(3) Any person or group of persons may come before the *appropriate* commission and by petition ask that any utility *subject to its jurisdiction* be compelled to make any reasonable extension. The commission shall hear and determine the reasonableness of the extension, and sustain or deny the petition in whole or in part.

Section 36. KRS 278.290 is amended to read as follows:

(1) Subject to the provisions of subsection (2) of this section, *either* [the] commission may ascertain and fix the value of the whole or any part of the property of any utility *subject to its jurisdiction* in so far as the value is material to the exercise of the jurisdiction of the commission, and may make revaluations from time to time and ascertain the value of all new construction, extensions and additions to the property of the utility. In fixing the value of any property under this subsection, the commission shall give due consideration to the history and development of the utility and its property, original cost, cost of reproduction as a going concern, capital structure, and other elements of value recognized by the law of the land for rate-making purposes.

(2) The commission shall not value or revalue the property of any utility unless the valuation or revaluation is necessary or advisable in order to determine the legality or reasonableness of any rate or service or of the issuance of securities, and then only after an investigation affecting the rate, service or securities has been instituted by the commission upon complaint or application or upon its own motion, and a hearing has been held on reasonable notice.

(3) In any rate investigation where the utility serves two (2) or more municipalities, the commission may, in computing the rate of return on the property used and useful, take as the base for the computation the valuation of the system as a whole, but may make a differential in the case of an individual municipality in proportion to the increased cost of service, if the utility can show that such a differential should be allowed.

Section 37. KRS 278.300 is amended to read as follows:

(1) No utility shall issue any securities or evidences of indebtedness, or assume any obligation or liability in respect to the securities or evidences of indebtedness of any other person until it has been authorized so to do by order of the *appropriate* commission.

(2) Application for authority to issue or assume securities or evidences of indebtedness shall be made in such form as the commission prescribes. Every such application shall be made under oath, and shall be signed and filed on behalf of the utility by its president, or by a vice president, auditor, comptroller or other executive officer having knowledge of the matters set forth and duly designated by the utility. Every such application shall be placed at the head of the docket of the commission and disposed of promptly within sixty days after it is filed with the commission, unless it is necessary for good cause to continue the application for longer time than sixty days, in which case the order making the continuance shall state fully the facts that make it necessary.

(3) The commission shall not approve any issue or assumption unless, after investigation of the purposes and uses of the proposed issue and the proceeds thereof, or of the proposed assumption of obligation or liability, the commission finds that the issue or assumption is for some lawful object within the corporate purposes of the utility, is necessary or appropriate for or consistent with the proper performance by the utility of its service to the public and will not impair its ability to perform that service, and is reasonably necessary and appropriate for such purpose.

(4) The commission may grant or deny the application in whole or in part, or may grant it with such modifications and upon such terms and conditions as the commission deems necessary or appropriate. The order of the commission shall specify that the securities or evidences of indebtedness, or the proceeds thereof, shall be used only for the lawful purposes specified in the application, and both the application of the utility and the order of the commission shall state in general terms the purpose of the issuance or assumption.

(5) A copy of any order made and entered by the commission under this section, duly certified by the secretary of the commission, shall be sufficient evidence for all purposes of full and complete compliance by the utility with all procedural and other matters required precedent to the entry of the order.

(6) Securities and evidences of indebtedness issued and obligations and liabilities assumed by a utility, for which, under the provisions of this section, the authorization of the commission is required, shall comply with the terms and conditions of the order of authorization entered prior to the issue or assumption, and where the order has been fully complied with the validity of the issue or assumption shall not be affected by a failure to comply with any provision of this section or rule of the commission relating to procedure or other matters preceding the entry of the order of authorization or order supplemental thereto.

(7) The commission may require periodical or special reports from *the* [any] utility issuing any security or evidence of indebtedness. The report shall show, in such detail as the commission requires, the disposition made of such securities or evidences of indebtedness, and the application of the proceeds thereof.

(8) This section does not apply to notes issued by a utility, for proper purposes and not in violation of law, that are payable at periods of not more than two years from the date thereof, or to like notes, payable at a period of not more than two years from date thereof, that are issued to pay or refund in whole or in part any such notes, or to renewals of such notes from time to time, not exceeding in the aggregate six years from the date of the issue of the original notes so renewed or refunded.

(9) Nothing in this section implies any guarantee of securities or evidences of indebtedness by the state, or any obligation on the part of the state with respect thereto, and nothing in this section limits the power of any court having jurisdiction to authorize or cause receiver's certificates or debentures to be issued according to the rules and practice obtaining in receivership proceedings in courts of equity.

(10) This section does not apply in any instance where the issuance of securities or evidences of indebtedness is subject to the supervision or control of the federal government or any agency thereof, but the *appropriate* commission may appear as a party to any proceeding filed or pending before any federal agency if the issuance of the securities or evidences of indebtedness will materially affect any utility over which the commission has jurisdiction.

(11) This section also does not apply to the issuance of securities or evidence of indebtedness by a utility principally engaged in transportation of gas by pipeline in interstate commerce and subject to the supervision, control or jurisdiction of the federal government or any agency, board or commission thereof.

Section 38. KRS 278.310 is amended to read as follows:

(1) *Each* [The] commission shall fix the time and place for each hearing held by it, and shall serve notice thereof upon the utility and the complainant not less than twenty (20) days before the time set for the hearing. The commission may dismiss any complaint without a hearing if, in its opinion, a hearing is not necessary in the public interest or for the protection of substantial rights.

(2) All hearings and investigations before the commission or any commissioner shall be governed by rules adopted by the commission, and in the conduct thereof neither the commission nor the commissioner shall be bound by the technical rules of legal evidence.

(3) The complainant and the person complained of shall be entitled to be heard in person or by attorney and to introduce evidence.

Section 39. KRS 278.320 is amended to read as follows:

Each [The] commission and each of the commissioners may issue subpoenas, subpoenas duces tecum, and all necessary process in proceedings brought before or initiated by the commission, and such process shall extend to all parts of the state. Service of process in all proceedings brought before or initiated by the commission may be made by certified mail, return receipt requested or by registered mail, or in the same manner as other process in civil cases, as the commission directs.

Section 40. KRS 278.330 is amended to read as follows:

Each [The] commission and each of the commissioners, for the purposes mentioned in the preceding sections of this chapter, may administer oaths, examine witnesses, and certify official acts. If any person fails to comply with any lawful order of the commission or of any commissioner, or with process, or if any witness refuses to testify concerning any matter on which he may lawfully be interrogated, any circuit court judge, on application of the commission or of a commissioner, may compel obedience by proceedings for contempt as in the case of disobedience of a subpoena issued from the circuit court or a refusal to testify therein. Witnesses summoned before the commission, and witnesses whose depositions are taken pursuant to the provisions of the preceding sections of this chapter, and the officer taking the depositions, shall be entitled to the same fees as are paid for like services in circuit courts, the fees to be paid by the party in whose behalf the witness is subpoenaed.

Section 41. KRS 278.340 is amended to read as follows:

Each [The] commission or any commissioner, or any party to the proceeding, in any investigation or hearing before the commission or any commissioner, may cause the depositions of witnesses residing within or without the state to be taken in the manner prescribed by law for taking depositions in civil actions.

Section 42. KRS 278.350 is amended to read as follows:

No person shall be excused from testifying or from producing any book, paper or account at any inquiry by, or hearing before, *either* [the] commission or any commissioner, upon the ground that the testimony or the book, paper or account required of him may tend to incriminate him or subject him to penalty or forfeiture. No person shall be prosecuted or subjected to any forfeiture or penalty for, or on account of, anything concerning which he was compelled to testify under oath or to produce documentary evidence, except that no person so testifying shall be exempt from prosecution or punishment for perjury committed by him in his testimony.

Section 43. KRS 278.360 is amended to read as follows:

A full and complete record shall be kept of all contested proceedings had before *each* [the] commission or any commissioner on any formal hearing, and all testimony shall be taken down by a reporter appointed by the commission.

Section 44. KRS 278.370 is amended to read as follows:

Every order, finding, authorization or certificate issued or approved by *either* [the] commission under any of the preceding provisions of this chapter shall be in writing and shall be entered on the records of the commission. A certificate under the seal of the commission that any such order, finding, authorization or certificate has not been modified, stayed, suspended or revoked shall be received as evidence in any proceeding as to the facts stated therein.

Section 45. KRS 278.380 is amended to read as follows:

Each [The] commission shall deliver a certified copy of any order issued by it to each party to the proceeding in which the order was made, and to an officer or agent of the utility affected thereby.

Section 46. KRS 278.390 is amended to read as follows:

Each [The] commission may compel obedience to its lawful orders by mandamus, injunction or other proper proceedings in the Franklin circuit court or any other court of competent jurisdiction, and such proceedings shall have priority over all pending cases. Every order entered by the commission shall continue in force until the expiration of the time, if any, named by the commission in the order, or until revoked or modified by the commission, unless the order is suspended, or vacated in whole or in part, by order or decree of a court of competent jurisdiction.

Section 47. KRS 278.400 is amended to read as follows:

After a determination has been made by *either* [the] commission in any hearing, any party to the proceedings may, within twenty (20) days after the service of the order upon him, apply for a hearing with respect to any of the matters determined. The application shall specify the matters on which a rehearing is sought. The commission shall either grant or deny the application for rehearing within twenty (20) days after it is filed, and failure of the commission to act upon the application within that period shall be deemed a denial of the application. Notice of the hearing shall be given in the same manner as notice of an original hearing. Upon the rehearing any party may offer additional evidence that could not with reasonable diligence have been offered on the former hearing. Upon the rehearing, the commission may change, modify, vacate or affirm its former orders, and make and enter such order as it deems necessary.

Section 48. KRS 278.410 is amended to read as follows:

(1) Any party to a *commission* proceeding [before the commission] or any utility affected by an order of the commission may, within twenty (20) days after being served with the order, or within twenty (20) days after *its* [his] application for rehearing has been denied by failure of the commission to act, or within twenty (20) days after being served with the final order on rehearing, when a rehearing has been granted, bring an action against the commission in the Franklin Circuit Court to vacate or set aside the order or determination on the ground that it is unlawful or unreasonable. Notice of the institution of such action shall be given to all parties of recordbefore the commission.

(2) The answer of the commission shall be served and filed within twenty (20) days after service of the complaint. The action shall then be at issue and stand ready for trial upon ten (10) days' notice to either party, on the equity side of the docket of the court. The answer need not deny verbatim the allegations of the petition, but a general denial thereof on behalf of the commission shall be sufficient.

(3) Injunctive relief may be granted by the circuit court in the manner and upon the terms provided by law.

Section 49. KRS 278.420 is amended to read as follows:

If an action is commenced against *either* [the] commission because of an order made in any proceedings before it, the commission shall promptly cause a certified transcript of all proceedings had and testimony taken therein to be made and filed with the clerk of the court in which the action is pending. The cost of preparing and certifying the record shall be paid to the commission by the party bringing the action, and taxed as part of the costs, to be paid as directed by the court upon final determination of the action. Copies of the transcript shall be furnished at cost to any party to the proceeding.

Section 50. KRS 278.430 is amended to read as follows:

In all trials, actions or proceedings arising under the preceding provisions of this chapter or growing out of *either commission's* [the] exercise of the authority or powers granted to *it* [the commission], the party seeking to set aside any determination, requirement, direction or order of the commission shall have the burden of proof to show by clear and satisfactory evidence that the determination, requirement, direction or order is unreasonable or unlawful.

Section 51. KRS 278.485 is amended to read as follows:

(1) No telephone company doing an exchange business in a city shall consolidate with any other telephone company doing an exchange business in the same city, or purchase, lease or operate the plant or line of any such company, until the proper city authorities have found, after such investigation as they deem necessary, that no substantial public benefits result from the separate existence of the companies and that actual competitive conditions do not exist, and have stated their finding in a resolution consenting to such consolidation, lease, sale or operating arrangement.

(2) No telephone company doing a toll line business shall consolidate with any other company doing a like business whose lines serve the same communities or localities, or purchase, lease or operate the plant or lines of any such company until the *utility* [public service] commission has found, after such investigation as it deems necessary, that no substantial public benefits result from the separate existence of the companies and that actual competitive conditions do not exist, and has stated its finding in a resolution consenting to such consolidation, lease, sale or operating arrangement. Whenever a joint application of two (2) or more such telephone companies requesting such finding and consent is filed with the *utility* [public service] commission, the commission shall make such investigation, hold such hearings, examine such witnesses and require the production of such books, papers, and records as it deems pertinent to the determination of the application, and shall grant or withhold such consent as the facts warrant.

(3) The *utility* [public service] commission shall have jurisdiction of those matters set out in $YSM201 of the constitution that relate to telephone companies, and shall enter in its minutes a record of its acts in relation thereto.

Section 53. KRS 278.530 is amended to read as follows:

Upon the day so fixed for the hearing, the companies may respond in writing to the application, and either side may introduce such testimony as it desires and be heard by attorneys. After the hearing is completed the commission shall make its finding and enter it in a book to be kept for that purpose, and shall mail a copy thereof to each side; and if the commission directs the connection to be made it shall indicate the points where the connection is to be made, the number of wires to be connected, the terms and conditions and the rates to be charged, and the division of the rates charged between the companies handling the messages. The cost of making the connection shall be borne equally by the parties. If any company refuses to make a connection for a period of thirty (30) days after the finding of the commission directing the connection to be made, the company desiring the connection may make the connection and may recover one-half (1/2) of the cost thereof from the company so refusing.

(3) In lieu of the procedure provided in subsection (2) of this section, the company desiring the connection may compel the connection upon reasonable terms by suit in equity in the Franklin Circuit Court or in the circuit court of the county in which the company making the demand resides or has its chief office in this state, and the court shall, by mandatory injunction, compel the physical connection of the wires and interchange of messages, and enforce the same by contempt proceedings and in the same manner that other mandatory injunctions are enforced.

The commission may compromise and dismiss the action on terms approved by the court. The principal amount due shall be paid into the state treasury and credited to the

account of the commission, and all penalties recovered in such actions shall be paid into the state treasury and credited to the general fund.

(3) Any utility that fails to pay an assessment as provided for by KRS 278.130 to 278.150 shall forfeit and pay to the state one thousand dollars ($1,000), and twenty-five dollars ($25.00) for each day it fails to pay the assessment, and shall not be released thereby from its liability for the assessment.

(7) Any telephone company that refuses to make a connection with the exchange or lines of another company for a period of thirty (30) days after being ordered to do so by the *utility* [public service] commission under subsection (2) of KRS 278.530 shall be fined not less than one thousand dollars ($1,000) nor more than five thousand dollars ($5,000), to be recovered by indictment in the Franklin Circuit Court or in the circuit court of the county where the company requesting the connection resides or has its chief office in this state. If the company desiring the connection proceeds to make the connection, as permitted by subsection (2) of KRS 278.530, and the company so connected with refuses to receive and transmit the toll messages offered to it by the company making the connection, or refuses to deliver messages from its own lines or exchanges to the lines or exchanges of the company making the connection, the company so refusing shall be fined one hundred dollars ($100) for each day it refuses, to be recovered by indictment in the courts mentioned in the first sentence of this subsection; if it continues so to refuse for a period of six (6) months it shall forfeit its right to do business in this state, and any of its officers, agents or employes who does or attempts to do any business in this state for it after the expiration of the six (6) months' period shall be fined fifty dollars ($50.00) for each day he does or attempts to do such business.

S. congress, shall be subject to a civil penalty to be assessed by the *energy* [public service] commission not to exceed $1,000 for each violation for each day that the violation persists. However, the maximum civil penalty shall not exceed $200,000 for any related series of violations. Any civil penalty assessed for such a violation may be compromised by the commission. In determining the amount of the penalty, or the amount agreed upon in compromise, the appropriateness of the penalty to the size of the business of the person charged, the gravity of the violation, and the good faith of the person charged in attempting to achieve compliance, after notification of the violation, shall be considered. The amount of the penalty, when finally determined, or the amount agreed upon in compromise, may be deducted from any sums owing by the commonwealth of Kentucky to the person charged or may be recovered in a civil action in the Franklin Circuit Court.

SECTION 27. A NEW SECTION OF KRS CHAPTER 244 IS CREATED TO READ AS FOLLOWS:

No brewer shall discriminate among wholesalers concerning prices charged for malt beverages.

SECTION 28. A NEW SECTION OF KRS CHAPTER 244 IS CREATED TO READ AS FOLLOWS:

(1) Every manufacturer, distiller, rectifier, blender, or vintner of distilled spirits or wine shall, before offering for sale to any licensed wholesaler in the Commonwealth of Kentucky any brand of distilled spirits or wine, file with the Board an affirmation of corporate policy with regard to sales of all brands owned, controlled, sold, offered for sale, franchised or distributed by such manufacturer, distiller, rectifier, blender, or vintner in the Commonwealth. The affirmation shall certify that the manufacturer, distiller, rectifier, blender or vintner shall not willfully sell or offer for sale any distilled spirits or wine of a particular brand, proof or size in any state in the United States or the District of Columbia at a price lower than the price such distilled spirits and wine are sold or offered for sale to licensed Kentucky wholesalers.

(2) In determining the lowest price for which any item of distilled spirits and wine was sold in any other state or in the District of Columbia, or to any state or state agency which owns and operates retail liquor stores, appropriate reductions shall be made to reflect all discounts, rebates, free goods, allowances and other inducements of any kind whatsoever offered or given to any such wholesaler or state or state agency, as the case may be, purchasing such item in such other state or in the District of Columbia; moreover nothing contained in this section shall prevent differentials in price which make allowance for differences in state taxes and fees, and in the actual cost of delivery. As used in this paragraph, the term "state taxes or fees" shall mean the excise taxes imposed or the fees required by any state or the District of Columbia upon or based upon the gallon of liquor.

(3) Quantity discount prices for distilled spirits and wine sold to wholesalers of other states or to the District of Columbia, and to states which own and operate retail liquor stores shall not be considered to be a violation of the manufacturer's, distiller's, rectifier's, blender's or vintner's affirmation if such discount prices are also offered to Kentucky wholesalers for purchases in the same quantities. To the extent any discounts, rebates, allowances or other inducements are of this Act, offered or given in any state of the United States or the District of Columbia and the effect thereof is to reduce the price of such item elsewhere below that at which it is being sold in the Commonwealth during the same period, then the licensee filing the affirmation statement shall list thereon discounts, rebates, allowances and other inducements per case and show to what extent that the price elsewhere for the same brand and size is less than the price at which the item is sold in the Commonwealth. The same discounts, rebates, allowances and other inducements shall be offered to wholesalers in the Commonwealth with respect to such item within a twelve (12) month period, including the month in which they are given elsewhere.

(4) Any person, firm or corporate official who makes a false statement in any affirmation filed hereunder shall be punished by a fine of not more than one thousand dollars ($1,000) or by imprisonment for not more than six (6) months or both.

(5) Any manufacturer, distiller, rectifier, blender, or vintner, who fails to file such affirmation or willfully violates the pledges contained herein shall have its license to import and sell alcoholic beverages in the state suspended by the Board for a period not less than one (1) year.

(6) For the purpose of carrying out the provisions of this Act, each licensed manufacturer, distiller, rectifier, blender or vintner offering for sale to any licensed wholesaler in the Commonwealth of Kentucky any brand of distilled spirits or wine shall file the affirmation as provided by this section with the Board not later than sixty (60) days after passage of this Act, and thereafter shall file the same in accordance with the provisions of this section.

(7) The Board may make such regulations and investigations as it deems necessary for enforcing the provisions of this section.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 241.075 is amended to read as follows:

(1) The state alcoholic beverage control board shall, for the purpose of regulating the location of retail package liquor and retail drink licenses in cities of the first *and second* class, divide such cities into "downtown business areas" and "combination business and residential areas."

(2) No retail package liquor or retail drink license shall be granted or issued to any licensee who proposes to sell retail package liquor or liquor by the drink at a location within seven hundred feet (700) of the location of any similar establishment in any combination business and residential area, nor shall such

license be granted or issued to any licensee who proposes to operate at a location in a combination business and residential area within seven hundred feet (700) of a similar establishment located in a downtown business area. This section shall not affect location of such establishments in downtown business areas of such cities.

(3) The distance between location of similar establishments as prescribed by this section shall be measured by following the shortest route of ordinary pedestrian travel along public thoroughfares from the nearest point of any present location of any such similar place of business to the nearest point of any proposed location of any such place of business. The measurement shall be taken from the entrance of the existing licensed premises to the entrance of any proposed location.

(4) The location of all establishments licensed to sell at retail distilled spirits by the package or by the drink, or both, on June 17, 1954 shall not be affected by the terms of this section and this section shall not apply to existing licensed locations or to the renewal of licenses therefor, or to transfers thereof. The distance limitation prescribed by this section shall not affect any existing licensed location, nor the right of the owner thereof to renew or transfer the license for such location. The location of any such existing license shall not be transferred to a new location in violation of this section, except that the location of any presently existing license or renewal thereof in case of destruction of property or loss of lease through failure of the landlord to renew such lease may be transferred to a location which is not closer than half the distance between the existing licensed premises and the nearest similar licensed premises.

Section 2. KRS 243.630 is amended to read as follows:

(1) No license under KRS 243.020 to 243.670 to any person for any licensed premises shall be transferable or assignable to any other person or to any other premises or to any other part of the building containing the licensed premises, unless a transfer or assignment is authorized by the state administrator in the exercise of his sound discretion under KRS 243.640 or 243.650. For the purposes of this section each railroad dining car shall be deemed premises to be separately licensed.

(2) Notwithstanding any provision to the contrary, no licensee shall transfer or assign nor shall the board approve any transfer or assignment of any license under KRS 243.020 to 243.670 from the time an investigation has commenced for alleged violations of Chapters 241, 242, 243 or 244 and until a final disposition of the matter occurs either by order of the board or by judicial decision in the event that an order of the board is appealed. If a license is suspended, no transfer or assignment shall be made or approved until the suspension period has expired.

The Committee Amendment to **HB 268** is as follows:

Amend printed copy of **HB 268** on page 3, line 15, after the word "investigation" add the words "*of the department of alcoholic beverage control*".

HB 548, AN ACT relating to thoroughbred and appaloosa racing.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 230.300 is amended to read as follows:

(1) Any person desiring to conduct thoroughbred racing and appaloosa racing at a thoroughbred race meeting within the commonwealth of Kentucky during any calendar year shall first apply to the commission for a license to do so. The application shall be filed at the commission's general office on or before a day fixed by the commission. The application shall specify the location of the track and the days on which racing is desired to be conducted or held and shall be in the form and contain such other information and data as the commission may, by rule require.

(2) The commission shall as soon as practicable, but in no event later than March 1 in any calendar year award dates for racing in the commonwealth during the year. In the event scheduled racing is canceled by reason of flood, fire, or inclement weather, the commission may award after March 1 additional racing dates to make up for those dates canceled by such flood, fire, or inclement weather. The commission may issue such license to conduct a thoroughbred race meeting to any association making the aforesaid application if the commission finds that the proposed conduct of racing by such association would be in the best interest of the public health, safety, and welfare of the immediate community as well as to the commonwealth, and if by reason of financial stability, track location, traffic flow, facilities for the public, facilities for racing participants and horses, character and reputation for honesty of all persons identified with the association, competence of proposed racing officials and association employes, absence of conflict with other race meetings in time and patronage area, sentiment of the community in which such association proposes to conduct a race meeting, and capability to comply with the rules and rulings of the commission, the licensing of such association would

serve to nurture, promote, develop, or improve the thoroughbred industry in the commonwealth. As a condition precedent to the issuance of such license, the commission may require a surety bond or other surety conditioned upon the payment of all taxes due the commonwealth, together with the payment of operating expenses including purses and awards to owners of horses participating in races.

(3) Every license issued under KRS 230.210 to 230.360 shall specify among other things the name of the person to whom issued, the address and location of the track where the thoroughbred race meeting to which it relates is to be held or conducted, and the days and hours of the day when the meeting will be permitted.

(4) A license issued under this section is neither transferable nor assignable and shall not permit the conduct of a thoroughbred race meeting at any track not specified therein. However, if the track specified becomes unsuitable for thoroughbred racing or appaloosa racing because of flood, fire or other catastrophe, the commission may, upon application, authorize the meeting, or any remaining portion thereof, to be conducted at any other suitable track available for that purpose, provided that the owner of such track willingly consents to the use thereof.

(5) Thoroughbred racing dates may be awarded and licenses issued authorizing thoroughbred racing and appaloosa racing at a thoroughbred race meeting on any day of the year [except Sundays. No thoroughbred racing or appaloosa racing at thoroughbred race meetings shall be held or conducted on any Sunday]. Thoroughbred racing or appaloosa racing at thoroughbred race meetings shall be held or conducted only between sunrise and midnight.

(6) The commission may at any time require the removal of any official or employe of any association in those instances where it has reason to believe that the official or employe has been guilty of any dishonest practice in connection with thoroughbred racing or appaloosa racing at a thoroughbred race meeting or has failed to comply with any condition of his license or has violated any law or any rule or regulation of this commission.

(7) Every thoroughbred race not licensed under this section or appaloosa race not licensed by this section or KRS 230.410 to 230.447 is hereby declared to be a public nuisance and the commission may obtain an injunction against the same in the circuit court of the county where the unlicensed race is proposed to take place.

(b) That the program does not result in displacement of persons currently employed [, or the filling of established unfilled position vacancies];

(c) That the program does not apply to jobs covered by a collective bargaining agreement;

(d) Reasonable conditions of work including taking into account the geographic region, the residence of the recipient, and the proficiency of the recipient; and

(e) That recipients will not be required, without their consent, to travel an unreasonable distance from their homes or remain away from their homes overnight.

(2) Participants in community work experience programs shall not be required to:

(a) Work in excess of *ninety-six (96)* [eighty (80)] hours in any calendar month, or

(b) Work in excess of twenty-four (24) hours in any calendar week, or

Nothing in this section shall be construed as requiring or permitting the payment of a public assistance grant in exchange, or as compensation, for work performed.

(3) Participation in a community work experience program shall not result in any cost to a recipient. The department shall make provisions for transportation and all other costs reasonably necessary to and directly related to a recipient's participation in the program.

[The dentist shall thereupon receive a license renewal certificate,] Provided, however, that the board, in its discretion, may make exceptions to the point requirement for continuing dental education for such hardship or other extenuating circumstances as the board deems appropriate. [When the amount of the balance of cash in the hands of the secretary-treasurer reaches the sum of $25,000, the board may fix the annual renewal license fee at such amount, not less than $5.00 nor more than $25.00, as is necessary to maintain a revolving fund at an approximate level of $25,000.]

(2) *By March 1 of each year every dentist licensed to practice in this state shall return to the secretary-treasurer of the board his renewal notice properly signed and a fee not to exceed fifty dollars ($50). Notice of such change in the amount of license renewal fee shall be given to each dentist registered in the state by the secretary-treasurer not later than December 1. Any license granted by the board shall be suspended if the holder fails to secure the renewal certificate by March 1 of each year, but any license thus suspended may be restored by the board upon the payment to the secretary-treasurer of a reinstatement fee of $50.00 within one (1) year after the suspension.

SB 60, AN ACT relating to education.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 156.070 is amended to read as follows:

(1) The state board of *elementary and secondary* education shall have the management and control of the common schools, *including interscholastic athletics* [public vocational education for young people who are enrolled in regular day schools and for out-of-school youth and adults, both employed and unemployed, vocational rehabilitation], and the Kentucky school for the blind.

(2) *The board may designate an organization or agency to manage interscholastic athletics in the common schools, provided that the rules, regulations and by-laws of any organization or agency so designated shall be approved by the board, and provided further that the board shall adopt regulations providing for the appeal to the board of any decisions made by the designated managing organization or agency.*

(3)(a) It is hereby authorized to lease from the state property and buildings commission, or others, whether public or private, any lands, buildings, structures, installations and facilities suitable for use in establishing and furthering television and related facilities as an aid or supplement to classroom instruction, throughout the Commonwealth, and for incidental use in any other proper public functions. Any such lease may be for any initial term commencing with the date of such lease and ending with the next ensuing June 30 which is the close of the then current fiscal biennium of the Commonwealth with exclusive options in favor of the board to renew the same for successive ensuing bienniums (July 1 in each even year to June 30 in the next ensuing even year); and the rentals may be fixed at such sums in each biennium, if renewed, as will be sufficient to enable the state property and buildings commission to pay therefrom the maturing principal of and interest on (and provide reserves for) any revenue bonds which said state property and buildings commission may determine to be necessary and sufficient, in agreement with the board, to provide the cost of acquiring such television and related facilities, with appurtenances and such costs as may be incident to the issuance of such bonds.

(b) Each such option of the state board of education to renew the lease for succeeding biennial term may be exercised at any time after the adjournment of the session of the general assembly at which appropriations shall have been made for the operation of the state government for such succeeding biennial term, by notifying the state property and buildings commission in writing, signed by the superintendent of public instruction, and delivered to the commissioner of the executive department for finance and administration as a member of said commission; Provided, however, That such option shall be deemed automatically exercised, and the lease automatically renewed for the succeeding biennium, effective on the first day thereof, unless a written notice of the board's election not to renew shall have been delivered in the office of the commissioner of the executive department for finance and administration before the close of business on the last working day in April immediately preceding the beginning of such succeeding biennium.

(c) The board shall not itself operate such leased television facilities, or undertake the preparation of the educational presentations or films to be transmitted thereby, but may enter into one or more contracts to provide therefor, with any public agency and instrumentality of the Commonwealth having, or able to provide, a staff with proper technical qualifications, upon which agency and instrumentality the board, through the superintendent of public instruction and the department of education, is represented in such manner as to coordinate matters of curriculum with the curricula prescribed for the public schools of the Commonwealth. Any such contract for the operation of the leased television or related facilities may permit limited and special uses of the television or related facilities for other programs in the public interest, subject to such reasonable terms and conditions as the board and the operating agency and instrumentality may agree upon; but any such contract shall affirmatively forbid the use of the television or related facilities, at any time or in any manner, in the dissemination of political propaganda or in furtherance of the interest of any political party or candidate for public office, or for commercial advertising. No lease between the board and the state property and buildings commission shall bind the board to pay rentals for more than one fiscal biennium at a time, subject to the aforesaid renewal options. The board may receive and may apply to rental payments under any such lease and to the cost of providing for the operation of such television or related facilities not only appropriations which may be made to it from state funds, from time to time, but also contributions, gifts, matching funds, devises and bequests from any source, whether federal or state, and whether public or private, so long as the same are not conditioned upon any improper use of the television or related facilities in a manner inconsistent with the provisions of this subsection.

(4) [(3)] The state board of education may, on the recommendation and with the advice of the superintendent of public instruction, prescribe, print, publish and distribute at public expense such rules, regulations, courses of study, curriculums, bulletins, programs, outlines, reports and placards as it deems necessary for the efficient management, control and operation of the schools under its jurisdiction. All rules and regulations published or distributed by the board shall be inclosed in a booklet or binder on which the

words "informational copy" shall be clearly stamped or printed.

The House of Representatives hereby commends Veteran Tounsel Howard, Leburn, Kentucky, Air Force Sergeant, for his perilous and extraordinary service in the defense of his country. As a participant in a series of Atom bomb tests in 1957, his life was in great jeopardy and today he is a cancer victim probably as a result of radiation exposure. Self-denial, self-sacrifice, and love for his country are admirably and courageously demonstrated in his fulfillment of a top secret mission entrusted to him 20 years ago. Recently, his classified status was removed in order that he might testify in Washington at Hearings on Health and Environment. We applaud him for his implicit faith, supreme sacrifice, and for honoring his oath many years for the protection of his country. (Sponsored by Representative Weinberg)

Representative Williams moved that the adoption of the following Legislative Citation No. 38:

The House of Representatives hereby pays tribute to a great American and a great Kentuckian. Muhammed Ali has been Kentucky's greatest public relations vehicle, rivaled only by the famed Kentucky Derby. Wherever he went, Manila, the Phillipines, Zaire, Egypt, Chicago or New York, he made it perfectly clear that he was not only a native Kentuckian but was proud of it. Ali is a cleancut, non-smoking, non-drinking athlete and man with deep-seated religious beliefs. He is a man who has the courage of his convictions and the fortitude to stand up for what he believes in at all costs. Muhammed Ali has shown the world that Kentuckians are a strong and proud breed of people both in victory and in defeat. The end of an era has finally come. Muhammed Ali has gone down in defeat at the hands of a younger Leon Spinks. There was a kind of sadness in his defeat because he represented so many things to so many people. Neither Kentucky nor the world will ever see one like him again. Truly as heavyweight boxers go, he is indeed, the Greatest. (Sponsored by Representatives Williams and Benson)

designees a program of short term crisis assistance whereunder assistance shall be rendered for a maximum of ninety (90) days during any twelve (12) month period beginning with the first date of application to persons who, through accident or circumstances, are in need.

(2) The secretary of the department for human resources shall determine:

(a) A formula for setting amounts of assistance for short term crisis assistance benefits, which shall not exceed those for which recipients of public assistance are eligible, in order to obtain the greatest benefit from funds available in a fiscal period and to assure that available funds last through the fiscal period;

(b) The degree of proof necessary for the applicant to establish eligibility which shall include social security number, two (2) collateral references, and employment history; and

(c) Further conditions of eligibility by taking into account the income available to the person, when added to contributions in money, substances, or services from other sources, including contributions from legally responsible relatives.

(3) The assistance shall be administered by each county or its designee in accordance with regulations and procedures promulgated by the department for human resources. Each county or its designee shall adhere to the eligibility criteria for short term crisis assistance as established by the department for human resources and the department shall conduct a statewide training program to insure understanding and proper implementation of the program. The funds appropriated by the general assembly shall be made available to the counties on a per capita basis.

(7) Recipients shall register for employment with the state employment service and shall accept suitable training or suitable employment. Standards of suitability for training and employment shall be the same as for recipients of public assistance benefits. (4) For the purposes of implementing the provisions of this Act:

(a) A precipitating crisis shall not be the only standard for which individuals may be eligible to receive assistance, and the principal standard of eligibility shall be financial need, or impending destitution;

(b) No person eligible for programs operated under the authority of title IV-A of the social security act (aid to families with dependent children) shall be eligible for participation in the crisis oriented program for emergencies;

HB 534, AN ACT relating to pesticide applicators.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 217B.130 is amended to read as follows:

(1) The department shall not issue a pesticide applicator's license until the applicant has furnished evidence of financial responsibility with the department consisting either of a surety bond or a liability insurance policy or certification thereof protecting persons who may suffer legal damages as a result of the operations of the applicant *with the exception of applicators using only ground equipment for applying pesticides to agricultural lands, crops, or plants. When a license is issued without evidence of financial responsibility, equipment to be used by the licensee shall be required to display a license plate or decal issued by the department at no cost to the applicant, with an inscription informing persons that the applicator or licensee does not provide protection against losses arising from the application of pesticides under KRS 217B.130. It is the responsibility of the licensee to notify the department in writing if any changes in status are to be made* [;provided, that such surety bond or liability insurance policy need not apply to damages or injury to agricultural crops, plants, or land being worked upon by the applicator].

(2) The amount of the surety bond or liability insurance as provided for in this section shall be not less than $100,000 for public liability and not less than $25,000 for property damage, including loss or damage arising out of the actual use of any pesticide. Such surety bond or liability insurance shall be maintained at not less than those amounts at all times during the licensed period. The department shall be notified ten (10) days prior to any reduction at the request of the applicant or cancellation of such surety bond or liability insurance by the surety or insurer. The total and aggregate of the surety and insurer for all claims shall be limited to the face of the bond or liability insurance policy. The department may accept a liability insurance policy or surety

bond in the proper sum which has a deductible clause in an amount not exceeding $1,000 for all applicators for the total amount of liability insurance or surety bond required herein. If the applicant has not satisfied the requirements of the deductible amount in any prior legal claim, such deductible clause shall not be accepted by the department unless such applicant furnishes the department with a security bond or liability insurance which shall satisfy the amount of the deductible as to all claims that may arise in his application of pesticides.

(3) Should the surety furnished become unsatisfactory, said applicant shall upon notice execute a new bond or insurance and shall he fail to do so, the department shall cancel his license and it shall be unlawful thereafter for such person to engage in said business of applying pesticides until the bond or insurance is brought into compliance with the requirements of subsection (2) of this section and his license is reinstated by the department.

(4) Nothing in this chapter shall be construed to relieve any person from liability for any damage to the person or lands of another caused by the use of pesticides even though such use conforms to the rules and regulations of the department.

Revenue remaining after meeting the foregoing requirements shall be transferred to the city. Such revenues shall be credited to the general fund of the city as received and may be expended for general purposes or for capital improvements. Ad valorem taxes for the benefit of the sinking fund shall not be levied unless the income of the sinking fund is otherwise insufficient to meet such requirements.* [The entire income of the fund shall each year be set apart and applied to the payment of the interest and principal of all debts charged or chargeable to the fund, and to the cost of administration of the fund, and to no other use or purpose until the whole of the debts of the city are fully paid and satisfied, including the present and any future indebtedness of the city].

If the member is suspended, there shall be no continuances granted without the consent of the member accused.

(2) The board of education of each county school district shall, not later than July 1, 1940, divide its district into five (5) divisions as nearly equal in population [and containing integral voting precincts] insofar as is practicable *and containing contiguous voting precinct boundaries.* In first dividing the county district into divisions the board shall, if more than one (1) of its members reside in one (1) division, determine by lot which member from that division shall represent that division, and which members shall represent the divisions in which no member resides. The members so determined to represent divisions in which no member resides shall be considered the members from those divisions until their terms expire, and thereafter the members from those divisions shall be nominated and elected as provided in KRS 160.200, 160.220 to 160.250.

(3) No change shall be made in the boundary lines of the present division of the county school district until January 1, 1959, except in case of merger of districts or change in territory due to annexation. Any changes made in division boundary lines shall be such as will make divisions as nearly equal in population [and containing integral voting precincts] insofar as is *practicable and containing contiguous voting precincts* [practical]. No change may be made in division boundary lines more frequently than five (5) years after the last change in any division lines, except in case of merger of districts a change in territory *is* due to annexation. In counties containing a city of the first class wherein a merger pursuant to KRS 160.041 shall have been accomplished, there shall be seven (7) divisions. To be eligible to be elected from a division, a candidate must reside in that division. The divisions, based upon 1970 United States Census Bureau Reports on total population by census tracts for Jefferson County, Kentucky shall be as follows: Division One shall include census tracts 1-28; Division Two shall include census tracts 29-35, 47-53, 57-74, 80-84, 93, 129, 130; Division Three shall include census tracts 75-79, 85-88, 98-106, 107.01, 108; Division Four shall include census tracts 121.01, 123-128; Division Five shall include census tracts 36-46, 56, 90, 120, 121.02, 122; Division Six shall include census tracts 54, 55, 91, 92, 94, 95, 110.02, 113, 114, 117.01, 117.02, 118, 119; Division Seven shall include census tracts 89, 96, 97, 107.02, 109, 110.01, 111, 112, 115, 116, 117.03, 131, 132. The terms of the members to be elected, KRS 160.044 not withstanding, shall be four years and the election for the initial four year terms shall be as follows: The election of the members from Divisions Two, Four and Seven shall be held at the next regular November election following the effective date of the merger pursuant to KRS 160.041, and the election of the members from Divisions One, Three, Five and Six shall be held at the regular November election two (2) years thereafter. [A record of all changes in division lines shall be kept in the office of the county board of education, and shall be published pursuant to KRS chapter 424. A copy of the newspaper in which the notice is published shall be filed with the superintendent of public instruction within ten (10) days following its publication. No change shall be made in the boundary of any division after January 1 prior to the date on which a member of the school board is to be elected from any division.]

(4) *Responsibility for the establishment or the changing of school board division boundaries shall be with the county board of elections. Where division and census tract boundaries do not coincide with existing election precinct boundaries, school board divisions shall be redrawn to comply with precinct boundaries. In no instance shall precinct boundaries be redrawn nor shall a precinct be divided to accommodate the drawing of school board division lines. Precinct boundaries nearest existing school board division boundaries shall become the new division boundary. All changes under this statute must be completed on or before January 1, 1979, and on or before January 1 in any succeeding year in which a member of the school board is to be elected from any division. A record of all changes in division lines shall be kept in the offices of the county board of education and the county board of elections. The board of education shall publish all changes pursuant to KRS Chapter 424. A copy of the newspaper in which the notice is published shall be filed with the superintendent of public instruction within ten (10) days following its publication.*

(5)(a) Notwithstanding the provisions of subsection (3) of this section, if one hundred (100) residents of a county school district division petition the state board of education stating that the school district divisions are not divided as nearly equal in population as can reasonably be expected, the superintendent of public instruction shall cause an investigation to determine the validity of the petition, said investigation to be completed within thirty (30) days after receipt of the petition.

(b) If the investigation reveals the school district to be unequally divided according to population, the state board of education, upon the recommendation of the superintendent of public instruction, shall order the local board of education to make such changes in school district divisions as are necessary to equalize population within the five (5) school divisions.

(c) If any board fails to comply with the order of the state board of education within thirty (30) days or prior to August 1 in any year in which any members of the board are to be elected, members shall be elected from the district at large until the order of the state board of education has been complied with.

If the administrator shall disapprove any claim, or if the decision of the board of review be affirmance of the administrator's disapproval of the claim,

(1) No payment of a bonus shall be made,

(2) The administrator, upon receiving advice of the decision, shall note the same in a permanent book or record in his office; shall forthwith return to the claimant the copies of any official records submitted in support of the application; shall finally close the claim file; and may destroy all other papers except the application.

SECTION 14. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

(1) If a claim is approved by the administrator or finally approved upon resort to the board of review, the administrator shall promptly certify to the secretary for finance and administration the names and addresses of persons found entitled to be paid, as shown in the application, and the amount payable to each.

(a) A copy of each such certificate shall be sent to the commissioner of revenue, who shall promptly ascertain from the records of his department whether any person proposed to be paid a bonus is delinquent in the payment of any tax liability to the Commonwealth. No delinquency shall be deemed to exist as to any asserted tax liability which is the subject of a bona fide dispute. If any delinquency be found to exist, the commissioner of revenue shall within three working days after this receipt of the certificate, furnish the details thereof to the secretary for finance and administration; and if no advice of tax delinquency is received by the secretary before the end of the fourth working day after his receipt of certification from the administrator, he shall, for the purposes of this Act, conclusively presume that no delinquency of tax liability to the Commonwealth exists, but such presumption shall apply only to the existence or absence of a set-off by the Commonwealth against a certified claim for a bonus, and shall not alter the facts as between the Commonwealth and any taxpayer.

(b) If no advice of tax delinquency is received within such allowed time, the secretary for finance and administration may approve payment in accordance with the certificate of the administrator, and may immediately draw a warrant on the state treasury for a check in payment.

(c) Upon receipt of such warrant the state treasurer shall issue a check in accordance therewith payable from funds made available in accordance with this Act, and the same shall promptly be mailed to the payee thereof at the address shown in the certificate.

(2) If the secretary for finance and administration shall, within the allowed time, receive advice from the commissioner of revenue of the existence of a delinquency on the part of any person having an approved claim for a bonus, as to any tax liability to the Commonwealth, the secretary shall note the same on the certificate

of the administrator, withhold payment, and forthwith send to the claimant by registered mail a notice of the asserted delinquency, and the amount thereof, and that it is proposed that the same be set off against the bonus payment.

(a) If the secretary for finance and administration receives no protest in his office within ten working days after recording such notice, he shall conclusively presume that the proposed set off is just, shall apply the amount thereof in reduction or extinguishment of the payment certified by the administrator, and shall advise the commissioner of revenue of the amount set off against the bonus, which advice shall be noted by the commissioner of revenue on the records of his office as a credit upon the delinquent tax liability.

(b) If the tax set-off does not consume the entire amount of the bonus as certified by the administrator, the commissioner shall draw a warrant upon the state treasury for a check in the amount of the remainder, and upon receiving such check from the state treasurer shall send the same, together with advice of the set-off, by mail, to the payee at the address shown in the certificate of the director.

(3) If the secretary for finance and administration receives from the claimant a protest of the asserted tax delinquency, within the allowed time, the secretary shall withhold approval for payment, and shall refer the protest to the commissioner of revenue for disposition.

(4) If a tax set-off is made, and the claimant shall assert error with regard thereto, the exclusive remedy shall be by seeking refund from the commissioner of revenue.

SECTION 15. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

(1) Claims for payment of a bonus shall not be assignable before or after approval thereof; and any attempted or purported assignment received by or tendered to any officer of the Commonwealth shall be void, need not be acknowledged or returned, and may be disregarded.

(2) Payments of the bonus shall be exempt from all taxation by the Commonwealth, its political subdivisions and taxing districts.

(3) No claim for payment of a bonus and no payment made by the Commonwealth under this Act shall give rise to a cause of action against the Commonwealth or any of its officers, agents, or employes, and no claim for payment shall be subject to attachment, levy, garnishment or seizure by or under any legal or equitable process whatever; but this provision shall not extend exemption from legal process to the proceeds of any bonus payment after the same has been received from the Commonwealth.

(4) The Commonwealth does not consent to be sued in any court with regard to any matter connected with or arising out of claims for payment of the bonus herein authorized.

SECTION 16. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

(1) There shall be a board of review consisting of nine (9) persons who are residents and qualified voters of the Commonwealth, appointed by the governor without limitation as to political affiliation, religion, race, sex, or past or present service in the armed forces, except that six (6) members of this board shall be veterans. The name of said board shall be "The Viet Nam Veterans' Bonus Board of Review." The governor shall designate a chairman and a secretary from among the membership.

(2) Three members and no more shall constitute a board of review, and shall by concurrence of two members decide any claim which comes before the board in the manner provided in this Act. The chairman of the board shall designate three members to consider and decide each claim, having due regard for availability for service so that delay may be avoided.

(3) The chairman and secretary shall devote their full time to the affairs of the board and shall receive compensation at the rate to be fixed in accordance with personnel standards fixed by the commissioner of personnel until the functions of the board are performed and the board is dissolved as hereinafter provided. Other members of the board shall be compensated twenty-five dollars ($25.00) per diem, but only for actual time served in considering and deciding claims for veterans' bonuses pursuant to designation by the chairman. All members of the board shall be reimbursed for necessary travel to and from their places of residence, and in performance of duties pursuant to assignment, at the rate of eight cents per mile.

(4) Each claim coming before the board shall promptly be considered and decided by the three members designated for that purpose. In every case the board shall either (a) affirm the decision of the administrator, or (b) determine that a veterans' bonus should be paid, and to what persons and in what amounts. No written opinions or recitations of reasons for any decision need be made. A statement of the decision made shall be signed by at least two of the three members designated to decide the claim; and upon concurrence of two members a decision shall be final and not subject to reconsideration.

(5) When, after April 1, 1980, the board of review shall have decided all cases coming before it for decision, the chairman shall report such fact to the governor in writing. The governor shall thereupon declare that the board of review is dissolved, and shall so notify the members, and the functions and duties of the board shall be deemed to have been fully performed.

SECTION 17. A NEW SECTION OF KRS CHAPTER 40 IS CREATED TO READ AS FOLLOWS:

Any person who charges or collects or attempts to charge or collect either directly or indirectly, any fee or other compensation for assisting in any manner a person seeking to obtain payment of a bonus under this Act, shall be guilty of a misdemeanor and upon conviction thereof, shall be subject to a fine of not more than five hundred dollars ($500) or imprisonment for a term of not more than six (6) months, or both; but this provision is not intended to prohibit:

(1) Collection by public officers of statutory fees for providing authenticated copies of public records, or

(2) The giving of assistance or advice to claimants by any bona fide veteran's organization, civic organization, institution, public or private body, or person, through one or more persons compensated from the funds of such organization, institution, or public or private body or person, if no fee or charge therefor is collected from the asserted claimant.

The commissioner of personnel shall prepare and submit to the personnel board proposed rules for the classified service. Such rules shall have the force and effect of law, when approved by the board, after public notice and public hearing, and after filing with the legislative research commission in accordance with KRS chapter 13 and procedures adopted thereunder. If not disapproved by the board within forty-five (45) days after the submission thereof, they shall have the same force and effect as if approved. Amendments thereto may be made in the same manner, or on the initiative of the board. The rules shall provide:

(1) For the preparation, maintenance and revision of a position classification plan for all positions in the classified service, based upon similarity of duties performed and responsibilities assumed, so that the same qualifications may reasonably be required for and the same schedule of pay may be equitably applied to all positions in the same class. After such classification has been approved by the board, the commissioner shall allocate the position of every employe in the classified service to one (1) of the classes in the plan. Any employe affected by the allocation of a position to a class shall, after filing with the commissioner of personnel a written request for reconsideration thereof in such manner and form as the commissioner may prescribe, be given a reasonable opportunity to be heard thereon by the commissioner;

(2) For a pay plan for all employes in the classified service, after consultation with appointing authorities and the commissioner of the executive department for finance and administration. The plan shall take into account such factors as (a) the relative levels of duties and responsibilities of various classes of positions; (b) rates paid for comparable positions elsewhere; and (c) the state's financial resources. Such pay plan shall become effective only after it has been approved by the governor after submission to him by the board. Amendments to the pay plan may be made in the same manner. Each employe shall be paid at one (1) of the rates set forth in the pay plan for the class of position in which he is employed;

(3) For open competitive examinations to test the relative fitness of applicants for the respective positions. Such examinations shall be announced publicly at least fifteen (15) days in advance of the date fixed for the filing of applications therefor, and may be advertised through the press, radio and other media. The commissioner shall continue to receive applications and examine candidates on a continuous basis long enough to assure a sufficient number of eligibles to meet the needs of the service, and shall add the names of successful candidates to existing eligible lists in accordance with their respective ratings. The commissioner shall be free to use any investigation of education and experience and any test of capacity, knowledge, manual skill, character, personal traits, or physical fitness which in his judgment serves the need to discover the relative fitness of applicants;

(4) For promotions which shall give appropriate consideration to the applicant's qualifications, record of performance, conduct and seniority. Vacancies shall be filled by promotion whenever practicable and in the best interest of the service;

(5) For the establishment of eligible lists for appointment, upon which lists shall be placed the names of successful candidates in the order of their relative excellence in the respective examinations. Eligibility lists shall expire automatically at the end of two (2) years, unless the life of a list is extended by action of the personnel board for a period not to exceed one (1) additional year;

(6) For the rejection of candidates or eligibles who fail to comply with reasonable requirements of the commissioner in regard to such factors as age, physical condition, training and experience, or who have been guilty of infamous or disgraceful conduct [; who are addicted to alcohol to excess or to narcotics], or who have attempted any deception or fraud in connection with an examination;

(7) For the appointment of a person whose score is included in the five (5) highest scores earned on the examination;

(8) For a period of probation not to exceed one (1) year before appointment or promotion may be made complete, and during which period a probationer may be discharged or reduced in class or rank, or replaced on the eligible list. Unless the appointing authority notifies the employe prior to the end of the probationary period that the employe's services are not satisfactory, the employe shall have status in the classified service. The notice shall be in writing and as provided by personnel rules;

(9) For emergency employment for not more than thirty (30) working days with or without examination, with the consent of the commissioner;

(10) For provisional employment without competitive examination when there is no appropriate eligible list available. No such provisional employment shall continue longer than six (6) months, nor shall successive provisional appointment be allowed to the same position;

(11) For transfer from a position in one (1) department to a similar position in another department involving similar qualifications, duties, responsibilities, and salary ranges;

(12) For reinstatement within not more than five (5) years, only with the approval of the commissioner, of persons who resign in good standing or who are laid off from their positions without fault or delinquency on their part;

(13) For developing, in cooperation with the appointing authorities, uniform standards and methods of appraising work performance of all employes and for the use of such methods of appraisal in personnel actions;

(14) For lay-offs by reasons of lack of funds or work, or abolishment of a position, or material change in duties or organization, and for reinstatement of employes so laid off, giving consideration in both lay-offs and re-employment to qualifications, performance records, conduct and seniority in service;

(15) For imposition as disciplinary measures of a fine of not more than ten (10) working days' pay or for suspension from the service without pay for not longer than thirty (30) working days and for the manner of notification of the employe of the discipline and his right of appeal;

(16) For discharge or reduction in rank or grade only for cause, after the person to be discharged or reduced has been presented with the reasons for such discharge or reduction stated in writing, and has been allowed a reasonable time to reply thereto in writing, or, upon request, to appear personally with counsel and reply to the head of the department or his deputy. The statement of reasons and the reply shall be filed as a public record with the commissioner;

(17) For establishment of a plan for resolving employe grievances and complaints;

(18) For annual, sick and special leaves of absence, with or without pay, or reduced pay, after approval by the governor as provided in KRS 18.170(2);

(19) For the development and operation of programs to improve the work effectiveness of employes in the state service, including training, whether in-service or compensated educational leave, safety, health, welfare, counseling, recreation, and employe relations;

(20) For promotion of career employes to positions in the unclassified service without loss of status to the individual employes so promoted;

(21) For such other rules and administrative regulations not inconsistent with KRS 18.110 to 18.360, as may be proper and necessary for its enforcement.

Section 5. KRS 18.220 is amended to read as follows:

(1) The commissioner of personnel shall prepare and submit proposed rules to the governor for employes in non-merit system positions enumerated in paragraphs (f), (g), (h), (i), (j), (o), (t), and (u) of KRS 18.140(1). Such rules shall become effective after approval by the governor and promulgation in accordance with KRS Chapters 12 and 13. The rules shall provide:

(a) For the preparation, maintenance and revision of a position classification plan for all aforementioned positions in the unclassified service, based upon similarity of duties performed and responsibilities assumed, so that the same qualifications may reasonably be required for and the same schedule of pay may be equitably applied to all positions in the same class. After such classification plan has been approved by the governor, the commissioner shall allocate the positions of every employe in the unclassified service to one (1) of the classes of the plan. Any employe affected by the allocation of a position to a class shall, after filing with the commissioner of personnel a written request for reconsideration thereof in such manner and form as the commissioner may prescribe, be given a reasonable opportunity to be heard thereon by the commissioner;

(b) For a pay plan for all aforementioned employes in the unclassified service, after consultation with appointing authorities and the commissioner of the executive department for finance and administration, and taking into account such factors as (a) the relative levels of duties and responsibilities of various classes of positions; (b) rates paid for comparable positions elsewhere; and (c) the state's financial resources. Such pay plan shall become effective only after it has been approved by the governor after submission to him by the commissioner of personnel through the commissioner of the executive department for finance and administration. Amendments to the pay plan may be made in the same manner. Each employe shall be paid at one (1) of the rates set forth in the pay plan for the position in which he is employed;

(c) For transfer from a position in one (1) department to a similar position in another department involving similar qualifications, duties, responsibilities, and salary ranges;

(d) For annual, sick and special leaves of absence, with or without pay, or reduced pay, after approval by the governor as provided in KRS 18.170(2);

(e) For the development and operation of programs to improve the work effectiveness and morale of employes in the unclassified service, including training, safety, health, welfare, counseling, recreation, and employe relations;

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 157.315 is amended to read as follows:

(1) Upon the recommendation of the superintendent of public instruction, the state board of education shall adopt regulations defining and prescribing the criteria for kindergartens in the common schools [and the eligibility requirements of pupils to attend these classes].

(2) The minimum age for entrance into kindergarten shall be such that a child must be eligible to attend the first grade during the school year immediately following one (1) year of kindergarten.

(3) Any child who meets the minimum age requirements established by KRS 158.030 for first grade attendance but who is less than seven (7) years of age and has not previously attended kindergarten shall be eligible to attend kindergarten if, in the judgment of the parent or guardian, the child would benefit more from kindergarten instruction than from first grade instruction. When the number of classroom units are insufficient to accommodate all eligible pupils in the district, older pupils shall be given priority.

Section 2. KRS 158.030 is amended to read as follows:

A "common school" is an elementary or secondary school of the state supported in whole or in part by public taxation. No school shall be deemed a "common school" or receive support from public taxation unless the school is taught by a qualified teacher for a term of eight or more months during the school year and every child residing in the district who *satisfies the age requirements of this Act* [is six years of age and over] has had the privilege of attending it. Provided, however, that any child who is six years of age or who may become six years of age by December *1, 1978; November 1, 1979; October 1, 1980; or September 1, 1981, and any year thereafter,* [31 following the opening of school] may enter school provided that he enters within thirty calendar days of the beginning of that school year, with the exception that in schools having mid-year promotions any child who is six years of age or who may become six years of age within thirty calendar days after the opening of the second semester may enter school at the beginning of that semester. The county judge/executive of each other affected county shall be an additional member of the formation commission having jurisdiction and shall hold such membership only for the purpose of considering the multi-county problem and until such time that a final order has been issued concerning such territory. (1) When a city has been assigned by the general assembly to another class, it shall thereafter be governed by the laws relating to the class to which it has been assigned, but the transfer from one class to another shall not affect any ordinance theretofore enacted by the city, except that any ordinance in conflict with the laws relating to cities of the class to which the city has been assigned shall be repealed to the extent it so conflicts.

(2) Any officer holding office in any city changed to a classification other than that held at the time the officer was elected shall hold his office until the term for which he was elected has expired.

SECTION 13. A NEW SECTION OF KRS CHAPTER 81A IS CREATED TO READ AS FOLLOWS:
Cities bounded in part by the Ohio River shall have concurrent jurisdiction with the Commonwealth over the waters of the river opposite to the city. If the boundary between a city and one (1) or more other cities, or between a city and a county other than that in which the city is situated, is a stream within the state, the city shall have concurrent jurisdiction with the other city or cities, or the county, over the waters of the stream opposite to the city.

SECTION 14. A NEW SECTION OF KRS CHAPTER 81A IS CREATED TO READ AS FOLLOWS:
(1) If any city fails for one (1) year to maintain a city government by the election or appointment of officers and the levying and collection of necessary taxes, it may be dissolved by judgment of the circuit court on petition filed by a bona fide resident of the city.

(2) A city may be dissolved by judgment of the circuit court on petition filed by a majority of the voters in the city. The petition shall contain the signature and address of each petitioner.

(3) Each petition for dissolution shall be filed in the circuit court of the county in which the greater part of the city is located and shall set out the name and class of the city, a metes and bounds description of its boundaries, the number of voters and residents therein, and other facts relevant to the petition.

SECTION 15. A NEW SECTION OF KRS CHAPTER 81A IS CREATED TO READ AS FOLLOWS:

(3) Whenever any city is dissolved the judgment shall direct the clerk of the circuit court wherein such judgment is rendered to certify a copy of said judgment not later than ten (10) days thereafter to the secretary of state, whose duty it shall be to properly index and file the same as a permanent record in that office.

SECTION 16. KRS CHAPTER 82A IS ESTABLISHED AND A NEW SECTION THEREOF IS CREATED TO READ AS FOLLOWS:
Each city shall constitute a corporation, with capacity to sue and be sued, to contract and be contracted with, to acquire and dispose of property, and to have a common seal and change it at pleasure or act without a seal.

SECTION 17. A NEW SECTION OF KRS CHAPTER 82A IS CREATED TO READ AS FOLLOWS:
(1) A city may exercise any power and perform any function that is in furtherance of a public purpose of the city and not in conflict with a constitutional provision or statute; provided, however, that a city shall not under this chapter, derive any power or authority relating in any manner to the provision of electric utility service or the ownership or operation of facilities for such purposes.

(2) A power or function is not in conflict with a statute unless it is expressly prohibited by a statute or irreconcilable with a statute.

SECTION 18. A NEW SECTION OF KRS CHAPTER 82A IS CREATED TO READ AS FOLLOWS:

(1) Whenever any person desires to offer for dedication by recorded plat any public way or easement within the city limits, he shall file with the city legislative body a map or plat of the territory bounded, intersected or immediately adjacent to the proposed public way or easement, showing the proposed name, nature and dimensions of the public way or easement offered for dedication. If the city legislative body believes the proposed dedication would be beneficial to the public interest and suitable for the immediate or future acceptance of the city, it shall approve the map or plat, and the mayor shall subscribe a certificate of approval on the map and acknowledge the execution thereof before any public officer authorized to take acknowledgments of deeds. The map or plat may then be recorded in the office of the county clerk.

(2) Property dedicated as a public way or easement by the owner within any territory subsequently annexed to a city shall not be a public way or easement of the city until dedication by the owner has been accepted by ordinance.

(3) When any property has been opened to the unrestricted use of the general public for five (5) consecutive years, it shall be conclusively presumed to have been dedicated to the city as a public way or easement, subject to acceptance by the city. The city may, at any time after the expiration of five (5) years from the time the property is opened to the public, pass an ordinance declaring it so dedicated, and accepting the dedication, whereupon it shall be a public way or easement of the city for all purposes. The lack of an actual dedication to the city, or of a record title on the part of the city, shall be no defense against the collection of any tax that may be levied against property abutting thereon for the payment of the cost of any improvement constructed thereon by order of the city. Nothing herein shall be construed to require the expiration of five (5) years to raise a presumption of dedication in any case where, under any rule of law in force in this state, a dedication would be presumed in less than five (5) years.

SECTION 19. A NEW SECTION OF KRS CHAPTER 82A IS CREATED TO READ AS FOLLOWS:

(1) Upon the adoption of an ordinance by the city legislative body closing the whole or any portion of a public way, the city shall institute an action in the circuit court to have it closed. All the owners of property abutting that public way, or the portion proposed to be closed, shall be made defendants.

(2) If all defendants fail to object to the closing within twenty (20) days after the date of service, the court shall render a decree accordingly, but if any defendants object within the time, the court shall award damages, if any, in the same manner as prescribed by the Eminent Domain Act of Kentucky and shall direct that the public way be closed upon payment into court of the amount awarded. (2) If a majority of the votes cast are in favor of changing the organization and government of the city, the corporate entity of the city shall remain the same as it was before the change. All laws applicable to and governing cities and not inconsistent with the newly adopted plan shall continue to apply to and govern each city that so changes its plan. All city ordinances and resolutions in force in any such city and not inconsistent with the newly adopted plan shall continue in force until amended or repealed in the manner provided in the new plan.

In no event shall a city not be in compliance two (2) years after the adoption of the new plan by the voters.

(4) Failure on the part of any ministerial officer to perform the duties required of him by this section shall not prevent the change of the plan of organization and government of the city.

(5) No city which changes the plan under which it is organized and governed pursuant to this section shall again change the plan sooner than five (5) years from the effective date of the last change.

SECTION 36. A NEW SECTION OF KRS CHAPTER 83A IS CREATED TO READ AS FOLLOWS:

(4) Immediately upon expiration of the time for filing petitions, the county clerk shall have published in accordance with KRS Chapter 424, the names of the applicants as they will appear upon the primary ballot labels and special ballots, and thereupon shall cause the primary ballot labels and special ballots to be printed.

(5) Subsection (4) of this section shall not apply if it appears, immediately upon expiration of the time for filing petitions, that there are not more than two (2) applicants for nomination for each city office to be filled. In that case, the applicants for nomination shall thereby be nominated and no primary election shall be held for that office.

(6) Names of applicants for each nomination shall be placed on the voting machine. Above names of applicants for nomination for all city offices shall be printed the words "vote for one", except above names of applicants for nominations for legislative body member in cities nominating legislative body members at-large shall be printed the words "vote for-----(the number of legislative body members to be elected)." (2) Each administrative agency shall meet budgeting, accounting and auditing requirements applicable to cities.

(3) Each administrative agency shall keep a complete and accurate record of its proceedings.

SECTION 41. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

(1) Within sixty (60) days after the close of each fiscal year, each administrative agency shall make a full report to the city legislative body and the executive authority. The report shall include a financial statement and the general scope of operations of the agency during the preceding fiscal year.

(2) The city legislative body or executive authority may cause the accounts and records of an administrative agency to be examined at any time.

SECTION 42. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

(1) In addition to other rule-making requirements imposed by ordinance, each administrative agency shall:

(b) Promulgate rules of practice setting forth the nature and requirements of all formal and informal procedures, including a description of all forms and instructions used by the agency;

(c) Make available for public inspection all rules and all other written statements of policy or interpretations formulated, adopted, or used by the agency in the discharge of its functions; and,

(d) Make available for public inspection all final decisions, orders, and opinions.

(2) No agency rule is valid or effective against any person or party nor may it be invoked by the agency for any purpose until it has been approved by the city legislative body and has been made available for public inspection as herein required.

SECTION 43. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

(1) In a contested case, all parties shall be afforded an opportunity for hearing after reasonable notice as provided in subsection (2). An agency may issue subpoenas and administer oaths. The provisions of the Kentucky civil rules of procedure shall apply insofar as possible to agency subpoenas, except that an agency shall have no contempt power, and disobedience of a subpoena or a refusal to be sworn or to answer as a witness may be punished as a contempt on application to the district court of the county by the agency or any party.

(2) The notice shall include:
(a) A statement of the time, place, and nature of the hearing;
(b) A statement of the legal authority and jurisdiction under which the hearing is to be held;
(c) A reference to the particular sections of the statutes, ordinances and rules involved; and
(d) A short and plain statement of the material facts asserted. If the agency or other party is unable to state the matters in detail at the time the notice is served, the initial notice may be limited to a statement of the matters being contested. Thereafter, upon application, a more definite and detailed statement shall be furnished.

(3) Opportunity shall be afforded all parties to respond and present evidence and argument on all issues involved.

(4) Unless precluded by law, informal disposition may be made of any contested case by stipulation, agreed settlement, consent order, or default.

(5) The record in a contested case shall include:

(7) Findings of fact shall be based exclusively on the evidence and on matters officially noticed.

SECTION 44. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

(1) Irrelevant, immaterial, or unduly repetitious evidence shall be excluded. When necessary to ascertain facts not reasonably susceptible of proof under judicial rules of evidence, evidence not admissible thereunder may be admitted (except where precluded by statute) if it is of a type commonly relied upon by reasonably prudent men in the conduct of their affairs. Agencies shall give effect to the rules of privilege recognized by law. Objections to evidentiary offers may be made and shall be noted in the record. Subject to these requirements, when a hearing will be expedited and the interests of the parties will not be prejudiced substantially, any part of the evidence may be received in written form.

(2) Documentary evidence may be received in the form of copies or excerpts, if the original is not readily available. Upon request, parties shall be given an opportunity to compare the copy with the original.

(3) A party may conduct cross-examinations required for a full and true disclosure of the facts.

(4) Notice may be taken of generally recognized technical or scientific facts within the agency's specialized knowledge. Parties shall be notified either before or during the hearing, or by reference in preliminary reports or otherwise, of the material noticed, including any staff memoranda or data and they shall be afforded an opportunity to contest the material so noticed. The agency's experience, technical competence, and specialized knowledge may be utilized in the evaluation of the evidence.

SECTION 45. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

When in a contested case a majority of the members of the agency who are to render the decision have not heard the case or reviewed the record, the decision, if adverse to a party to the proceeding other than the agency itself, shall not be made until a proposal for decision is served upon the parties, and an opportunity is afforded to each party adversely affected to file exceptions and present briefs and oral argument to the officials who are to render the decision. The proposal for decision shall contain a statement of the reasons therefor and of each issue of fact or law necessary to the proposed decision, prepared by the person who conducted the hearing or one who has reviewed the record. The parties by written stipulation may waive compliance with this section.

SECTION 46. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

A decision or order adverse to a party in a contested case shall be in writing or stated in the record. A decision shall include findings of fact and conclusions of law, separately stated. Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts supporting the findings. If, in accordance with agency rules, a party submitted proposed findings of fact, the decision shall include a ruling upon each material proposed finding. Parties shall be served either personally or by mail with notice of any decision or order. Upon request, a copy of the decision or order shall be delivered or mailed forthwith to each party and to his attorney of record. The date of service of notice of the decision shall be noted in the record and shall be the date of entry for the purpose of fixing the running of the time for appeal.

SECTION 47. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

Unless required for the disposition of ex parte matters authorized by law, members or employes of an agency assigned to render a decision or to make findings of fact and conclusions of law in a contested case shall not communicate, directly or indirectly, in connection with any issue of fact, with any person or party, nor, in connection with any issue of law, with any party or his representative, except upon notice and opportunity for all parties to participate. Any such communication shall be noted in the record. An agency member may communicate with other members of the agency, and may have the aid and advice of one (1) or more personal assistants.

SECTION 48. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

(1) A party who has exhausted all administrative remedies available and who is aggrieved by a final decision in a contested case is entitled to judicial review. A preliminary, procedural, or intermediate agency action or ruling is immediately reviewable if review of the final decision would not provide an adequate remedy.

(2) Proceedings for review are instituted by filing a petition in the circuit court of the county in which the city is located within thirty (30) days after entry of the decision as defined in Section 46 of this Act. The agency and all adverse parties shall be made parties defendant and copies of the petition shall be served on them. Other parties may intervene in accordance with the rules of civil procedure.

(3) The filing of the petition does not itself stay enforcement of the agency decision. The agency may grant, or the reviewing court may order, a stay upon appropriate terms.

(4) Within thirty (30) days after the service of the petition, or within further time allowed by the court, the agency shall transmit to the reviewing court the original or a certified copy of the entire record of the proceeding under review. By stipulation of all parties to the review proceedings, the record may be shortened. A party unreasonably refusing to stipulate to limit the record may be taxed by the court for the additional costs. The court may require or permit subsequent corrections or additions to the record.

(5) If, before the date set for hearing, application is made to the court for leave to present additional evidence, and it is shown to the satisfaction of the court that the additional evidence is material and that there were good reasons for failure to present it in the proceeding before the agency, the court may order that the additional evidence be taken before the agency upon conditions determined by the court. The agency may modify its findings and decisions by reason of the additional evidence and shall file that evidence and any modifications, new findings, or decisions with the reviewing court.

(6) The review shall be conducted by the court without a jury and shall be confined to the record. In cases of alleged irregularities in procedure before the agency, not shown in the record, proof thereon may be taken in the court. The court, upon request, shall hear oral argument and receive written briefs.

(7) The court shall not substitute its judgment for that of the agency as to the weight of the evidence on questions of fact. The court may affirm the decision of the agency or remand the case for further proceedings. The court may reverse or modify the decision if substantial rights of the appellant have been prejudiced because the administrative findings, inferences, conclusions, or decisions are:

(a) In violation of law;
(b) In excess of the authority of the agency;
(c) Made upon unlawful procedure;
(d) Affected by other error of law;
(e) Clearly erroneous in view of the reliable, probative, and substantial evidence on the whole record; or
(f) Arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion.

SECTION 49. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

The city legislative body by ordinance may reduce or increase an administrative agency's powers and duties, or may transfer powers and duties from one agency to another. The city legislative body may discontinue an administrative agency by ordinance enacted not sooner than thirty (30) days following a public hearing on the proposal, notice of the time, place and purpose of which has been published pursuant to KRS Chapter 424.

SECTION 50. A NEW SECTION OF KRS CHAPTER 89A IS CREATED TO READ AS FOLLOWS:

SECTION 56. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

(1) Except as limited by statute, cities may impose and collect all taxes allowed by Section 181 of the Kentucky constitution. The power to impose a tax includes the power to impose reasonable penalties for failure to declare tax liability, if required, and to impose penalties and interest for failure to pay taxes when lawfully due. The power to impose a tax also includes the power to provide for its administration.

(2) Taxes may be imposed by cities only by ordinance. The purpose for which each tax is imposed shall be specified in the ordinance and the revenue generated shall be expended for no other purpose than that for which the tax is imposed. Failure to specify the purpose of a tax shall render the ordinance invalid.

(3) Except as provided by KRS 91.150, each city shall impose annually a separate tax levy sufficient to provide for the interest and amortization of each of its general obligation bond issues, and the money so provided shall be accounted for separately and not used for any other purpose.

(4) Cities may provide by ordinance for reasonable differences in the rate of ad valorem taxation within different areas of the same taxing district on that class of property which includes the surface of land. Those differences shall relate directly to differences between nonrevenue-producing governmental services and benefits giving the land urban character, which are available in one (1) or several areas of a taxing district in contrast to other areas of the same taxing district in which those services and benefits are not available.

(5) Any city imposing a license fee or tax upon any insurance company for the privilege of engaging in the business of insurance shall file with the commissioner of insurance a copy of the ordinance which imposes the license fee or tax. Any license fee or tax imposed by a city upon any insurance company shall be based upon a percentage of the premiums received by the company within the preceding tax year for insurance on risks located within the corporate limits of the city, less all premiums returned to policyholders. Any license fee or tax imposed upon a life insurance company may be applied only to premiums from new policies written within the preceding calendar year upon the lives of persons residing within the corporate limits of such city. Such license fee or tax shall be due at the beginning of the tax year. The department of insurance shall, by regulation, provide for a reasonable collection fee to be retained by the insurance company or its agent as compensation for collecting such tax; provided, however, that the collection fee shall not be more than thirty per cent (30%) of the fee or tax collected and remitted to the city or two percent (2%) of the premiums subject to the tax, whichever is less. This collection fee shall be deducted from the tax collected and not be an additional fee against the insured. To facilitate computation, collection and remittance of the fee or tax and collection fee provided herein, the fees or taxes set out in this subsection, together with the collection fee herein may be rounded off to the nearest dollar amount. Accounting and reporting procedures for collection and reporting of the fees or taxes and the collection fee herein provided shall be determined by regulation promulgated by the department of insurance. Upon written request of the legislative body of any city, at the expense of the requesting city which shall be paid in advance by such city to the department of insurance, the department of insurance shall examine or cause to be examined by contract with qualified auditors the books or records of the insurance companies or agents subject to such fee or tax to determine whether the fee or tax is being properly collected and remitted, and the findings of such examination shall be reported to such city. Wilful failure to properly collect and remit the fee or tax imposed by a city pursuant to the authority granted by this subsection shall constitute grounds for the revocation of the license issued to an insurance company or agent under the provisions of KRS Chapter 304.

(6) No company that pays an ad valorem tax and a franchise tax is required to pay a license tax and no license tax shall be imposed upon or collected from any bank, trust company, combined bank and trust company or combined trust, banking and title business in this state, any savings and loan association whether state or federally chartered or upon income received by members of the Kentucky national guard for active duty training, unit training assemblies and annual field training, or in any other case where the city or urban-county government is prohibited by statute from imposing a license tax.

(7) Nothing in this section shall be construed to repeal, amend or otherwise affect any statute specifying or limiting tax or fee rates, exempting property from local taxation, fixing a special rate on proper classification or imposing a state tax which is declared in lieu of all local taxation.

(b) The county clerk shall place city ad valorem taxes due on the tax bills of owners of property in the city, prepared in accordance with KRS 133.220 and 133.230.

(c) The sheriff shall collect all city ad valorem taxes, including delinquent taxes, in the same manner as county ad valorem taxes, as provided in KRS Chapter 134. The sheriff shall be compensated in an amount calculated to defray additional costs to the sheriff for the services performed, but such amount shall not exceed the rates provided for tax collection by KRS Chapter 134. All procedures provided by KRS Chapter 134 concerning collection of delinquent taxes by counties shall be applicable.

(2) If a city does not elect to have city ad valorem taxes collected by the sheriff as provided in subsection (1) of this section, city ad valorem taxes shall be due and payable at the same time as state and county ad valorem taxes are due and payable, unless otherwise prescribed by ordinance or statute. The city shall establish by ordinance procedures for the collection of ad valorem taxes, which shall specify the manner of billing, the place for payment, discounts, if any, for early payment, penalties and interest for late payment, and other necessary procedures related to ad valorem tax administration.

(3) In cities proceeding under subsection (2) of this section, ad valorem taxes upon real or personal property shall be delinquent if not paid by the date set by ordinance or statute. A lien superior to all other liens, except a lien for state taxes, whether such liens were acquired before or after the maturity of the taxes referred to in this section, shall exist in favor of the city from the date the taxes are due, for the amount of the taxes, interest and penalties, upon all the real and personal property of the delinquent taxpayer. The city may enforce the lien by action in the name of the city in the circuit court. In that action it may also obtain a personal judgment against the delinquent taxpayer for the tax, penalties, interest and costs of the suit.

SECTION 58. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

(1) Unless a city has elected to use the annual county assessment for property located within the city as the basis for city ad valorem tax levies, as provided in KRS 132.285, the city legislative body shall provide for the assessment of such property by the city through the adoption of an ordinance which shall:

(a) Assign responsibility for property assessments to an office of the city created under the provisions of Section 27 of this Act.

(b) Provide for a board of equalization and such procedures as are necessary to meet constitutional requirements for due process in any grievance or remedy sought by city taxpayers.

(c) Provide assessment procedures in such detail as necessary to fully safeguard any city ad valorem tax revenues, meet all constitutional requirements for property valuation, due process and equal protection under the law and to insure orderly administration of the assessment process.

(2) If a city elects to provide by ordinance for the assessment of property for ad valorem tax purposes by the city, appeals from the decisions of the city board of equalization shall be taken in the same manner as appeals from decisions of county boards of equalization.

SECTION 59. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

(1) Each city shall establish by ordinance procedures for purchases, which shall enable verification and auditing of purchasing records.

(2) All purchases involving the expenditure of more than five thousand dollars ($5,000) shall be advertised for bid pursuant to KRS Chapter 424. The advertisement shall include specifications of quantity and quality or the place where such specifications may be obtained. Bid openings shall be open to the public. Purchases shall be let to the lowest and best bid. All bids may be rejected and the purchase may be readvertised.

SECTION 60. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

(1) Before a city officer or employe acts in an official capacity in a matter which embraces a conflict of interest, he shall disclose the interest in the manner prescribed in this section and declare himself unable to act on that matter.

(2) Legislative body members shall disclose any conflict of interest in meetings of the legislative body and such disclosure shall be made a part of the record of the meeting.

(3) Mayors and city managers shall disclose any conflict of interest to the legislative body and the disclosure shall be made a part of the permanent records of the city. The legislative body shall choose the officer they deem to be most qualified to act in the matter in question.

(4) All other city officers and employes shall disclose any conflict of interest, in writing, to the executive authority of the city. The executive authority shall choose the officer or employe he deems to be most qualified

to act in the matter in question or the executive authority may act itself.

(5) Violation of this section by an elected official shall be grounds for removal in accordance with Section 23 of this Act. Violation of this section by any other officer or employe shall be grounds for:

(a) Written warning or reprimand;
(b) Forfeiture of pay without suspension;
(c) Suspension without pay for specified periods of time;
(d) Reduction in grade or pay or both; or
(e) Termination of employment.

(1) If, in any year, the legislative body of a city deems it necessary to incur any indebtedness that cannot be paid without exceeding the income and revenue provided for the city for that year, it shall, by ordinance, order an election by the voters of the city to determine whether the indebtedness shall be incurred and bonds issued therefor. The ordinance shall specify the amount of the indebtedness proposed to be incurred, the purpose, and the amount of money necessary to be raised annually by taxation for an interest and sinking fund. The ordinance shall be published pursuant to KRS Chapter 424. The city shall file a certified copy of the ordinance with the county clerk of the county in which the city is located, at least thirty (30) days prior to the next regular election, and thereupon the county clerk shall cause the question of incurring the indebtedness and issuing bonds to be placed upon the ballots to be used in the city precincts. The election shall be held under the general election laws.

(2) If two-thirds (2/3) of the votes cast on the question are in favor of incurring the indebtedness, the city legislative body may incur the indebtedness and issue bonds of the city, and shall by ordinance provide for the mode of creating and paying the indebtedness. The ordinance shall provide for the levy and collection of an annual tax upon all taxable property within the city, sufficient to pay the interest on the indebtedness and create a sinking fund for the payment of the principal within a period of not more than forty (40) years from the time of incurring the indebtedness. The annual tax shall be levied and collected at the same time as other taxes, and shall be in addition to all other taxes. The proceeds of the tax, when collected, shall be kept in the city treasury as a separate fund, to be inviolably appropriated to the payment of the principal and interest of the indebtedness.

(2) The bonds may provide that they or any of them may be called for redemption prior to maturity, under conditions fixed by the city before issuing the bonds.

(3) Any city is authorized to rent or lease any portion of the undertaking to or contract concerning it with any person, partnership, association or corporation either public or private, profit or nonprofit. Notwithstanding any other laws, any such renting, leasing or contracting may be accomplished without the necessity of awarding the lease or contract by advertisement or competitive bidding, provided the city first makes a legislative determination that it is in the best interest of the city to enter into the lease or contract without the necessity for advertisement or competitive bidding; and the lease may provide that the lessee is permitted or obligated to sublease the undertaking or any portion thereof for the purpose of accomplishing the creation, improvement, revitalization, renewal or modernization of a central business or shopping community.

(4) A city is hereby empowered to accept donations or gifts to the undertaking from any source and to accept appropriations and grants to the public project from the federal government or any agency thereof and appropriations from the state or any county, city or other political subdivision and, at the option of the city to pledge such donations, gifts or appropriations to the payment of revenue bonds issued to finance the cost of the undertaking.

SECTION 64. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

Bonds issued pursuant to Sections 62 to 74 of this Act shall be negotiable and shall not be subject to taxation. If any officer whose signature or countersignature appears on the bonds or coupons ceases to be such officer before delivery of the bonds, his signature or countersignature shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until delivery. The bonds shall be sold in such a manner and upon such terms as the city deems best, or any contract for the acquisition of an undertaking may provide that payment shall be made in such bonds. The bonds shall be payable solely from the revenue derived from the undertaking or other revenue as provided in Section 65 of this Act and shall not constitute an indebtedness of the city within the meaning of the constitution. It shall be plainly stated on the face of each bond that it has been issued under the provisions of Sections 62 to 74 of this Act and that it does not constitute an indebtedness of the city within the meaning of the constitution.

SECTION 65. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

Prior to the issuance of the bonds, provision shall be made by ordinance for the creation of a separate and special fund or account of the city, identified as constituting the source of payment of principal and interest, and as provided by Section 68 of this Act, costs of maintenance, operation and depreciation. The fund shall by covenant be continued so long as any of the bonds remain outstanding and unpaid. By the provisions of the ordinance the city may pledge and covenant that it will cause to be set aside and deposited in the separate and special fund, moneys received from any or all of the following sources, subject to the following conditions and limitations:

(1) If the undertaking will produce direct revenues in the form of rents, royalties, fees, assessments, rates or charges of any character, including any payments to the city in lieu of property taxes, but not property taxes themselves, all or any portion therof may be so pledged; but it shall not be a condition or requirement in the issuance of revenue bonds that such revenues be anticipated at all, nor that they be sufficient in themselves to provide for the payment of principal and interest when scheduled to become due.

(2) If the undertaking in the opinion of the legislative body of the city will cause the project to produce no direct revenues, or to produce direct revenues insufficient to give acceptable assurance of payment of principal and interest when scheduled to become due, then:

(a) The city may pledge and covenant that it will cause to be deposited in the special fund any revenues under control of the legislative body which may be derived from any municipally owned and operated water, electric, gas, sewer or other utility system, or from any combination thereof, to the extent such revenues at the time may be or become surplus to the necessary costs of operating and maintaining such utility system or systems and surplus to any existing contractual commitments of the city to the holder or holders of outstanding revenue bonds payable from such revenues;

(b) If the legislative body of the city should make a legislative finding of fact, as recited in the body of the ordinance authorizing issuance of the bonds, that the undertaking is of such nature as to provide increased revenues to the city by reason of increased employment and resulting increased receipts from occupational license fees or occupational license taxes, then the city may pledge and covenant that it will cause to be deposited in the separate and special fund the receipts which may be definitely identified as accruing from such occupational license fees or taxes by reason of employment in or directly related to the undertaking, less a proportionate part of the costs of collecting such fees or taxes; and

(c) The city may pledge and covenant that it will cause to be deposited in the special fund any other specifically identified revenue of the city to the extent that the constitution permits.

(3) In the case of revenues originating from any of the sources and in the respective manners set forth in paragraphs (a), (b), and (c) of subsection (2) of this section, the city may covenant and pledge that such revenues, or a stipulated amount or portion thereof, will be set aside and deposited in the special fund when, as and if received; that as to any city-owned utility system, the revenues of which are pledged, the rate or schedule of rates prevailing at the time revenue bonds are issued will not be reduced so long as any of the bonds remain outstanding and unpaid, and in the case of a pledge of revenues of a city-owned utility system or combination of utility systems, that the city will not sell or otherwise dispose thereof without making provision for payment of the revenue bonds from the proceeds of such sale or other disposition, due regard being given to the priority of any previously issued bonds which are payable from such revenues.

SECTION 66. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

All money received from the bonds shall be applied solely for the acquisition, construction, maintenance or improvement of the undertaking and the necessary expense of preparing, printing and selling the bonds, or to advance the payment of the interest on the bonds during the first three (3) years following the date of the bonds, or to provide an initial debt service reserve; and the proceeds of the bonds may be supplemented by contributions from the issuing city or from any other source toward the cost of construction of the undertaking or toward the creation of a debt service reserve for the protection and benefit of the bondholders, or for any other purpose related to the financing of the acquisition and construction of the undertaking, and it may be further provided that any contribution made for the purpose of assisting in the initial establishment of a debt service reserve for the benefit and protection of the bondholders may be returned or reimbursed to the contributor thereof whenever other equivalent funds have been provided from the revenues of the undertaking or from any other source toward the establishment of the debt service reserve.

SECTION 67. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

(1) If there is any default in the payment of principal or interest of any bond, any court having jurisdiction of the action may appoint a receiver to administer the undertaking with power to charge and collect rents, royalties, fees, rates and charges and to receive any other available revenue sufficient to provide for the payment of any bonds or obligations outstanding against the undertaking and for the payment of operating expenses, and to apply the income and revenue in conformity with Sections 62 to 74 of this Act and the ordinance referred to in Section 62 of this Act.

(2) Notwithstanding any of the other provisions of Sections 62 to 74 of this Act, it may be provided in the proceedings authorizing bonds issued for the purpose of financing an undertaking that the city in connection with the issuance of its bonds, execute a mortgage deed of trust in favor of a trustee on property acquired or constructed through the application of the proceeds of the bonds, providing that in the event of default by the city in the payment of interest or principal of its bonds or in the event of default of any other covenant contained in such mortgage deed of trust the trustee, upon behalf of the bondholders, may institute and carry through foreclosure proceedings, with the property secured by the mortgage deed of trust put up for sale on foreclosure proceedings, the proceeds of the sale to be used for the benefit of the bondholders. In connection with such plan of financing, such provisions may be inserted in the bonds themselves and in the mortgage deed of trust.

The ordinance prescribed by Section 65 of this Act shall definitely fix and determine the amount of revenue necessary to be set apart and applied to the payment of principal and interest of the bonds, and the proportion of the balance of the income and revenue to be set aside as a proper and adequate depreciation account, and the remaining proportion of such balance shall be set aside for the reasonable and proper operation and maintenance of the undertaking. The rents, royalties, fees, rates and charges for the services or sales of property of the undertaking shall be fixed and revised from time to time so as to be sufficient to provide for payment of interest upon all bonds, to amortize the principal, and to provide for operation, maintenance and depreciation.

SECTION 69. A NEW SECTION OF KRS CHAPTER 91A IS CREATED TO READ AS FOLLOWS:

If a surplus is accumulated in the operating and maintenance accounts equal to the cost of maintaining and operating the undertaking during the remainder of the calendar, operating or fiscal year, and during the succeeding like year, any excess over such amount may be transferred at any time by the city to the depreciation account to be used for improvements, extensions or additions to the undertaking.

(2) The provisions of Sections 103 to 111 of this Act are independent of and do not affect the laws governing the police and fire departments, nor their pension funds.

SECTION 102. A NEW SECTION OF KRS CHAPTER 90 IS CREATED TO READ AS FOLLOWS:

A city of the second or third class or urban-county government may by ordinance establish a personnel management unit charged with personnel matters. In the event such a unit is established, the city or urban-county government shall by ordinance delegate to the unit, in addition to its regular functions not related to this statute, the initial performance of all or a part of the functions described as functions of the commission in Sections 103 to 105 and 107 of this Act, but no other sections hereof, except that in any event the decisions of the unit shall be subject to review, amendment or change by the commission. In the case of the certification of lists of eligible applicants for employment such lists may be prepared by the personnel management unit, but shall be submitted to the appointing authority only after approval of the commission; and in respect of all other matters delegated, periodic reports shall be made by the unit to the commission, not less than monthly, and any directions of the commission, or any proposed alterations or changes in the action of the unit shall be promptly complied with by the unit.

SECTION 103. A NEW SECTION OF KRS CHAPTER 90 IS CREATED TO READ AS FOLLOWS:

(1) Any city of the second or third class adopting a civil service system and any urban-county government shall operate under Sections 103 to 111 of this Act and, by ordinance, create a civil service commission, which shall hold such nondiscriminatory, open examinations or evaluations to determine the relative fitness of applicants for municipal employment within the city or urban-county government as are designated by ordinance. The city or urban-county government shall, by ordinance, create civil service classifications for all employes consistent with the actual work to be performed by such employes.

(2) The mayor, subject to the approval of the legislative body, shall appoint five (5) persons who shall constitute the civil service commission of that city or urban-county government. No appointee shall be related by either blood or marriage to the mayor, or any member of the legislative body. The appointees shall originally be appointed, two (2) for a term of two (2) years and three (3) for a term of four (4) years, and the successors

to these appointees shall be appointed in like manner, each for a period of four (4) years and until his successor is appointed and qualified. A vacancy shall be filled for the unexpired term in the same manner as original appointments. There shall be chosen by the commission a secretary of the commission. The secretary shall be an employe of the city or urban-county government who is covered by the provisions of Sections 102 to 111 of this Act. Each appointee shall qualify by taking an oath of office as required by law. The salaries, if any, of the members of the commission may be fixed by the legislative body.

(3) If the mayor fails to appoint a civil service commission within ninety (90) days after he has the power to so appoint or after a vacancy exists, the officer who presides in the absence of the mayor, however designated, shall make the appointment and the appointee shall hold office until the expiration of the term and until his successor is appointed and qualified.

(4) The civil service commission shall make and enforce nondiscriminatory rules, not inconsistent with the provisions of Sections 102 to 111 of this Act, for examinations and registrations therefor.

SECTION 104. A NEW SECTION OF KRS CHAPTER 90 IS CREATED TO READ AS FOLLOWS:

(1) The civil service commission shall prescribe and propound such examinations as are proper, commensurate with vacant positions within the various departments of the city or urban-county government, according to classifications prescribed by ordinance; shall set such times and places for holding examinations as may be proper; shall give public notice of vacancies by publication pursuant to KRS Chapter 424; and shall give actual notice to all eligible applicants of time and place of examinations. The civil service commission may prescribe and propound job descriptions which reasonably establish minimum qualifications and standards for eligibility to take such examinations, but in no event shall such job descriptions be a subterfuge for the evasion of the requirement that employment be determined on the basis of the principles set out herein.

(2) The civil service commission shall, as soon after examinations as is practicable, certify to the appointing authority a list of the eligible applicants. After the compilation of such a list the commission may provide for further, substantially identical examinations, given on the same basis as the original examinations, to supplement the list so compiled, and the results of each such subsequent examination shall be consolidated with the results of the prior examinations to provide an eligible list from among all of those who have taken such examinations.

(3) Every soldier, sailor, marine, member of the air force, army nurse, member of any other branch of military service or Red Cross nurse who served during a period of hostilities between the United States and another power in World War II or the Korean or Vietnam conflict who has not been dishonorably discharged and who is an applicant for any position of civil service of a city or urban-county government shall be entitled to five percent (5%) increase on his examination mark on entrance into civil service employment.

(4) The civil service commission shall certify an eligible list for each position to be filled upon notification by the appointing authority that a vacancy exists.

(5) The legislative body may designate certain civil service positions and prescribe that for such positions the examinations shall first be given exclusively to current employes; provided, however, that if no employe with a minimum of six (6) months seniority achieves a passing grade, an examination shall be held in accordance with subsection (1) of this section.

SECTION 105. A NEW SECTION OF KRS CHAPTER 90 IS CREATED TO READ AS FOLLOWS:

The civil service commission shall examine all eligible applicants who have been certified and tentatively selected for employment as to their physical and mental qualification for the particular classification wherein they seek employment.

SECTION 106. A NEW SECTION OF KRS CHAPTER 90 IS CREATED TO READ AS FOLLOWS:

Employes, who at the time the provisions of Sections 103 to 111 of this Act become applicable have been in the employ of the city or the urban-county government, or any city or county or other municipality merged into such urban-county government, (a) for six (6) months last past or (b) having been employed after taking a merit system examination, shall not be required to stand an original examination, and shall be eligible for all the benefits provided by Sections 103 to 111 of this Act.

SECTION 107. A NEW SECTION OF KRS CHAPTER 90 IS CREATED TO READ AS FOLLOWS:

(1) The appointing authority shall make all civil service appointments, and the appointments shall be made only from the list of eligible applicants certified by the civil service commission.

(2) Whenever it is imperative to fill a vacancy in classified civil service before the commission can certify a list of persons eligible for appointment after competitive examination, the appointing authority shall nominate a competent person from the same class or next lower rank to the commission and if certified by the commission as qualified he may be appointed temporarily to fill the vacancy until an appointment can be made after competitive examination. Temporary appointments hereunder and under subsection (3) of this section shall continue only until a regular appointment can be made from the eligible list prepared by the commission.

(3) In the circumstances described in subsection (2) of this section, when no one on the eligible list, or by promotion from the same class or the next lower rank is available, competent and qualified, a temporary appointment may be made by the appointing authority without examination. In no case shall appointment hereunder or under subsection (2) of this section continue longer than ninety (90) days without the approval of the legislative body. Upon a statement of the reasons, the legislative body may extend the length of such a temporary appointment for a maximum of two (2) additional ninety (90) day periods.

(4) Where the service to be rendered by an appointee in the classified service is for a temporary period as provided herein, the appointing authority shall select for that temporary service a person on the list of those eligible for permanent appointment, if such person accepts such appointment. Successive temporary appointments to the same position shall not be made under this provision. The acceptance or refusal by an eligible applicant of a temporary appointment shall not affect his standing on the register for permanent employment, nor shall temporary service be counted as part of the probationary service in case of subsequent appointment to a permanent position.

(5) Temporary appointments made by reason of these provisions, made necessary by reason of illness or disability of regular employes, may continue during such period of disability, but shall continue only during such period of disability and in no case longer than nine (9) months. No other temporary appointments other than those provided for herein may be made, except that seasonal appointments may be made for periods not in excess of six (6) months.

(6) Seniority in the level or rank of employment in which the vacancy occurs, and seniority in the level or rank of employment nearest the level or rank in which the vacancy occurs shall each be given material consideration in filling such vacancies as shall occur in the classified civil service. Within six (6) months after adoption of a civil service system by a city of the second or third class, or within six (6) months after the effective date of an urban-county government, there shall be established by ordinance (if not delegated to the commission, or to the personnel management unit charged with personnel matters subject to the control of the commission) a plan which in definite terms complies with this subsection. The plan may be amended from time to time in accordance with the ordinance, but the effective date of any alteration therein shall be no sooner than one hundred eighty (180) days after its adoption. The plan shall provide for and describe in reasonable detail the circumstances, if any, under which the seniority described therein shall be the sole criteria for promotion, and the circumstances in which it will not, and in the latter case, shall provide a reasonably definite method by which applicants shall be entitled to an increase on their examination or evaluation scores by reason of seniority, the relative importance of each type of seniority in the determination, and the percentage increase in the scores for seniority. The circuit court of the county in which the city or urban-county government is located shall have jurisdiction to determine the reasonableness of the plan and alterations thereto and its compliance with the principles set out in this subsection.

(7) In case of vacancy in the classified service, where peculiar and exceptional qualifications of a particular professional or educational character are required, upon satisfactory reasons stated in writing by the appointing authority the commission may suspend the provisions requiring competitive examination under civil service.

SECTION 108. A NEW SECTION OF KRS CHAPTER 90 IS CREATED TO READ AS FOLLOWS:

(1) No employe in the classified service of a city of the second or third class or urban-county government, after serving a probationary period provided by ordinance for his class, which shall not be less than six (6) nor more than twelve (12) months, shall be dismissed, suspended or reduced in grade or pay for any reason except inefficiency, misconduct, insubordination or violation of law.

(2) Any person may prefer charges in writing against any employe by filing them with the civil service commission. The charges must be signed by the person making them and must set out clearly each charge. Upon the filing of charges the secretary of the civil service commission shall notify its members and serve a copy of the charges upon the accused employe with a statement of the date, place and hour at which the hearing of charges will begin. The hearing shall be held within ten (10) days of the date of the service of charges upon the accused employe, unless all the parties agree in writing otherwise.

(3) The hearing shall be conducted and the record maintained in the manner prescribed in Sections 43 to 47 of this Act.

(4) In cases where the head of the department or executive unit or the appointing authority has probable cause to believe an employe has been guilty of conduct justifying his removal or punishment he may immediately suspend that employe from duty or from both pay and duty pending a hearing and the employe shall not be placed on duty or allowed pay thereafter until the charges are heard by the civil service commission.

(5) The civil service commission shall punish any employe found guilty by reprimand or a suspension for any length of time not to exceed six (6) months, or by reducing the grade, if the employe's classification warrants, or by combining any two (2) or more of these punishments, or by dismissal. No employe shall be reprimanded, removed, suspended or dismissed except as provided in this section

(6) Irrespective of the other provisions of Sections 103 to 111 of this Act, an employe may be suspended by the head of the executive unit in which he is employed, or by the appointing authority, but only as provided by ordinance, for a period not exceeding thirty (30) days in any twelve (12) month period, and may be reprimanded by such head or authority not more than twice in any twelve (12) month period. In such event, the actions of the head or appointing authority shall be subject to appeal to the commission. The appeal shall be filed with the secretary of the commission within ten (10) days of the action of the unit head or appointing authority, and may be reviewed, reduced or revoked by the commission after a hearing in which the unit head or appointing authority shall have reasonable opportunity under rules established by the commission to support his charges. The grounds of suspension or reprimand under this subsection shall be only those set out by ordinance. The commission shall, in the event it finds that the unit head or appointing officer acted in error, take necessary action to compensate the appealing employe for the error including removal of a reprimand from the employe's file or reinstatement with retroactive pay for any period of suspension. An appeal by an employe under this subsection shall suspend the operation of the action of the unit head or appointing authority pending action of the commission.

(7) Nothing herein shall prevent the city or urban-county government from providing additional remedies and rights to employes by ordinance.

SECTION 109. A NEW SECTION OF KRS CHAPTER 90 IS CREATED TO READ AS FOLLOWS:

(1) Any employe found guilty by the civil service commission of any charge as provided by Section 108 of this Act or whose discipline under subsection (6) of that section has been upheld by the commission may appeal to the circuit court of the county in which the city or urban-county government is located within thirty (30) days after such action becomes final, but the enforcement of the decision of the civil service commission shall not be suspended pending appeal.

(2) An appeal brought under subsection (1) shall be heard in the same manner as prescribed in Section 48 of this Act.

SECTION 110. A NEW SECTION OF KRS CHAPTER 90 IS CREATED TO READ AS FOLLOWS:

(1) The legislative body shall fix by ordinance the number and classification of employes, and the salaries for each classification. When the number of employes and their classification has been fixed by ordinance, including any ordinance of a city or other municipality existing prior to the adoption of the urban-county form of government, which prior ordinance is adopted for any period of time by the urban-county government, no employe shall be dismissed, suspended or reduced in grade or pay for any reason except that set out in Section 108 of this Act.

(2) Provided, further, that whenever in the exercise of a reasonable discretion, it shall be the judgment of the legislative body that economic necessity requires it, or that there is no longer a need for a particular office or position to exist, the legislative body may abolish the office or position and any officer or employe occupying the office or position may be laid off or suspended, until and if the office or position is recreated or reestablished. The abolition of any office or position must not be a subterfuge to effect another purpose, but must be actual and bona fide and must not amount to the mere alteration, modification or abolition of title only.

(3) Any officer or employe aggrieved by the abolition or the proposed abolition of an office or position may at any time within ninety (90) days file a petition in the circuit court of the county wherein the city or urban-county government is located, stating his reason why it should not be abolished, and upon issue joined thereon by the city or urban-county government, the burden shall be on the latter to establish the necessity for and the good faith of the city or urban-county government in abolishing the office or position. The right to abolish and the right to have the office or position recreated shall be determined as other equitable actions are determined.

(4) If an office or position is recreated or reestablished within one (1) year, then any person who was deprived of the office or position shall be restored to it in the order of his seniority if he shall elect to do so, and the city or urban-county government shall advise the officer or employe at his last known address and advertise pursuant to KRS Chapter 424 that the office or position has been recreated or reestablished.

No legislative body member preferring charges may sit as a legislative body member during any hearing on those charges. The person accused may in writing waive the hearing of charges and accept the disciplinary decision of the legislative body.

(4) Upon filing of charges by any person other than a legislative body member, the appointing authority, or the head of the department, a copy of the charges shall promptly be forwarded to the member charged and to the attorney having the responsibility for prosecuting the charge before the legislative body. (1) Except as provided in subsection (2), whenever an advertisement for a publication area is required by law to be published *and* [in a] newspaper *publication is chosen as the method of publishing such advertisement,* the publication must be made in a newspaper that meets the following requirements:

(a) It must be published in the publication area. A newspaper shall be deemed to be published in the area if it maintains a known office in the area for the purpose of gathering news and soliciting advertisements and other general business of newspaper publications, and has a second-class mailing permit issued for that office. A newspaper printed outside of Kentucky shall not be eligible to publish advertisements for any county or publication area within the county, other than for the city in which its main office is located, if there is a newspaper printed in the county that has a substantial general circulation throughout the county and that otherwise meets the requirements of this section; and

(b) It must be of regular issue and have the largest bona fide circulation in the publication area. A newspaper shall be deemed to be of regular issue if it is published regularly, as frequently as once a week, for at least fifty weeks during the calendar year as prescribed by its mailing permit, and has been so published in the area for the immediately preceding one-year period. A newspaper shall be deemed to be of *the largest* bona fide circulation in the publication area if it *had the largest average number of copies of total paid circulation each issue during the preceding twelve (12) months as indicated by the statement of ownership, management and circulation filed by newspaper publishers with the U.S. Postal Service* [is circulated generally in the area, and maintains a definite price or consideration not less than fifty percent of its published price, and is paid for by not less than fifty percent of those to whom distribution is made]; and

(2) If, in the case of a publication area smaller than the county in which it is located, there is no newspaper published in the area, the publication shall be made in a newspaper published in the county that is qualified under this section to publish advertisements for the county. If, in any county there is no newspaper meeting the requirements of this section for publishing advertisements for such county, any advertisements required to be published for such county or for any publication area within the county shall be published in a newspaper of the largest bona fide circulation in that county, published in and qualified to publish advertisements for an adjoining county in Kentucky. This subsection is intended to supersede any statute that provides or contemplates that newspaper publication may be dispensed with if there is no newspaper printed or published or of general circulation in the particular publication area.

(3) If a publication area consists of a district, other than a city, which extends into more than one county, the part of the district in each county shall be considered to be a separate publication area for the purposes of this section, and an advertisement for each such separate publication area shall be published in a newspaper qualified under this section to publish advertisements for such area.

(2) Whenever by law or by the nature of the matter to be published a display form of advertisement is required, or whenever the person or officer responsible for causing an advertisement to be published determines in his discretion that a display form is practicable or feasible, and so directs the newspaper, the advertisement shall be published in display form and the newspaper shall be entitled to receive therefor *the lowest earned advertising rate for the same or similar space as appearing on the most recently published or prepared advertising rate card of the particular newspaper* [its established display rate].

(3) Whenever it is provided by statute that an advertisement shall be published of the filing of a petition or application seeking official action, the filing, if required by other than a governmental official or agency, shall not be deemed complete unless there is deposited with the petition or application an amount sufficient to pay the cost of publication.

(4) The expense of advertisements in judicial proceedings shall be taxed as costs by the clerk of the court.

Section 134. KRS 424.170 is amended to read as follows:

The officer shall procure and include in or attach to the statement as a part thereof a certificate from the cashier or other proper officer of the banks in which the funds are or have been deposited during the past year, showing the balance, if any, of funds to the credit of the officer making the statement. The officer shall, within sixty days after the close of the fiscal year, cause the statement to be published in full in a newspaper qualified under KRS 424.120 to publish advertisements for the [city,] county or district, as the case may be. Promptly after the publication is made, the officer shall file a written or printed copy of the advertisement with proof of publication, in the office of the county court clerk of the county.
